

Certification of COVID-19 Vaccination

Pursuant to Amended Public Health Order 20-38

Limited COVID-19 Restrictions

In response to the existence of thousands of confirmed and presumptive cases of COVID-19 and related deaths across the State of Colorado, [Public Health Order 20-38](#) (dated August 31, 2021 and updated and revised on September 30, 2021) implements vaccination requirements for all State Contractors and State Contractor Workers who physically enter a State Facility to prevent the spread of COVID-19 further in Colorado. State Contractors who have goods, services or contracts with a state agency are required to ensure that their personnel (including subcontractors) who perform contract activities on-site in State Facilities comply with the COVID-19 vaccination requirements, or twice weekly COVID-19 testing requirements for their personnel that have approved medical or religious exemptions or are unvaccinated.

The person certifying herein represents and warrants that they are duly authorized to attest to and to bind the State Contractor authorizing such certification.

I hereby attest on behalf of the State Contractor identified below, that State Contractor:

1. Has reviewed and understands the State Contractor's obligations as set forth in the Order and is in compliance with the requirements of and is aware of the consequences for noncompliance.
2. Has verified that all State Contractor Workers, including individuals who have been infected with and recovered from COVID-19, have received their first dose in a two dose COVID-19 series no later than September 30, 2021 and are Fully Vaccinated as of October 31, 2021, or are participating in twice weekly COVID-19 testing if they have an employee approve medical or religious exemption or are unvaccinated.
3. Has identified by name all State Contractor Workers who will require access to State Facilities in connection with the performance of the obligations under the Contract or as a goods or service provider to an individual residing in a State Facility.
4. Has notified all State Contractor Workers that proof of vaccination status, or a recent negative COVID-19 test result may be required immediately upon request while in a State Facility.

5. Understands that State Contractor Workers who are not Fully Vaccinated, or that are not participating in twice weekly COVID-19 testing shall not be allowed to physically enter a State Facility but may provide services remotely.
6. Has notified State Contractor Workers that they shall comply with any face covering or other requirements in place at any State Facilities they enter.

I hereby certify, under penalty of perjury under the laws of the State of Colorado, that the certifications herein are true and correct and that I am authorized to make these certifications on behalf of the State Contractor listed herein.
