3-2-101 General Policy. [See also Board Policy Manual, Title 1, Part 4]

3-2-102 Application and Admission Requirements.

3-2-102(1) Definitions and General Rules. For the purposes of Title 1, Part 4, 1-1-403 the following shall apply. Undergraduate application and admission policies are published annually in the University catalog and are available in the on-line catalog published by Academic Affairs.

(a) Quarter credit hours shall convert to semester credit hours at a ratio of 3 to 2, e.g., 45 quarter hours shall convert to 30 semester hours.

(b) References to accredited colleges, universities, high schools, or institutions shall mean accreditation by a regional accrediting agency approved by the U.S. Department of Education.

(c) Satisfaction of admission requirements shall be determined in the sole discretion of UNC.

(d) Accredited status must exist at the time the applicant attended a college, university, high school or institution in order to be accepted.

3-2-102(2) Freshmen. The academic standards for admission of freshman and transfer students are published in the University Catalog.

3-2-102(3) Special Students. Special students are those individuals over 20 years of age at the time of the first day of class and are not enrolled in a degree program. They are permitted to continue enrolling in courses provided they maintain a “C” average. The students may remain in a special student category as long as the individual can benefit from higher education. These individuals will be counseled into a degree program on an individual basis depending on their academic readiness. This will occur usually between 15 and 30 semester hours. The faculty advisors or staff at the Academic Advising Center will work with these individual students.

3-2-102(4) Graduate Students. The academic standards for admission of graduate students are published in the Catalog and in the Graduate School Policies and Procedures manual, Graduate Study (application packet), and Graduate Student Handbook.

3-2-103 Student Financial Resources. Application and Financial Aid information is published in the Catalog and in brochures published by the Student Financial Resources Office.

3-2-104 Registration. Policies and procedures concerning undergraduate/graduate enrollment and degree requirements are published in the catalog and in the Handbook of Graduate Education.

3-2-105 Academic Standards. Policies and procedures related to academics.

3-2-106 Degree Requirements. In Catalog.

3-2-107 Academic Appeal Procedure. [See also Board Policy Manual, Title 2, Article 1, Part 2.]
3-2-108 Financial Policies.

3-2-108(1) Tuition. Policies and Procedures related to tuition and fees are published in the Catalog and on the Registrar’s WEB site.

3-2-108(2) Fees. Mandatory student fees may not be used to fund ideological, political or religious activities. The allocation and distribution of mandatory student fees shall be made without regard to the viewpoint of the activity that is funded.

3-2-108(2)(a) Definitions.

(I) Ideological and political activities are: partisan political programs or events; political parties; and election campaigns in support of or in opposition to an individual candidate, slate of candidates, or ballot issue in elections outside the University.

(II) Religious activities are: worship services.

3-2-108(2)(b) Viewpoint Discrimination. If mandatory student fees are used to fund activities by student organizations before local, state or national legislative bodies, which (I) advocate or advance viewpoints on particular public policies or positions, or (II) seek to affect public policy decisions by local, state or national legislative, executive or administrative governmental bodies, including the payment of dues or fees to other organizations which fund such viewpoint advancement by those organizations, or (III) advocate, communicate or proselytize a particular religious denomination, sect, or belief, including the payment of dues, fees or contributions to other organizations which engage in such activities, then mandatory student fees funds shall be made equally available to student organizations which seek to advance contrary or competing viewpoints.

3-2-109 Student Rights and Responsibilities. Student Rights and Responsibilities are published in the Student Handbook.

3-2-109(1) Student Conduct. Policies and Procedures related to conduct are published in the Student Handbook. [See also Board Policy Manual, Title 2, Article 1, Part 5.]

3-2-109(2) Absence Policy. Regular attendance in all classes is assumed. Each instructor determines the relationship between class attendance, the objectives of the class and the student’s grade. The instructor is responsible for informing students of attendance policies and the effect of attendance on their grade. The student is responsible for knowing the policy of each course in which they enroll.

Only the instructor can approve a student request to be absent from class. The student is responsible for requesting such approval when absence is unavoidable.

Students involved in University-sponsored activities, including intercollegiate athletics, may need to be excused from a class, lab, or studio meeting. In all instances it is the student’s responsibility to present a written request for permission for the absence from the instructor. The student must also discuss how the absence will affect their ability to meet the course requirements. Students should do this as early in the semester as possible. While instructors should seek to the greatest extent possible, consistent with course requirements, to make reasonable accommodations for a student.
students should recognize that not every course can accommodate absences and neither the absence (nor the notification of an absence) relieves them from meeting the course requirements.

