This worksheet is a recommended schedule to complete your bachelor's degree in 4 years. Every UNC student must meet the following requirements in order to graduate with a bachelor's degree: earn a minimum of 120 semester credit hours; possess a minimum of a 2.00 cumulative grade point average; have at least 40 credit hours in courses designated as Liberal Arts Core; meet all degree requirements in the student's major field of study. Each major and/or emphasis may have additional requirements necessary for graduation. **Students must consult with their major advisor to receive information on any additional graduation requirements.**

Social Science Liberal Arts 13-14

9-26-2013

Notes

1. This emphasis prepares students for careers in human services, research, program planning, graduate school and law school. Examples of human services careers include positions such as agency management, probation counseling, environmental and social impact analysis, city planning and local, state, and federal government positions.
2. A minimum of 21 semester hours of the 24 hours required for the Elective Major Credits must be at the 300 – 400 level.
3. Students selecting this emphasis must complete a minor in a discipline of their choice.
4. In addition to the credits hours for the minor, these students must take additional elective courses to have sufficient credits for graduation. Students taking a minor in Economics, Geography, History or Political Science cannot count credit received for that minor toward the Elective Major Credits.
