

PETITION FOR IN-STATE TUITION CLASSIFICATION

Residency for tuition classification in the State of Colorado is governed by Colorado Revised Statutes §23-7-101, *et. Seq.* Although an individual may be considered a state resident for voting and other legal purposes after being in the state for a short period of time, the tuition law specifies additional requirements for classification as "in-state" for tuition purposes. The Colorado Commission on Higher Education (CCHHE) has prepared detailed information that is available at <https://higher.ed.colorado.gov/residency-requirements>.

Initially, the Admissions Office or the Graduate School classifies all new students as in-state or out-of-state residents for tuition purposes based on information provided on an admissions application. New students who feel their classification is incorrect should contact the Admissions Office (Undergraduate students) or the Graduate School (Graduate students) as soon as possible.

The requested information in this petition is necessary to determine qualification as a Colorado resident for tuition classification purposes in accordance with Colorado statutes. Under the law, the petitioner bears the full burden of proof to show, by clear and convincing evidence, that the statutory requirements to qualify for in-state status are met.

Failure to present complete, clear, and convincing evidence and comprehensive supporting documentation may **RESULT IN A DENIAL**. **Careful review of the shaded areas** of the petition will provide information about required documentation.

IMPORTANT INFORMATION

- Residency classification for tuition purposes is governed by Colorado Revised Statutes 23-7-101 *et. seq.* The statute provides that **the burden of proving a Colorado domicile rests entirely upon the petitioner**. UNC does not have discretion to make exceptions to the rules as established by state law.
- If you are classified as WUE (Western Undergraduate Exchange) or WICHE/WRGP (Graduate student), you cannot establish resident domicile while classified under those programs. Your WUE or WICHE is based on the fact that you are not seeking Colorado residency while receiving the WUE/WICHE benefit. For more information visit <https://www.unco.edu/registrar/residency/>
- You must answer each of the petition questions and **attach all required documentation**. If an item does not apply, mark "N/A"; if you cannot answer a question, clearly state why. Include additional pages if you need more space.
- If you are unable to attach a required document, clearly state why. **Failure to include all required documentation may delay processing and may result in the rejection of your petition.**
- Make sure your signature is **notarized**. There are Notary Publics available in the Office of the Registrar (Campus Commons 2120).
- State audit standards require retention of all documents received as a record of the basis of decisions. Your petition and documents are stored under strict standards of security. However, you may wish to redact certain personal identification numbers. You may redact all but the last four digits of such numbers prior to submitting.
- You should make a copy of the entire petition, including documentation, for your records.

SUBMISSION DATES AND DEADLINES

- Residency petitions **submitted after the deadline date will not be processed**.

***Priority Due Date:** It is recommended that you submit your petition no later than 60 days before the semester begins if you anticipate receiving financial aid for the semester in which you are applying for residency. This will enable your financial aid to be processed correctly and credited to your account by the time the semester starts. In most cases, Financial Aid awards will change if your tuition classification changes. You should consult a counselor in the Financial Aid office to ensure your understanding of the adjustments and any new obligations you may have incurred as a result of receiving in-state status.

RESIDENCY FREQUENTLY ASKED QUESTIONS

Who sets the rules and procedures for considering individuals as “in-state” students for tuition purposes?

The state tuition law (Colorado Revised Statutes §23-7-101, *et. Seq.*) is the basis for considering individuals as “in-state” for tuition purposes. *The University of Northern Colorado does not have discretion to make exceptions to the rules as established by state law.*

What documents are required to establish myself as an “in-state” student?

Establishing a new domicile requires physical presence in a place with the simultaneous intent to make that place one’s permanent home. Tuition law lists several factors which can be used to determine that intent has been established (i.e. obtaining a driver’s license, obtaining vehicle registration, registering to vote, payment of Colorado state income tax, etc.).

There is no one set of criteria that is applied to every individual. You are expected to take appropriate action on all factors relevant in your circumstances. You should comply with all legal obligations of being a Colorado resident.

Why can I not change from WUE or WICHE to In-State?

Receiving a reduced tuition classification under WUE or WICHE is based on the claim you are not a resident of Colorado and that your legal residence is within a state that participate in the Western Interstate Commission for Higher Education. For example, you cannot claim to be a resident of California while establishing a residency in Colorado at the same time. If you wish to change your classification, we would be required to notify the university that you wish to be changed to Non-Resident so you can establish your yearlong domicile in Colorado. For most students, there is not financial benefit to do so.

How old must I be to establish domicile in Colorado?

According to tuition law, there are three possible situations:

1. Individuals at least 22 years of age are eligible to establish domicile in Colorado. Physical presence and intent must be established for 12 months prior to the first day of classes. Thus, an individual will meet the requirements of the law no sooner than his or her 23rd birthday.
2. Individuals under 23 years of age with parents or legal guardians who have established domicile for 12 months prior to the first day of classes could be considered “in-state” for tuition purposes.
3. Students who submit a Minor Student’s Emancipation Claim and are found to be emancipated (completely financially independent) prior to the age of 22 are eligible to establish domicile.

Once I live here for one year, will my tuition automatically change?

No. Individuals classified as “out-of-state” who feel they meet the requirements for in-state tuition should submit the Petition for In-State Tuition Classification to the Registrar’s Office no earlier than 90 days prior, but no later than the Petition Deadline for the term in which they wish to be considered “in-state”. The tuition classification statute places the burden of proof on the petitioner to provide clear and convincing evidence of eligibility.

If I marry a Colorado resident, will I automatically be allowed to pay “in-state” tuition?

No. Marriage to a Colorado resident does not by itself qualify you for in-state tuition status. Such a marriage may be considered some evidence of intent, but you must maintain your own Colorado domicile for one year.

Is there any consideration given for a minor whose parents have lived in Colorado for a number of years and established “in-state” status, but who move out of state during the minor’s senior year of high school?

Yes. A minor who remains in Colorado may be considered “in-state” for tuition purposes if parents can provide evidence of Colorado domicile for the immediately preceding four years. If the parents or legal guardians leave the state after a minor’s junior year of high school, the minor may still be considered “in-state” if he or she enrolls in a Colorado postsecondary institution within 42 months of the parent’s move, or maintains a Colorado domicile and complies with the other provisions of the statute.

What if my parents are divorced and only one parent lives in Colorado?

If one of the student’s parents has established domicile in Colorado, that unemancipated student can be considered “in-state”.

See <https://highered.colorado.gov/residency-requirements> or <http://www.unco.edu/registrar/residency/> for specific tuition classification deadlines, guidelines, and statutes.
