

Getting Ready for SSC Campus

Reminders and Information

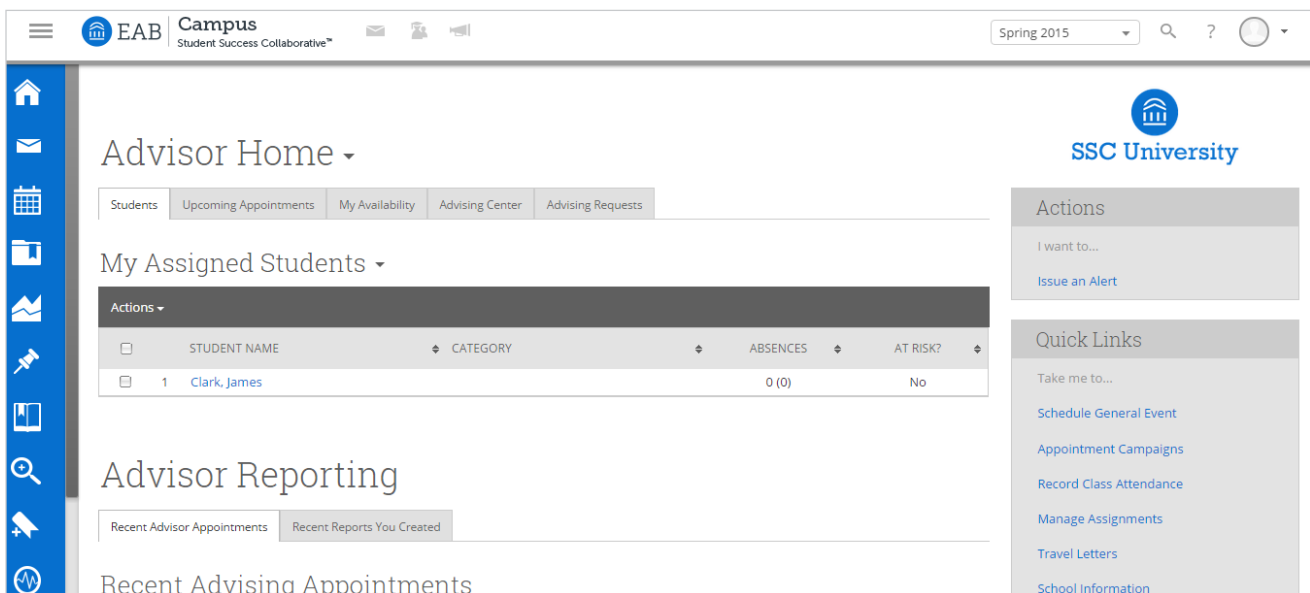

At EAB, we share your passion for enhancing the educational development of students and empowering them to make decisions that give them the best shot at success. With SSC Campus we want to *help you* help students. We are provide a holistic view of risk informed by both academic and behavioral inputs.

As a reminder, with SSC Campus you can:

- **Set Appointments** with students based on your availability and set reminders
- **Communicate** via phone, text or email with students directly from Campus platform
- **Get a comprehensive student snapshot** so you can provide instant, personalized guidance
- **Identify the students at greatest risk** who require the most urgent attention
- **Maintain and share notes**, from student appointments and interactions
- **Run Campaigns** to reach out to students based on specific criteria and easily schedule and track appointments
- **View Student Engagement Data** to track student follow-through and use of support resources

We are excited to bring SSC Campus to UNC as a tool to help enhance your workflow and coordinated support on our campus. Please reach out to Ann Bentz and Stephanie Torrez with any questions or feedback.

The screenshot shows the 'Advisor Home' interface for SSC University. The top navigation bar includes the EAB logo, 'Campus Student Success Collaborative', and a search bar set to 'Spring 2015'. A left sidebar contains icons for home, messages, calendar, documents, charts, and a search icon. The main content area is titled 'Advisor Home' and has tabs for 'Students', 'Upcoming Appointments', 'My Availability', 'Advising Center', and 'Advising Requests'. Below this is a section for 'My Assigned Students' with an 'Actions' dropdown menu. A table lists one student: Clark, James, with 0 absences and no risk status. The bottom section is 'Advisor Reporting' with tabs for 'Recent Advisor Appointments' and 'Recent Reports You Created'. A right sidebar contains 'Actions' (Issue an Alert) and 'Quick Links' (Schedule General Event, Appointment Campaigns, Record Class Attendance, Manage Assignments, Travel Letters, School Information).
