Admission Requirement – List any special admission requirements.

EED requires that TCs apply both to the EED program and, as is the case for ALL licensure students, the School of Teacher Education. Our application procedure, designed to address accreditation issues, includes a writing sample, letters of recommendation, a minimum of 9 credits in the ENG major, and a GPA of 3.0 overall and in the major. These requirements were put into place to address concerns voiced in response to the 2007 NCATE

Report regarding AREA 3. "Description of the criteria for admission, retention, and exit from the program, including required GPAs and minimum grade requirements for the content courses accepted by the program."

Minor Required – List if any minors are required.