In recognition of the diversity of the student body, the University provides that a student may request an excused absence from class for participation in religious observances. In all such instances, it is the student’s responsibility to request, in writing, that the instructor permit the absence. The student must also discuss how the absence will affect the student's ability to meet the course requirements. A student should make any such requests before the course drop deadline for the semester.

Attendance during the first two class sessions is required. The instructor has the option to drop a student from class if they do not attend the first two hours during which the class meets, in order to allow other students to enroll. Not all instructors will exercise this option; therefore, a student should not assume that non-attendance will automatically drop them from class.

3-2-109(3) Immunizations. Policies and Procedures related to immunizations are published in the Catalog.

3-2-109(3)(a) Definition of Non-Traditional Adult Student. For immunization purposes the following UNC students will be identified as non-traditional adult students and are exempt from the regulation:

(i) persons born before January 1, 1957

(ii) persons attending conferences/classes of one week duration or less;

(iii) conference attendees not registered in course work for academic credit

(iv) high school students attending university classes (are subject to law/rules/regulations pertaining to high school students in their high school).

3-2-109(3)(b) Effective Dates. As of July 1, 1995, in order to register for classes at the University of Northern Colorado, all students born on or after January 1, 1957 who do not meet the definition of "non-traditional adult student" identified in 3-2-109(2)(a) above, are required to complete and submit to the University of Northern Colorado Student Health Center, an official Certificate of Immunization signed by a physician, nurse, or public health official or a Certificate of Exemption signed according to criteria identified below. The Certificate must specify that the individual has immunity to Measles, Mumps, and Rubella or is exempt from Certification according to the criteria identified below.

3-2-109(3)(c) Certification Requirements.

(i) Measles (Rubeola). Two doses of measles administered on or after the first birthday, and at least 30 days apart and after 1967- OR - written evidence of a laboratory test showing immunity to measles. (Physician documentation of measles is not acceptable as proof of immunity).

(ii) Mumps. Two doses of mumps administered on or after the first birthday, and at least 30 days apart and after 1966. (If the second measles dose was administered
prior to July 1, 1992, then only the mumps dose is required), - OR - written evidence of a laboratory test showing immunity to mumps. (Physician documentation of mumps is not acceptable as proof of immunity).

(iii) Rubella (German Measles). Two doses of rubella administered on or after the first birthday, and at least 30 days apart and after June 1, 1969. (If the second measles dose was administered prior to July 1, 1992, then only one rubella dose is required), - OR - written evidence of a laboratory test showing immunity to rubella. (Physician documentation of rubella is not acceptable as proof of immunity).

3-2-109(3)(d) Provisional Enrollment. A student may be permitted to register and attend classes if a written Provisional Enrollee Plan is signed showing they are "in the process of receiving or obtaining the required immunizations." The provisional enrollment plan should be able to be met within 30-45 days; however 60 days from the enrollment date is the maximum allowable. A completed Certificate of Immunization or Certificate of Exemption must be submitted within the 30-60 days as agreed. No further provisional enrollments are permitted. If the provisional enrollment agreement is not met the student shall not be permitted to register for further classes. For purposes of this regulation the "enrollment date" is the date the student seeks a registration clearance through the Student Health Center and signs a Provisional Enrollee Plan.

3-2-109(3)(e) Exemption Requirements. Medical Exemption. In order to qualify for a medical exemption, a licensed physician must sign the medical exemption section of the Certificate of Immunization indicating that the physical condition of the student is such that immunization would endanger life or health or is otherwise medically contra indicated.

Religious or Personal Exemption. In order to qualify for a religious or personal exemption, one parent or guardian, or student of 18 years of age or older, or an emancipated minor must sign the religious or personal exemption section of the Certificate of Immunization indicating that the parent or guardian, or student of 18 years of age or older, or an emancipated minor adheres to a religious or personal belief opposed to immunization.

3-2-109(3)(f) Suspension From Classes. Individuals who do not have proof of immunity against measles, mumps and/or rubella may be suspended from classes at the University of Northern Colorado or removed from university housing during an outbreak/epidemic. If a student is removed from university housing, the university will not be responsible for the student's off campus expenses.

3-2-109(3)(g) Faculty and Staff. Effective August 1, 1992, all UNC faculty and staff born on or after January 1, 1957 must submit an official Certificate of Immunization or exemption to Human Resources and a copy of the same to their immediate supervisor. Faculty and staff must meet the immunization requirements as outlined in the UNC Measles, Mumps and Rubella Regulation as revised 6/92.

In the event of an outbreak/epidemic the record must be immediately available to UNC's Health Center or State/County Health Department personnel. Individuals with records which do not have proof of immunity against measles, mumps, and/or rubella may be excluded from campus and suspended from duties at UNC during an outbreak/epidemic.
During outbreaks of measles, mumps, or rubella on campus, general public health statute allow the Department of Health to impose an exclusion or quarantine which will affect faculty, staff and other employees.

