- iii) Once form is saved it now will be marked as a Draft. You will now have options to Send for Review (i.e., submit for approval) or Remove Proposal (i.e., delete). *Note: Required fields are needed for either of these options (if deleting, it is recommended to fill in required fields with placeholder text as needed as a workaround).*

d) Add a Collaborator

- i) If you have additional UNC faculty or staff that will assist or would like to review prior to submission, you may add others as a Collaborator to give them access to your form while it is in Draft.
 - (1) Click Select Collaborator(s) at the top of the form. Choose individuals from the list. Please note the faculty/staff member needs to already have an active account in the Curriculum Workflow (signing in via Ursa the first time will automatically create an account).
 - (2) View [Curriculum Workflow Basics Help Sheet](#) for more information on collaborating in workflow.

e) Send for Review

- i) After all necessary fields have been filled out, you can submit the form to the next stage by selecting “Send for Review” option in the upper left corner. Below is the process the form will need to complete before being deleted from the catalog:

- ii) *Note on Chair/Director Approval

- (1) For Narrative updates for **academic units** (for example, the School of Nursing or Department of English) will send to the unit leader (department chair or school director, for example) for approval based on department selected in drop-down menu.
- (2) For Narrative updates for **non-academic units** (for example, Financial Aid or Soar), select “Other-Institutional” in the department drop-down menu. Unfortunately, this will not automatically send to those departments in the workflow. If the submission is made by a director, no additional approval will be required. If the submission is made by a staff or faculty member on behalf of a department, the curriculum staff in the Office of the Registrar will seek approval from the director by email. Alternatively, submitters may also upload email/documentation from their director approving the content updates.

f) Track Proposal

- i) Updates via Email (original submitters and collaborators)
 - (1) In Progress – Update Emails
 - (a) Submitters and Collaborator(s) will receive periodic emails letting them know what stage a proposal is in (see chart above).
 - ii) Viewing in Curriculum Workflow (all users)
 - (1) In Progress – Curriculum Dashboard
 - (a) Search within the Curriculum Dashboard (will NOT appear in “My Items” or in “Archived Proposals” because it is not complete nor is it in your workbox anymore.
 - (2) Approved – Archived Proposals (Catalog Year)
 - (a) If proposal was approved, it will be listed as Approved in Archived Proposals under the relevant catalog year (defaults to current catalog being revised).

- (3) Denied – Archived Proposals (Denied Proposals)
 - (a) If proposal was denied, it will be listed as Denied in Archived Proposals under the Denied Proposals option.

- iii) Review Catalog (all users)
 - (1) After the delete narrative is approved, it will be removed from the catalog. Review Catalog links are available on the [Registrar’s office website](#).
