This worksheet is one possible recommended plan to complete your bachelor's degree in 4 years. Every UNC student must meet the following requirements in order to graduate with a bachelor's degree: earn a minimum of 120 semester credit hours; possess a minimum of a 2.00 cumulative grade point average; have at least 40 credit hours in courses designated as Liberal Arts Core; meet all degree requirements in the student's major field of study. Each major and/or emphasis may have additional requirements necessary for graduation. **Students must consult with their major advisor to receive information on any additional graduation requirements.**

Notes

1. **Students may take up to 13 credits in the Political Science Internship Program, but only a maximum of 3 credits can apply toward the political science major. Admission to the Internship Program is selective. Applications are available in the program office and must be submitted to the director, Internship Program, no later than the time of preregistration for the semester of the proposed internship. Students must have accumulated 9 hours in political science at time of application.**
2. **Qualified students are invited to enroll in the Honors Program in Political Science. Consult the director, Honors Program in Political Science.**
