

## 2022 Colorado Employee Withholding Certificate

### This Certificate Is Optional for Employees

If you do not complete this certificate, then your employer will calculate your Colorado withholding based on your IRS Form W-4. That calculation is designed to withhold the required Colorado income tax due on your wages throughout the year, and it will generally result in a refund when you file your Colorado income tax return.

### Reasons to Complete This Certificate

Complete this certificate if you want to adjust your Colorado withholding for one or more of the following reasons:

1. You earn most of your income from one job,
2. You expect to claim federal itemized deductions and/or the Colorado child tax credit, or
3. You expect significant income from other sources.

For most taxpayers, completing this certificate will likely increase your take-home pay, reduce your Colorado withholding, and reduce your refund when you file your Colorado income tax return. Consider the amounts you enter carefully. If too little is withheld, then you will owe tax when you file your Colorado return, and you may owe a penalty.

### When to Complete a New Certificate

You may adjust your withholding at any time. Consider completing a new certificate for the following reasons:

1. You last completed a certificate three or more years ago;
2. Your wages or other income changes significantly;
3. Your number of jobs changes;
4. Your expected filing status (single, married filing jointly, etc.) changes;
5. Your expected federal deductions change significantly;
6. You have a new qualifying child for the child tax credit; or
7. You or your child will no longer qualify for the Colorado child tax credit, including if your child will turn 6 years old this year.

### If You Complete This Certificate

1. Give it to your employer; then they must calculate your Colorado withholding based on the amounts you entered.
2. If you (and your spouse, if filing jointly) have multiple jobs, complete a separate certificate for each one.
3. In order to prevent evasion of Colorado income tax, the Department of Revenue may review and adjust your withholding.