Academic departments/schools will be responsible for replacing faculty who are quarantined due to not meeting the immunization requirements. Exempt administrators and classified staff will be required to use vacation time if they are suspended or quarantined due to not meeting the immunization requirements. If an employee is required to exhaust all available leave time before returning from a suspension of duties, the employee will be required to take leave without pay.

3-2-109(4) Eligibility for Health Services. All students enrolled for one or more credit hours at UNC are eligible for care at the Student Health Center.

Students not enrolled for credit hours for the current academic term, but who attended the previous academic term and who plan to attend the next academic term, will be entitled to purchase services at the Student Health Center for the same Health Fee assessed to full-time students. Currently enrolled students’ spouses may elect to pay the full Health Fee and have access to basic services.

Students actively working on a dissertation who have paid the assessed Graduate Student Continuous Registration Fee will be allowed to purchase the health services for the Health Fee assessed full-time students.

3-2-109(5) Student Organizations. All student organizations must be chartered annually by the University. Such organizations may request a charter through the Student Representative Council. Upon SRC's recommendation, student organizations are reviewed and chartered by the Vice President for Student Affairs. Recognition of student organizations may be withdrawn by the University at any time for violation of any institutional standards of conduct or for other good cause.

3-2-110 Verifiable Documents. When the university provides a service for which the recipient is required to provide proof of identification, the university shall not accept, rely upon, or utilize an identification document unless it is a secure and verifiable document. “Secure and verifiable document” means a document issued by a state or federal jurisdiction or recognized by the United States government and that is verifiable by federal or state law enforcement, intelligence, or homeland security agencies. The matricula consular and other identification documents issued by foreign governments are not considered “secure and verifiable” documents.

3-2-111 Student-Faculty Dispute Resolution Processes. UNC is committed to creating an inclusive and respectful environment where every member of the University community is afforded the right to speak freely and where freedom of speech and academic freedom are given vigilant protection and respect. Debate and disagreement are integral to the teaching and learning process, and students and faculty members are strongly encouraged to attempt to resolve their disputes through respectful discussion.

As described in 3-2-111(1), UNC has four processes for resolving student-faculty disputes, and the nature of the dispute determines which process is used.
All parties involved in the resolution of a Student-Faculty Dispute should familiarize themselves with the Student-Faculty Dispute Resolution Processes as well as UNC’s policies regarding Student Rights and Responsibilities (Board Policy 2-3-301), Teaching Responsibilities (Board Policy Manual 2-3-402), Academic Freedom (Board Policy Manual 2-3-601), and Professional Ethics (Board Policy Manual 2-3-602).

3-2-111(1) Determination of Student-Faculty Dispute Resolution Process Used. When a complaint is received by the Dean of Students (e.g. using the Report a Concern Form (“Form”) on the Dean of Students website), the Dean of Students and the Title IX Coordinator will jointly determine which of the following processes the complaint will follow.

(a) Discrimination Complaint Procedures (3-6-127) are used when a complaint involves potential violations of UNC’s Equal Opportunity Policy, which addresses matters of discrimination, harassment, and retaliation. All of the following criteria must be met for a complaint to be routed to the Discrimination Complaint Procedures.

(I) The complaint is alleged to be based on the protected class status of an individual who is covered by UNC’s Discrimination Complaint Procedures.

(II) The alleged conduct is related to one’s protected class status and has unreasonably interfered with the individual’s academic performance, created an intimidating or hostile educational environment or caused adverse consequences on the basis of the complainant’s protected class.

(b) Academic Appeal procedures (2-1-201) are used when a complaint involves an academic decision. All of the following criteria must be met for the complaint to be routed to the Academic Appeals procedures.

(I) The behavior described in the complaint involves an academic decision made according to standards or practices that are specific to a course (e.g., grades, class policies, exam practices), discipline, program, department, school, or college.

(II) The complaint concerns an academic decision that the complainant considers arbitrary, capricious, or contrary to University policy.

(c) Student Conduct Code procedures (2-1-501) are used when the complaint involves student behavior that is prohibited by the Conduct Code.

(d) Complaints that are not subject to Discrimination Complaint Procedures, Academic Appeal procedures, or Student Conduct Code procedures follow the procedures for Other Student-Faculty Disputes in 3-2-111(2).

3-2-111(2) Other Student-Faculty Disputes.

(a) Submitting a Student-Faculty Dispute complaint. A complaint about a Student-Faculty Dispute may be submitted by a student involved in the dispute, by a faculty member involved in the dispute, or by both.

