¹ All EED majors are required to meet with an EED adviser every semester. Failure to meet with an adviser can result in removal from the program.

² Any of the following courses will count BOTH in the LAC and as ONE elective in the ENG/EED major. In addition, ENG 236 can count in BOTH Category 3 and Category 8. Students are advised NOT to take ENG 131, 211, 213, and 214.

³ The number of credits (e.g., 15/16) will depend on whether the LAC classes that semester include a LAB Science (4 credits)

⁴ See the UNC Catalogue or the English Department Web Page for information about applying to EED and the PTEP Phases.

⁵ EED 341 is offered Spring only and EED 402 Fall only.
