

Institutional Animal Care & Use Committee  
**ATTACHMENT M – 3<sup>rd</sup> Year Progress Report**  
**ANIMAL USE PROTOCOL FORM**

Complete this attachment and submit it with your Protocol if you are submitting a three-year renewal of an ongoing project.

1. Indicate how many animals of each species were used during the last year (since your last annual review).  
\_\_\_\_\_
2. Indicate the total number of animals of each species that were used during the last three year approval period.  
\_\_\_\_\_
3. Summarize the progress made on the project during the last three years by referring to the purpose and rationale described in the previous protocol. This section should provide enough detail to allow reviewers to understand specifically what was completed on the previous protocol and why the work should be continued. Cite abstracts, presentations and /or publications when possible and attach copies of publications if you like.  
\_\_\_\_\_
4. Describe any unanticipated problems with animal health, behavior or well-being, including animal deaths and other adverse events. Explain actions that were taken to prevent recurrence.  
\_\_\_\_\_
5. Explain why it is necessary to continue this project.
