BS Recreation, Tourism, & Hospitality: Tourism & Hospitality Concentration (cont)

This worksheet is a recommended schedule to complete your bachelor's degree in 4 years. Every UNC student must meet the following requirements in order to graduate with a bachelor's degree: earn a minimum of 120 semester credit hours; possess a minimum of a 2.00 cumulative grade point average; have at least 40 credit hours in courses designated as Liberal Arts Core; meet all degree requirements in the student's major field of study. Each major and/or emphasis may have additional requirements necessary for graduation. **Students must consult with their major advisor to receive information on any additional graduation requirements.**

Notes

- ¹Students complete a three credit Practicum experience and a minimum 9-credit Internship experience. Current Advanced First Aid and CPR are prerequisites for these experiences, as are specified hours of practical experience (90 clock hours for the practicum and 480 clock hours for the internship). Students are approved for their practicum and their internship by faculty.
- ²Students must have completed all required courses in the major and have a minimum GPA of 2.5 in major course before beginning their internship.
- Students receiving a grade of "D" or "F" in courses required for the recreation, tourism and hospitality major must be repeated.

The program sponsors the Recreation Management Club, subscribes to pertinent job bulletins and maintains detailed files on internship placements available throughout the world. The concept of learning through doing is further emphasized through numerous volunteer opportunities and the internship experience.

A student may earn a Bachelor of Science Degree in Recreation, Tourism and Hospitality preparing the student to assume entry level leadership roles in the tourism and recreation field, including municipal, youth, commercial, non-profit, outdoor and hospitality settings.
