3. Students must demonstrate competency in certain areas of language activity: oral or written proficiency in foreign language, ability to apply one's knowledge of the culture to appropriate situations in a foreign language environment.
4. To graduate with a Foreign Language degree, students must have a 2.5 GPA in those courses that count toward the major and were taken at UNC.

6. Students must pass the Oral Proficiency Interview (OPI) with a rating in the Intermediate range or above in order to graduate. See your advisor for more information.

The French Liberal Arts Major stresses communicative language learning that recognizes language acquisition as a dynamic process of discovery in which students develop the ability to use the French language for specific communication purposes. This skill-using approach is obtained through content-based instruction at all levels and is complemented by authentic audio visual and textual materials. Optional participation in extracurricular programs and activities that include immersion weekends and conversation circle (*Bavardage*) further enhance functional proficiency.
