Joe: "Kate, you look really good tonight. How's your night going?"

Kate, looking disinterested: "Thanks. It's going fine."

Joe, leaning in closer: "Cool, well can I get you a drink? I can make whatever you want! Long island, tequila sunrise, vodka cranberry..."

Kate, leaning away: "Nahh, I'll just stick with this beer. Thanks though."

[Kate looks surprised and uncomfortable]

Kate: "umm I don't remember it I made it up a long time ago."

Joe: "Ok, that's alright I can just scan your ghosty thingy".

Joe: "Awesome, thanks! Hey, it's a Friday, we don't have to be up for classes tomorrow, let's take a shot together!"

Characters:

Jenna, played by Abril

Taylor, played by Alli

Jay, played by Jose

Action:

[Jenna and Jay are sitting next to each other watching TV. Jenna is texting back and forth with Taylor.]

Jay: "...Jenna. Earth to Jenna! You were spacing out...are you even watching this show? What's been going on with you lately?"

[Jenna looking at phone]

Taylor texts Jenna: "Where are you?" "You got out of class 20 minutes ago"

Jenna texts Taylor: "Watching TV. I'll be over when it's over."

Taylor texts Jenna: "Who are you with?"

Jenna: [turning to Jay, hesitating] "I dunno...there's just been a lot on my mind lately. Things aren't going well with Taylor right now..."

Jay: "What do you mean?"

[Taylor calls Jenna, Jenna ignores call]

Jay: "You're such a cute couple! Are you two in a fight or something?"

Jenna: "No, I mean...I don't know, I've just been thinking about our relationship a lot lately. I don't feel like she treats me very well...like I don't think it's a very healthy relationship."

Jay: "...what do you mean by unhealthy? [jokingly] I mean, you're both women....what'd she do, hit you? [laughs] I don't get it"

Jenna: "That's not funny. I just feel like I'm always walking on eggshells. Like I never know what's going to set her off. Sometimes things are really great, but sometimes she just gets really....I don't know....I mean, you've seen her, how she gets jealous of me hanging out with other people. I'm starting to feel like she's sabotaging my friendship or if I do something that upsets her she'll just stop talking to me and ignore me...which is super uncomfortable since we live together, but it just doesn't even feel like my home."

Jay: "Yikes. I had no idea. What else has been going on?"

Taylor texts Jenna: "Why aren't you responding?" "Jenna, call me" "I'm just worried" "You're with Jay, aren't you?" "He just wants to get in your pants..."

Jay: [quietly] "Is everything all right?"

Jenna: "Well, we got into a huge argument a couple days ago about you and I spending time together, and she reminded me about those nudes I sent her when we first started dating...I kinda felt like she was trying to shame me, like threatening me with them. She's even accusing me of cheating on her?"

Jay: “Wow! Welp, that’s why you shouldn’t send nudes dude.”

Jenna: [Jenna stares blankly at Jay in frustration] “That’s not helpful Jay”

Jay: “No you’re right, I’m sorry. That’s not okay.”

Jenna: “Yeah, I just don’t really know what to do about it. We haven’t really told many people about our relationship—most of my family doesn’t even know I’m into women—she told me that if we break up she’ll use that and out me to my parents just to get back at me.”

Jay: “This is so fucked up! No one gets to treat you like shit. Period.”

Jenna: “It’s been building up for a while...I kept hoping things would get better but now I’m not sure what to do.”

Characters:

Ben, played by Cedric

Manny, played by Jose

Action:

[Ben’s phone rings twice from an unknown caller. Ben declines the calls, while looking concerned.]

Manny, to Casey: “So have you talked to your man yet?”

Casey: “Who, Carter? No! I saw him in class yesterday but I was too nervous to talk to him.”

Manuel, laughing: “Well, you’ve gotta talk to him at some point if you ever wanna go out with him!”

Casey: “I know, I know. I was stalking his Instagram last night and he’s just so cool! He has the cutest puppy. I’m obsessed.”

[Ben’s phone rings again from an unknown caller. Ben declines the call.]

[Manny and Casey, annoyed, both look over at Ben.]

Manny: “...Ben. Are you gonna answer that or what?”

Ben: “Nope!”

Casey: “Well who is it? They’ve called like 20 times in the past 2 minutes...zoom happy hour is for US”

[Ben’s phone rings again from an unknown caller. Ben declines the call.]

Casey: “...it’s getting really annoying.”

[Ben looks concerned]

Manny: “Ben, is everything okay?”

Ben: “No, actually. Someone keeps calling and texting me, and I think it’s Joanna from my class. It’s really starting to freak me out. Yesterday I came home and someone left Sour Patch Kids with a bow on it on my doorstep, and I don’t even know who it’s from.”

Casey: “the fuck?”

Manny: “Dude, Joanna from math? She is fine! Ooh sounds like Ben’s got a secret admirer!”

Casey: “Yeah, a super creepy secret admirer!”

Manny: “Oh stop, you know you’d love it if Carter would start calling you all day! Ben, if you don’t want them, I’ll take your Sour Patch Kids!”

[Ben gives both of them a blank stare in annoyance.]

Ben: [frustrated/angry] “No, you don’t get it. This isn’t normal. This isn’t like your Instagram stalking Carter. I didn’t put my address or phone number online, I don’t know how they got it. They keep calling me and apparently they know where I live now. I don’t even want to leave my parents’ place because I don’t know what I’ll find waiting for me when I get home...Do you know what that feels like?!”

Manny: [sarcastic] “Ohh boo hooo...cry me a river Ben....

Casey: “Shit. I’m sorry Ben. We were just joking around. I had no idea you were really this freaked out. Maybe you should just block their number....? What can we do to help?”
