## Mission

UNC Student Academic Success Departments provide holistic, inclusive support helping students navigate the institution to meet their academic and personal goals by building meaningful relationships and enacting intentional support practices

Most services and support on campus are included in student fees and tuition. We offer support in three core areas.

- Academic Advisors from your Major and Minor
- Peer Mentors and Tutors for Study Help and Essay Writing
- Success Coaches from Academic Support Programs (Student-Athletics, CHE, Bears First, or Academic Bridge)

# Advising

UNC professional advisors and coaches provide holistic, inclusive support helping students navigate the institution to meet their academic and personal goals by building meaningful relationships and enacting intentional advising practices. Our advising practices prioritize equity and inclusion to serve as a welcoming and brave space of support to all UNC students. Advisors attend at least two events focused on IDEA (Inclusion, Diversity, Equity, and Anti-Racism) EACH semester to align with [UNC's Community Principles](#).

**Every UNC Undergraduate is assigned an advisor or coach to guide them through policy, course planning, and life as a student.**

# Advisor Training

## Self-Paced Training

Over 9 hours of recorded content and readings are published every fiscal year for advisors to grow their knowledge.

## Listen & Learns

Campus partners provide live presentations on their services to help advisors make connections for students.

## Talk Outs

Advisors meet monthly to share strategies and challenges with their peers. We form a learning community.

## Skill Sessions

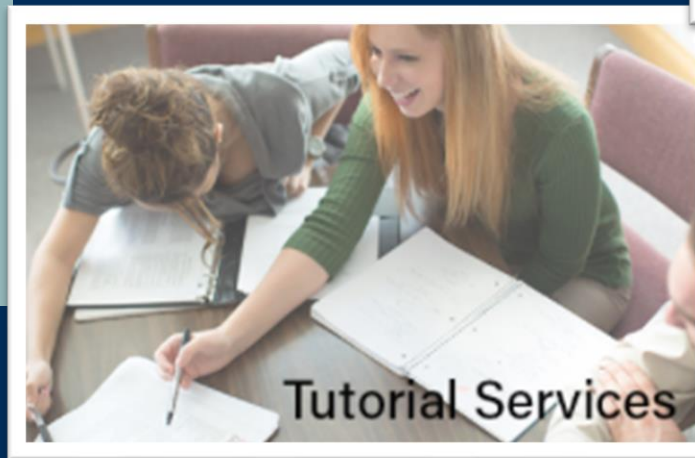

Advisors grow their personal and advising skills with sessions on goals setting, mentorship, and data literacy.

# Additional Departments

Student Academic Success offers services to support the experience as a first-year, transfer, or continuing student. Students can find classroom support in Tutorial Services and Academic Support Programs with other Bears through Academic Bridge, CHE, SOAR, and Student-Athlete Academic Success.