Complaints can be submitted in writing using the Report a Concern Form (“Form”) on the Dean of Students website. If complaints are received by other means, they will be entered into the Form before the dispute resolution procedures begin.
Complaints should be submitted at the earliest possible date, but no later than seven (7) calendar days after the final grades deadline of the semester in which the event occurred, or seven (7) calendar days after the event in question, whichever occurs later.

(b) **Facilitating resolution of Student-Faculty Dispute complaints not subject to 3-2-111(1)(a), 3-2-111(1)(b), or 3-2-111(1)(c).**

The Dean of Students, Title IX Coordinator, and Department Chair/School Director/Program Area Coordinator or Dean may appoint a designee to fulfill the duties described below.

The Dean of Students will forward the Student-Faculty Dispute Complaint to the Department Chair/School Director/Program Area Coordinator of the Department/School/Program in which the student-faculty interaction occurred (or, if the Department Chair/School Director/Program Area Coordinator is involved in the complaint, to the Dean in the same college). The Department Chair/School Director/Program Area Coordinator will notify the Dean or their designee that a complaint was received.

The Department Chair/School Director/Program Area Coordinator to whom the complaint is assigned will take the following steps to facilitate resolution.

(I) If the person who filed the complaint (“Complainant”) is a student, the Department Chair/School Director/Program Area Coordinator will share the complaint Form submitted with the faculty member(s) named in the complaint. If the Complainant is a faculty member, the Department Chair/School Director/Program Area Coordinator will share the complaint Form submitted with the student(s) named in the complaint.

(II) The Department Chair/School Director/Program Area Coordinator will meet with the Complainant to discuss the dispute and will advise the Complainant that the person named in the complaint (“Respondent”) has been notified, determine if the Complainant has approached the Respondent, and discuss a process for attempting to resolve the dispute. The Complainant may elect at this point whether or not to pursue the complaint further.

(III) If the dispute is not resolved in the initial meeting between the Department Chair/School Director/Program Area Coordinator and Complainant, the Department Chair/School Director/Program Area Coordinator will meet separately with the Respondent to discuss a process for attempting to resolve the dispute.

(IV) After meeting separately with the Complainant and Respondent, the Department Chair/School Director/Program Area Coordinator will determine if the dispute is sufficiently serious to warrant further discussion and if so, will invite both to meet to discuss how to resolve the matter. If the Department Chair/School Director/Program Area Coordinator determines that the dispute is not sufficiently serious to warrant further discussion, the complaint will be closed.

(V) At any point in the process, before or after closure, the Dean of Students staff are available to offer counseling services to either party.

(c) **Closure of complaints and notification of closure.** For each complaint submitted, the Department Chair/School Director/Program Area Coordinator will notify the Dean of Students, the faculty member, and the student when the complaint is closed and give the reason for closure. A complaint is closed when:
(I) the student or faculty member who submitted the complaint decides not to pursue the complaint further;
(II) the dispute has been resolved to the satisfaction of the student or faculty member who submitted the complaint;

(III) the Department Chair/School Director/Program Area Coordinator determines that the dispute is not sufficiently serious to warrant further discussion; or

(IV) the student and/or faculty member declines to participate jointly in resolving the dispute.

(d) **Record of complaints.** All complaints, including those determined not sufficiently serious to warrant further discussion after the Department Chair/School Director/Program Area Coordinator meets separately with the student and faculty member, will be kept on file in the Dean of Students Office, for 10 years in order to comply with the Higher Learning Commission (HLC).

**3-2-111(3) Review.** The Chief Academic Officer (or designee) will annually compile a report that lists all Student-Faculty Dispute Complaints that were filed, and those that were closed during the previous academic year, including those directed to the Discrimination Complaint Process, Student Code of Conduct process, Academic Appeals process, and process for other Student-Faculty Disputes. The report will be delivered to the Faculty Senate no later than September 30th each year, beginning fall of 2018. For complaints directed to the Discrimination Complaint Process or process for other Student-Faculty Disputes, the report will include a description of each complaint and its resolution, with names and other identifying characteristics redacted. Upon request of the Faculty Senate Welfare Committee, additional information concerning the details of the report will be made available to the committee and will be kept confidential.

**3-2-201 Student Code of Conduct (“BEAR Code”) – Purpose and Scope**

The University of Northern Colorado (“UNC”) values freedom of expression and the exchange and exploration of diverse viewpoints. UNC’s Student Code of Conduct contains Behavioral Expectations And Responsibilities. The “BEAR Code” (or “Code”) provides guidance for students so that they can exercise personal and organizational responsibility as members of the UNC community. It is expected that UNC students and registered student organizations act responsibly and consistent with the BEAR Code to promote a safe and respectful learning and living environment within the UNC community.

