

UNC PARKING MAP 2021-2022

GENERAL INFORMATION

Parking Services' mission is to manage an efficient system of parking lots for the campus. We design and maintain our lots to enhance safety and an orderly traffic flow. We enforce Parking Rules and Regulations so that our patrons receive the best service possible.

UNC assumes no responsibility for the care and protection of motor vehicles or their contents while operated or parked on the campus. Vehicles should always be locked and valuables kept from plain sight.

Parking Services is a self-supporting auxiliary department of the University of Northern Colorado. No tax revenue, student fees or tuition funds are used in its operation.

PARKING PERMITS ARE REQUIRED

All vehicles parked on university property must properly display a valid UNC parking permit if they are not parked at a paid meter.

RESERVED PARKING SPACES

Some spaces on campus are reserved for specific reasons. These spaces are marked with signs and restrictions are enforced 24/7.

Unauthorized vehicles will be ticketed and may be towed. See www.unco.edu/parking/citations/lot-information.aspx for more information.

PARKING LOT RESTRICTIONS

Parking restrictions for fire lanes, spaces for disabled persons, timed spaces, no-parking zones, and service spaces are enforced 24/7 in all lots.

Permits are required 8 a.m.–5 p.m., Monday–Friday.

C Lot, located south of Campus Commons, is available for daytime parking only. All vehicles are prohibited from parking overnight, regardless of permit type displayed.

PURCHASING LONG-TERM PARKING PERMITS

Semester and full-year parking permits are available for purchase. You are responsible for learning where your permit is valid by using the parking map or by asking UNC Parking Services. Visit online: www.unco.edu/parking. Permits allow purchasers access to various campus lots.

PERMITS FOR PERSONS WITH DISABILITIES

People with disabilities may park in the UNC disability spaces with valid state placard or plate and a UNC permit.

SHORT-TERM PARKING

The following options for short-term parking are available:

- Hourly permit – can be purchased at pay-to-park locations (see map).
- Daily permit – can be purchased at:
 - ▶ Pay-to-park stations located in many student parking areas.
 - ▶ Parking Services office, second level of the University Center.
- Metered parking spaces – available in K-West lot.
- Permits are not valid in metered spaces.

Permits are not transferrable. Resale of your permit will result in possible criminal charges.

PERMIT REPLACEMENT OR EXCHANGE

It is possible to replace or exchange a permit. To exchange your permit for a different type, bring the original permit to our office. We will assign a new permit after assessing a \$10 exchange fee in addition to any price difference. If your permit is lost or stolen, you may acquire a replacement permit by coming into our office and filing a Lost/Stolen Permit Report. A replacement fee of \$35 will be assessed. The permit reported as lost/stolen will be considered invalid and any vehicle displaying a lost/stolen permit on campus will be booted. The driver or registered owner will receive a substantial fine and may be contacted by law enforcement. All expired permits should be shredded or otherwise destroyed.

STUDENT REFUND

Refunds are available for annual permits only and the permit must be returned to Parking Services to receive a refund. Refunds are based on a percentage of the purchase price. **No refunds after March 31.**

INOPERABLE VEHICLES

If your vehicle becomes inoperable while parked in a UNC parking lot, you should notify Parking Services immediately. If you do not, the vehicle may be ticketed repeatedly. The vehicle must be removed within 24 hours of becoming inoperable.

BROKEN PAY-TO-PARK STATION OR METER BOX

Please report malfunctions of the Pay-to-Park Stations to Parking Services. If a station is not working, please go to another location to purchase a daily permit.
