Notes

¹ This Four Year Plan is meant to be used in conjunction with the Liberal Arts Core Checklist. Please see the checklist for specific requirements for each Area.

² Prerequisite courses must have been passed with a C or better.

³ Indicates student must take that science classes must come from two different prefixes. The LAC requires at least one lab course and has a “seven credit hour requirement.”

⁴ Indicates student may take ASL 101 to meet the degree requirement for ASL or a foreign language. ASL 101 would also meet the LAC Area 8 requirements.

⁵ Must have a 2.75 to enroll. Fifty hours of field experience required. You may only take EDSE 271 if it is pre-approved.

⁶ 120 credits are needed to graduate. Determine how many elective credits you will need to get to 120 credits.

⁷ The gray shading indicates the classes that must be taken together.