The Dean of Students Office is responsible to educate Students and Registered Student Organizations (“RSOs”) about the BEAR Code and to initiate and conduct proceedings involving alleged Misconduct under the Code. The outcomes of these proceedings are designed to guide Students and RSOs to act responsibly and consistent with the Code's provisions. When they fail to do so, the outcomes may include educational requirements that guide Students' and RSOs’ future conduct, but may also result in separation from UNC, either temporarily or permanently, based on the nature and severity of the Misconduct.

UNC does not discriminate based on disability in the course of proceedings under the BEAR Code. A student with a disability who is subject to Code proceedings may request, through the UNC Disability Resource Center (“DRC”), an accommodation for their disability and the DRC will engage with the student in the interactive process upon such a request. All such requests by students during Code proceedings are subject to an individualized process with, and a decision by, the DRC regarding disability-related accommodation(s). Whether such a request is reasonable and/or would be a fundamental alteration of the Code is a matter to be determined on a case-by-case basis after the request has been made.

The BEAR Code is contained in the University Regulations. Any additions or changes to the University Regulations must be approved by UNC’s President.
3-2-202 Application of the BEAR Code

The BEAR Code applies to anyone who is a Student who engages in Misconduct as those terms are defined in the Code. In addition, any Registered Student Organization/RSO is subject to the provisions and requirements of the BEAR Code.

(1) A person is a Student for purposes of the BEAR Code from the time they are issued a Bear Number until the time they are awarded a degree by UNC or until their date of withdrawal from UNC, whichever occurs last. Until a degree is awarded or a person withdraws from UNC, a person’s Student status continues uninterrupted. In addition, a person is a Student for the purposes of the Code when they engage in conduct while a Student that constitutes Misconduct under the Code. Therefore, a person cannot avoid Student status under the Code by withdrawing or by the awarding of a degree if they engaged in the Misconduct while they are a Student.

(2) The BEAR Code applies to Misconduct by a Student that occurs on UNC Property or off-campus, including but not limited to Misconduct that occurs at UNC Sponsored Activities. It includes Misconduct that occurs between semesters or when classes are not in session.

(3) The Dean of Students has the authority and discretion to determine, on a case-by-case basis, if the BEAR Code shall be applied to off-campus Misconduct.

3-2-203 Definitions

The following definitions apply to the BEAR Code:

An Advisor may have no other role in the case, including participation as a Witness, and is not permitted to speak or participate directly in the Hearing. The Dean of Students, in their discretion, may designate other UNC employees to perform the duties and responsibilities of the DOS as described in the BEAR Code. All references to the Dean of Students/DOS in the BEAR Code include any designee of the DOS.

(5) **Interim Actions:** A restriction of a Responding Party’s privileges, ordered by the DOS prior to the issuance of a Resolution when the DOS has determined that there is reasonable cause to believe the continued presence of the Responding Party on UNC Property or the Responding Party’s engagement in specific activities presents an immediate and significant risk of substantial harm to themselves or others, the disruption of UNC operations or activities, or is necessary to provide reasonable protection to any person who may be adversely affected prior to the issuance of a Resolution. Interim Actions include Residence Hall and/or University Suspension, Loss of Recognition, no contact orders, persona non grata ("PNG") orders, and/or an order prohibiting the Responding Party from engaging in specific activities until a Resolution is issued. A Responding Party subject to Interim Actions may be, among other things,

(g) **Residence Hall and/or University Expulsion:** The permanent (a) ban of a Responding Party from UNC residence halls or other residences, (b) ban of a Responding Party from specific areas, or from the entirety, of UNC property, (c) termination of a Responding Party’s academic program at UNC, and/or (d) prohibition of a Responding Party from applying for future re-enrollment at UNC.

(k) **Loss of Recognition**: Recognition as an RSO may be revoked and/or denied for a specified or indefinite period in which stated conditions must be satisfied or permanently.

The determination of the Outcome(s) imposed will be informed by the totality of the circumstances regarding the Misconduct including, but not limited to, the nature and severity of the Misconduct, the prior conduct history of the Responding Party, and reasonable and appropriate actions for the safety of adversely affected individual(s) and the UNC community.

(9) **Preliminary Inquiry**: An informal process, during which Code Due Process does not apply, by which the DOS, in their discretion, gathers information about alleged Misconduct that is brought to its attention through information provided by, and/or outreach to, people who may have knowledge of information that is relevant to the issue of whether Misconduct has occurred.

(10) **Preponderance of the Evidence**: Information from which the Dean of Students concludes that it is more likely than not that Misconduct has occurred.

