# USING A DISPENSER CODE

1. Press the fourth yellow button under the word CODE on the dispenser screen.

2. Enter your code using the key pad below the coin slot.

3. Press the green button to confirm code entered.

4. Verify the time you will need to park and then print the dispenser permit.

5. Place your dispenser permit on the driver's side corner of your dash with all the information clearly visible from outside.

Please feel free to call Parking Services at (970) 351-1971 if you have any questions.
