This worksheet is a recommended schedule to complete your bachelor's degree in 4 years. Every UNC student must meet the following requirements in order to graduate with a bachelor's degree: earn a minimum of 120 semester credit hours; possess a minimum of a 2.00 cumulative grade point average; have at least 40 credit hours in courses designated as Liberal Arts Core; meet all degree requirements in the student's major field of study. Each major and/or emphasis may have additional requirements necessary for graduation. **Students must consult with their major advisor to receive information on any additional graduation requirements.**

Notes

1. Two of the following, HIST 100/101, 120/121, HIST 110/112/113/118 may also be applied toward the Liberal Arts Core, Area 4.
2. Three of the four required social science courses (ANT 110, ECON 203, GEOG 100, PSCI 100) may be applied toward the Liberal Arts Core in Areas 5 and 7.
3. In addition to the required courses, each major will also take 24 additional hours of electives.
 - Twelve of these must be in a concentration area (Europe, United States, Africa/Asia/Latin America).
 - Of the remaining 12 hours, 6 must be in each of the other areas.
 - For example, if the major's concentration is in Europe, students must take 6 hours in African/Asian/Latin American history, and 6 hours in United States History.
 - At least 18 of the 24 hours must be taken from courses numbered 300 or 400.
 - All 24 hours must be at least 200 level.
4. History majors must obtain a grade of "C" or better (C- is not acceptable) in all courses required for the major at UNC. Majors receiving a grade of "C-" or lower must retake the course—or an equivalent approved by the academic advisor—and receive a grade of "C" or better to have the course counted toward the major.
5. All history courses numbered 300 or higher include a research and writing component.
6. Only 6 hours of HIST prefixes may be counted toward the LAC.
