OVER SIDEWALK PARKING

Please make sure your vehicle is not blocking or partially blocking any part of the sidewalk to ensure pedestrian and mobility device users can safely navigate the sidewalk.

Additionally, parking over the sidewalk restricts the ability for Facilities Management and other staff to properly service campus.

Vehicles blocking or partially blocking the sidewalk may face parking fines.

SNOW REMOVAL

To allow for snow removal, residents are restricted from parking on **23rd street** when snow conditions exist. Please move to the **interior lot** when snow is expected to accumulate.

Refusing to move your vehicle may result in parking fines and your vehicle may be towed.