(11) **Reasonable Cause**: Information that, if true, supports the proposition that Misconduct has occurred.

A Resolution will be delivered by either BearMail or personal delivery as is described for a Notification.

(15) **Responding Party**: Student(s) and/or RSO(s) who have been provided with a Notification.

A person continues to be a Student for purposes of the BEAR Code with regard to all Misconduct in which the person is alleged to have engaged while a Student whether or not the person has withdrawn or been awarded a degree. If a Student attempts to avoid a Notification by withdrawal from UNC, a hold will be placed on their transcript and registration, that may remain in effect until a Resolution of the matter is achieved.

3-2-205 Submission of Information About Misconduct

Any person may submit information or inquiries about Misconduct under the BEAR Code using any of the following methods:

(1) Call the Dean of Students Office - (970) 351-2001
(2) Call the UNC Police Department (UNCPD) - (970) 351-2245 (non-emergency) or 911 (emergency)
Submit an online incident report through the Dean of Students Office -
https://www.unco.edu/dean-of-students/share-concern-complaint/
https://www.unco.edu/dean-of-students/share-concern.aspx

(3) Submit an online incident report through UNC Safe Campus -
http://www.unco.edu/mysafecampus.

Anonymous reports of Misconduct will be investigated to the extent allowed by the information provided, but anonymity may limit UNC’s ability to investigate the matter effectively.

3-2-206 Time Limitations for Submission of Information About Misconduct

(1) If the Misconduct occurred during a period in which the BEAR Code applied to the Student and/or RSO alleged to have committed the Misconduct, there is no time limit within which the Misconduct must be reported.

(2) UNC’s ability to investigate Misconduct may be improved if information about the Misconduct is submitted when it is first observed. For that reason, UNC urges people with information (or questions) about Misconduct to submit the information or questions when they arise using one of the methods described above.

3-2-207 Preliminary Inquiry After Information About Misconduct is Received

Once information about alleged Misconduct is received from any source, the DOS may proceed with a Preliminary Inquiry of the matter and may request that Student(s) and/or RSO(s) representatives and others who may have relevant information meet with the DOS to gather information about the Misconduct. As a result of the Preliminary Inquiry, the following actions may occur, any of which may be implemented in the discretion of the DOS:

(1) That there is insufficient information to support a determination of Reasonable Cause and that no further proceedings will occur at this time;

(2) That additional information should be gathered through a continuing Preliminary Inquiry into the matter;

(3) That, as a result of the information gathered, one or more persons who have been contacted in the course of the Preliminary Inquiry do not contest that they have engaged in Misconduct and that a Resolution is issued about the matter or that additional discussions may occur to attempt to issue a Resolution; or

(4) That the DOS has determined that Reasonable Cause exists, that Responding Party(ies) have been identified and that the Code Due Process should begin.

3-2-208 Reasonable Cause and Code Due Process

If, either with or without a Preliminary Inquiry, the DOS determines that Reasonable Cause exists, it may begin Code Due Process as follows:

(1) The DOS will deliver a Notification to the Responding Party and to any UNC Official with a “need to know” in the performance of their responsibilities to UNC.

(2) A Hearing will be set by the DOS no sooner than three (3) Working Days following delivery of the Notification to the Responding Party.
(3) At the discretion of the DOS, Responding Parties who have been delivered Notifications that arise out of the same transaction, occurrence or relevant facts may be scheduled for a joint Hearing, rather than separate Hearings.

(4) If a joint Hearing is set, the DOS will conduct the Hearing in a manner such that each Responding Party will hear the evidence related to their alleged Misconduct and be permitted to present evidence separately in response.

(5) The Responding Party is requested to submit to the DOS a list of any witnesses and/or evidence for review prior to the scheduled Hearing.

(6) The Hearing is not public and people other than the DOS, the Responding Party, and the Responding Party’s Advisor may only be allowed by mutual consent of the DOS and the Responding Party.

(7) The DOS will conduct the Hearing, at which Hearing the Responding Party is responsible for presenting their own evidence but may be assisted by an Advisor within the limitation of the Advisor’s role as described in Section 3-2-203(1), above.

(8) If the Responding Party’s Advisor at the Hearing is legal counsel, then the DOS may also decide to have legal counsel present at the Hearing.

(9) The DOS will present evidence that supports the proposition that the Responding Party committed Misconduct.

(10) The DOS may impose limits upon the number of witnesses or amount of evidence that may be submitted if the evidence is repetitive or not relevant to the Misconduct alleged.

(11) Rules of evidence or procedure used in court proceedings do not apply in the Hearing and general considerations of relevancy and fairness will be used by the DOS during the Hearing.

