This worksheet is one possible recommended plan to complete your bachelor’s degree in 4 years. Every UNC student must meet the following requirements in order to graduate with a bachelor’s degree: earn a minimum of 120 semester credit hours; possess a minimum of a 2.00 cumulative grade point average; have at least 40 credit hours in courses designated as Liberal Arts Core; meet all degree requirements in the student’s major field of study. Each major and/or emphasis may have additional requirements necessary for graduation. **Students must consult with their major advisor to receive information on any additional graduation requirements.**

Notes

1. Students are required to be orally proficient in a foreign language. There are three ways to fulfill the language proficiency requirement: 1) Three credits in a foreign language at the 300 level or above; 2) Demonstrated proficiency at the intermediate/low level on the ACTEL/ETS Oral Proficiency Interview; 3) Other evidence approved by the student's departmental advisor.
2. Students enrolled in Study Abroad or an Internship conflicting with fulfillment of the PSCI 415 or PSCI 425 requirement may substitute another PSCI course with the approval of their PSCI Advisor.
3. Those who complete an approved 3-credit internship may petition to use it as a substitute for PSCI 415 or PSCI 425.
4. No more than 3 credits of internship can be used toward the major.
