**Admission Requirement** – Students planning to major in music are required to submit an application for admission to the School of Music. An audition is required for all applicants to music degree programs; for some graduate programs, an interview may be conducted in lieu of an audition. Current School of Music admission guidelines and audition requirements are available at: [arts.unco.edu/music/apply/](http://arts.unco.edu/music/apply/)

Students meeting the general admission requirements of the University may be accepted as undeclared majors. However, students may only be designated as music majors upon successful completion of the School of Music application and audition process.

**Minimum Proficiencies.** Minimum proficiency in music fundamentals and ear training as assessed by the Music Theory Placement Exam to enter MUS 113/114.

**Notes**

1. Two foreign language courses may count toward Liberal Arts Core requirements and electives in the content area; minor courses may fulfill LAC requirements. This will open up University-Wide credit, as shown in the Spring of Year 3.
2. In all MUS courses, a student must receive C- or better to fulfill degree requirements.
3. Any student receiving lower than a C- in a MUS prefix class for the second time in the same class will be placed on probation. If the student receives lower than a C- a third time in the same class, the student will be removed from the major.
4. Students are required to take MUS 100 8 times, based on degree. This is not tied to lessons.
5. After students have fulfilled the requirements for applied lessons in their degree, additional applied lessons will be at the discretion of the studio teacher and Director.
6. All students in applied lessons must enroll in a major ensemble. Students that do not have a major ensemble required for the duration of the degree program should follow their degree requirements.
7. Any student receiving a grade below a C- in applied lessons will be placed on probation. A second semester of a grade below a C- in applied lessons will result, upon consent from the area, in removal from the major.

*This worksheet is a recommended schedule to complete your bachelor's degree in 4 years. You will meet with the School of Music Retention Coordinator, and your faculty advisor every semester to track your progress.*