(12) After all the evidence is presented at the Hearing, the DOS must decide whether the Preponderance of the Evidence supports a determination that the Responding Party has committed Misconduct.

(13) A Resolution that Misconduct has occurred must be supported by a Preponderance of the Evidence and the burden is on UNC to do so.

(14) After the Hearing is completed, the Dean of Students will issue a written Resolution of the matter and will provide a copy of the Resolution to the Responding Party and to any UNC Official with a “need to know” in the performance of their responsibilities to UNC;

(15) If the Responding Party is found to have engaged in Misconduct, the Resolution will describe the Outcome(s) imposed, including any Remedy(ies) implemented with respect to people adversely affected by the Misconduct, and provide information about how the Responding Party may file a written appeal of the Resolution’s determination of Misconduct and/or the Outcome(s) imposed, if they choose to do so.

(16) People who have been affected adversely by the Misconduct that was the subject of the Hearing may be informed of the Resolution to the extent reasonable and necessary and to allow effective imposition of Outcome(s) and effective implementation of Remedy(ies).

(17) Other than described above, the Resolution will not be a public document and will not be provided to others unless required by applicable law or a subpoena issued by a court of competent jurisdiction.
3-2-209 Interim Actions

(1) The DOS has the authority to order Interim Actions including suspension, no contact orders, persona non grata (“PNG”) orders, and/or an order prohibiting the Responding Party from engaging in specific activities (including but not limited to participating in any UNC Sponsored Activity, classes in-person or in a virtual format, or being present on UNC Property) until a Resolution is issued. These orders are issued to mitigate immediate and significant risks of substantial harm, or provide protection, to a Responding Party or others, or prevent disruption of UNC operations or activities.

3-2-210 Appeal Procedures

If a Responding Party is determined to have committed Misconduct, the Responding Party may file a written appeal of the Resolution’s determination of Misconduct and/or the Outcome(s) imposed as follows:

(1) A Responding Party may appeal the Resolution on one or more of the following bases:

   (a) Denial of Code Due Process (that is, a claim that Code Due Process provided in the Code was not provided to the Responding Party in one or more respects); or

   (b) Existence of additional evidence (that is, a claim that the Responding Party is aware of additional evidence (other than evidence or written statements about the character of the Responding Party) that was not available at the time of the Hearing and that additional evidence is sufficiently substantial to change the outcome of the Hearing as determined in the Resolution in a significant manner); or

   (c) The Outcome(s) were inappropriate given the nature of the Misconduct that was committed (but only as to those Outcomes described in Section 3-2-203(8)(f), (g), (h), (i), and (k)

(2) If evidence or written statements about the character of the Responding Party are submitted in an appeal, all such information will be removed from the appeal record, and not provided to the appeal reader(s).

(3) A Responding Party may only appeal a Resolution once on the basis described in subsection (1)(c), above.

(4) The appeal does not involve a new Hearing in the case.

(5) The appeal is based on the Hearing record and the Resolution issued in the Hearing (and, if the appeal is based on “additional evidence,” under subsection (1)(b), above, the additional evidence that is claimed was not available and would have been sufficiently substantial to change the outcome of the Hearing.)

(6) In order to appeal, the Responding Party must submit a Statement of Appeal Form to the DOS within five (5) Working Days following delivery of the Resolution to the Responding Party.

(7) If the Statement of Appeal Form is not filed within the five (5) Working Day period, the appeal is untimely and will not be considered.

(8) An appeal on one or more of the bases described above, and submitted by the deadline stated above, will be reviewed by one or more appeal readers, who will be appointed by the DOS.
The appeal readers, after reviewing the record and the Statement of Appeal, will issue a written decision that addresses each basis under subsection (1), above, on which the Resolution is appealed.

(a) If the Resolution is appealed on the basis of subsection (1)(a), above, the written decision of the appeal reader(s) must either (i) affirm the Resolution or (ii) reverse the Resolution, describe the Code Due Process that was not provided in the case, and remand the case to the DOS for further proceedings beginning at the earliest point at which the Code Due Process was not provided and to proceed forward until all Code Due Process is provided to decide whether the Preponderance of the Evidence supports a determination that the Responding Party has committed Misconduct, at which time the DOS will issue a Resolution on remand.

(b) If the Resolution is appealed on the basis of subsection (1)(b), above, the written decision of the appeal reader(s) must either (i) affirm the Resolution or (ii) reverse the Resolution, describe the “additional evidence” that should be considered in the case, and remand the case to the DOS for further proceedings in which the “additional evidence” is introduced in the Hearing and considered to decide whether the Preponderance of the Evidence supports a determination that the Responding Party has committed Misconduct, at which time the DOS will issue a Resolution on remand.

