BS Sport and Exercise Science - Sports Coaching Emphasis (cont.)

This worksheet is a recommended schedule to complete your bachelor's degree in 4 years. Every UNC student must meet the following requirements in order to graduate with a bachelor's degree: earn a minimum of 120 semester credit hours; possess a minimum of a 2.00 cumulative grade point average; have at least 40 credit hours in courses designated as Liberal Arts Core; meet all degree requirements in the student's major field of study. Each major and/or emphasis may have additional requirements necessary for graduation. **Students must consult with their major advisor to receive information on any additional graduation requirements.**

Notes

- ¹Students need additional Liberal Arts Core courses in the following areas to meet requirements:
Area 1: 6 credits Area 2: None Area 3: 6-9 credits* Area 4: 3 credits
Area 5: 3-6 credits* Area 6: None Area 7: 3 credits* Area 8: 3 credits*
LAC ELECTIVES: None
*Some Area 7 and Area 8 can also be used for Areas 3 or 5
- ²You need to complete 20-21 credits of University-wide Electives.
- ³SES Sports Coaching electives – Choose 6-7 credits, Credits must be chosen from the following: SES 312 (2 credits), SES 313 (2 credits), SES 314 (2 credits), SES 316 (2 credits), SES 317 (2credits), SES 318 (2 credits), SES 319 (2 credits), SES 320 (2 credits), SES 321 (2 credits), SES 322 (3 credits), SES 461 (3 credits) or SES 478 (3 credits). (NOTE: Only 4 credits can be from courses SES 312-SES 321, these classes are also offered irregularly)
- ⁴SES 200, SES 240 are offered irregularly and SES 241 is no longer offered, students should see advisor for replacement class.
- ⁵Prior to registering for SES 392, students must have a GPA of 2.7 or better in the SES prefix courses and current First Aid and CPR certification through completion of internship (SES 392).
- A grade of "C" or higher is required in all SES prefix courses; the course must be retaken until a "C" or higher is achieved, C minus is not acceptable.

Sports coaching is an emerging field with diverse content areas and athletic populations. This major enables students to combine sport specific content, scientific knowledge and pedagogical practices in preparation for the continually changing world of coaching and athletics. Students who select this emphasis are **not** eligible for teacher licensure in Sport and Exercise Science.
