Notes

¹ This Four Year Plan is meant to be used in conjunction with the Liberal Arts Core Checklist. Please see the checklist for specific requirements for each Area.

² Prerequisite courses must have been passed with a C or better.

³ Indicates student must take that science classes must come from two different prefixes or must be SCI 265 and SCI 266. The LAC requires at least one lab course and has a “seven credit hour requirement.”

⁴ Indicates student may take ASL 101 to meet the degree requirement for ASL or a foreign language. ASL 101 would also meet the LAC Area 8 requirements.

⁵ Indicates students must pass these classes with the B- or better.

⁶ Must have a 2.75 to enroll. Fifty hours of field experience required. You may only take EDSE 271 if it is pre-approved.

⁷ The gray shading indicates the classes that must be taken together.
