

USING A CREDIT CARD

1. Press the green button with the black check mark.

2. Insert and quickly remove credit or debt card.

3. Select how long you would like to purchase the permit for using the corresponding yellow button under the time options on the screen.

4. Verify the time you will need to park and then print the dispenser permit by pressing the green button.

5. Place your dispenser permit on the driver's side corner of your dash with all the information clearly visible from outside.

Please feel free to call Parking Services at (970) 351-1971 if you have any questions.
