

PURCHASE ORDER TERMS AND CONDITIONS

395-30-55-0159 / 395-30-55-0233 (R 5/99) CSPs (4/1/04)

1. **Offer/Acceptance.** If this purchase order refers to your bid or proposal, then this purchase order is an ACCEPTANCE of your OFFER TO SELL in accordance with the terms and conditions of the IFB/RFP, as stated in your bid. If no bid or proposal is referenced, the purchase order is an OFFER TO BUY, subject to your acceptance, which must be demonstrated by either your performance of the purchase order or by a formal acknowledgment in writing. Any COUNTER-OFFER TO SELL is automatically construed as a CANCELLATION of this purchase order unless a change order is issued accepting a counter-offer. In the event vendor form(s) or part(s) of forms are included in, or as an attachment to, any bid, proposal, offer, acknowledgment, or otherwise, vendor agrees that, in the event of inconsistencies or contradictions, the terms and conditions of the solicitation document and this purchase order shall supersede and control over those contained in the vendor's form(s) regardless of any statement to the contrary in a vendor form(s). Unless the purchasing agent specifically agrees in writing through overt reference or other express written indication of assent, terms and conditions on vendor forms regarding choice of law, venue, warranty disclaimer or exclusion, indemnification or limitation of liability shall be of no effect.

2. **Safety Information.** All chemicals, equipment and materials proposed and/or used in the performance of this purchase order must conform to the standards required by the William-Steiger Occupational Safety and Health Act of 1970. Bidders must furnish all Material Safety Data Sheets (MSDS) for any regulated chemicals, equipment or hazardous materials at the time of delivery.

3. **Changes.** The vendor agrees to furnish the products and/or services in strict accordance with the specifications, and at the price set forth for each item. Nothing in the purchase order may be added to, modified, superseded or otherwise altered except in writing signed by an authorized representative of the state agency purchasing office and acknowledged by the vendor. Each shipment received or service performed shall be only upon the terms contained in the purchase order, notwithstanding any terms that may be contained in any invoice or other act of vendor other than acknowledgment of a written change order to the purchase order.

4. **Delivery.** Unless otherwise specified, in the solicitation or in this order, delivery shall be F.O.B. destination. In its acceptance of any quotation offer, the state agency is relying on the promised delivery date, installation, or service performance as material and basic to its acceptance. In the event of vendor's failure to deliver or perform as and when promised, the state agency reserves the right to cancel its order, or any part thereof, without prejudice to its other rights, and vendor agrees that the state agency may return all or part of any shipment so made, and may charge vendor with any loss or expense sustained as a result of such failure to deliver or perform as promised. Time is of the essence.

5. **Rights In Data, Documents, and Computer Software or Other Intellectual Property (State Ownership).** Unless otherwise agreed in writing, any software, research, reports, studies, data, photographs, negatives or other documents, drawings or materials delivered by vendor in the performance of its obligations under this purchase order shall be the exclusive property of the State. The ownership rights described herein shall include, but not be limited to, the right to copy, publish, display, transfer, prepare derivative works, or otherwise use the works.

6. **Quality.** The State will be the sole judge in determining "equals" with regard to quality, price and performance. All products delivered shall be newly manufactured and of the manufacturer's current model, unless otherwise specified.

7. **Warranties.** All provisions and remedies of the Uniform Commercial Code relating to both implied and expressed warranties are herewith referred to and made a part of these Terms and Conditions and are in addition to any warranties stipulated in the specifications.

8. **Inspection and Acceptance.** Final acceptance is dependent upon completion of all applicable inspection procedures. Should the products or services fail to meet any inspection requirements the State may exercise all of its rights, including those provided in the Uniform Commercial Code. In the case of services, the State reserves the right to inspect services provided under this contract at all reasonable times and places.

"Services" as used in this clause includes services performed or tangible material produced or delivered in the performance of services. If any of the services do not conform with purchase order requirements, the State may require the vendor to perform the services again in conformity with purchase order requirements, with no additional payment. When defects in the quality or quantity of service cannot be corrected by re-performance, the State may (1) require the vendor to take necessary action to ensure that the future performance conforms to purchase order requirements and (2) equitably reduce the payment due the vendor to reflect the reduced value of the services performed. These remedies in no way limit the remedies available to the State in the termination provisions of this purchase order, or remedies otherwise available at law.

9. **Cash Discount.** The cash discount period will start from date of receipt of acceptable invoice, or from date of receipt of acceptable products/services at the specified destination by an authorized agency representative, whichever is later.

10. **Taxes.** The state agency, as purchaser, is exempt from all federal excise taxes under Chapter 32 of the Internal Revenue Code [No. 84-730123K] and from all state and local government use taxes [C.R.S. 39- 26-114(a) and 203, as amended]. Tax exempt numbers for the specific state agency may be found elsewhere in this document. Vendor is hereby notified that when materials are purchased for the benefit of the State, such exemptions apply except that in certain political subdivisions (for example - City of Denver) the vendor may be required to pay sales or use taxes even though the ultimate product or service is provided to the State. These sales or use taxes will not be reimbursed by the State.

11. **Prompt Payment.** State law and regulations provide that vendors will be paid within forty-five days after receipt of products or services and a correct notice of amount due, unless otherwise agreed to by contract or special conditions of the purchase order. A State liability not paid within forty-five days is considered delinquent and, unless otherwise agreed to, interest on the unpaid balance shall be paid beginning with the forty-sixth day at the rate of one percent per month on the unpaid balance until paid in full. A liability shall not arise if a good faith dispute exists as to the agency's obligation to pay all or a portion of the liability. Vendors shall invoice the State separately for interest on delinquent amounts due. The billing shall reference the delinquent payment, the number of days interest to be paid and the applicable interest rate. [Ref. Sec 24-30-202(24), C.R.S., as amended.]

12. **Vendor Offset.** Pursuant to CRS 24-30-202.4, as amended, the State Controller may withhold payment for debts owed to state agencies under the vendor offset intercept system for: (a) unpaid child support debt or child support arrearages; (b) unpaid balance of tax, accrued interest, or other charges specified in Article 21, Title 39, CRS; (c) unpaid loans due to the Student Loan Division of the Department of Higher Education; (d) owed amounts required to be paid to the unemployment compensation fund; and (e) other unpaid debts owing to the state or any agency thereof, the amount of which is found to be owing as a result of final agency determination or reduced to judgment as certified by the State Controller.

If this purchase order is for services, to the extent authorized by law, the vendor shall indemnify, save, and hold harmless the State, its employees and agents, against any and all claims, damages, liability and court awards including costs, expenses, and attorney fees incurred as a result of any act or omission by the vendor, or its employees, agents, subcontractors or assignees arising out of or in connection with performance of services ordered by this purchase order.

15. INDEPENDENT CONTRACTOR. THE VENDOR SHALL PERFORM ITS DUTIES HEREUNDER AS AN INDEPENDENT CONTRACTOR AND NOT AS AN EMPLOYEE.
