Student Academic Success Refreshes Advisor Resource Landing Page
Undergraduate advisors can access EAB Navigate and other tools at
<https://www.unco.edu/student-academic-success/advisor-resources/>

Greeley, CO: Student Academic Success refreshed the landing pages for Advisor Resources, among other sites, to increase accessibility for advising tools. Undergraduate Advisors *should* replace the prior <https://www.unco.edu/student-success-collaborative/> bookmark as an access point for Navigate. Advisors can use Ursa to reach Navigate as well.

“Having tools and content in a single place is a growth area we are focused on for 2021/2022. The refreshed web page connects several advising and employee resources.” -Hayley Blackburn, Professional Practice Coordinator.

Features of the Site:

- Log In and FAQs for EAB Navigate
- Access to FAQs for Degree Works
- Links to Canvas Training, CETL, HR and the Advising Hub for Advising Development

The landing page is live 11/10/2021. The prior SSC page will be archived by the end of the semester: please replace bookmarks promptly.

About Undergraduate Advising: UNC professional advisors and coaches provide holistic, inclusive support helping students navigate the institution to meet their academic and personal goals by building meaningful relationships and enacting intentional advising practices. Our advising practices prioritize equity and inclusion to serve as a welcoming and brave space of support to all UNC students.