(c) If the Resolution is appealed on the basis of subsection (1)(c), above, the written decision of the appeal reader(s) must either (i) affirm the Resolution or (ii) provide a nonbinding recommendation to the DOS that the Outcome(s) in the Resolution be modified, describe why, in the opinion of the appeal reader(s), the Outcome(s) are inappropriate given the nature of the Misconduct that was committed, and remand the case to the DOS for their consideration of the nonbinding recommendations of the appeal reader(s), provided however, that the DOS, in their sole discretion, may accept all, some, none of the nonbinding recommendations of the appeal reader(s) when issuing the final Resolution on remand.

A Responding Party who appeals the Resolution or a Witness, and/or any person(s) acting on behalf of the Responding Party or a Witness, may not have contact with the appeal reader(s) while the appeal is pending or after written decision of the appeal reader(s) is issued regarding the subject matter of the Code Due Process proceeding, including but not limited to, the Hearing, the Resolution or the appeal of the Resolution.

After the DOS issues the Resolution, such Resolution and its Outcomes(s), once issued, remain in force and effect unless and until, if applicable:

(a) The Resolution is reversed under subsection 9(a)(ii) and/or 9(b)(ii); or

(b) Following a remand to the DOS under subsection 9(c)(ii), the DOS issues a final Resolution that modifies the original Resolution.

3-2-211 Academic Integrity and the BEAR Code

(1) Academic integrity is a foundation of UNC, and it is expected that Students will conduct themselves in a manner that demonstrates care and excellence in their academic pursuits. Learning how to express original ideas, cite sources, work independently, and share results accurately and honestly are transferrable skills for students beyond their academic career.

(2) Behavior that violates academic integrity is commonly referred to as academic misconduct and is included in the definition of “Misconduct,” above. Thus, the BEAR Code applies to issues of Academic Misconduct.
(3) A Student who has been found to have committed multiple Academic Misconduct violations may also be subject to other additional Outcomes under the BEAR Code that may be imposed by the Dean of Students.

(4) Any person may submit information or inquiries about Academic Misconduct by using the methods outlined as described in Section 3-2-205, above. A faculty member who is concerned that a Student may have committed Academic Misconduct may, in their discretion, deliver a Notification to the Student and/or meet with the Student to discuss the matter and provide evidence of Academic Misconduct. In either case, the faculty member must submit a report to the Dean of Students describing the alleged Academic Misconduct.

(5) The purpose of a meeting between the faculty member and the Student is:

(a) for the faculty member to explain and present evidence to the Student about the Academic Misconduct allegation and

(b) to allow the Student an opportunity to provide information in response to the alleged Academic Misconduct. At any stage in the process of the faculty member’s contact with the Student, the faculty member may consult with their program chair, college Dean's office, the student’s advisor, or Dean of Students.

(6) After the meeting with the Student:

(iii) If the faculty member determines that Academic Misconduct did not occur, the matter will be closed.

(iv) If the faculty member determines that Academic Misconduct did occur the faculty member will also determine an outcome that is appropriate and consistent with UNC policy and the course syllabus, and that may include one or more of the following:

(i) A grade reduction on the assignment or exam in which the Academic Misconduct occurred;

(ii) A grade of "F" on the assignment or exam in which the Academic Misconduct occurred;

(iii) A grade reduction in the course in which the Academic Misconduct occurred; or

(iv) A grade of "F" in the course in which the Academic Misconduct occurred.

(v) If the faculty member determines that other educational outcomes are appropriate, they may consider:

(i) Requiring an additional assignment(s);

(ii) Assignment of a reflection essay related to the Academic Misconduct; and/or

(iii) Other educational outcome(s) as assigned.

(7) The faculty member will deliver a Resolution to the Student and will also provide the Resolution to the DOS.

(8) If a Student is found to have committed Academic Misconduct, they may file an appeal if allowed under the Academic Appeal Procedure found at Section 2-1-201 of the UNC Board Policy Manual.
3-2-301 Behavioral Intervention Team (“BIT”) Purpose and Scope

The University of Northern Colorado (“UNC”) values safety and security for all members of its campus community.

UNC shall maintain a BIT that is charged with determining a coordinated course of action to identify, assess, and respond to Behavior of Concern (as defined below) by a UNC Student (as defined below, and regardless of whether the Behavior of Concern violates the BEAR Code.) The BIT shall meet regularly and on an as-needed basis to fulfill its charge described in the immediately preceding sentence.

UNC recognizes and upholds the rights of individuals with disabilities and does not discriminate based on disability in the course of BIT proceedings. A Student with a disability whose Behavior of Concern is subject to BIT proceedings may request, through the UNC Disability Resource Center (“DRC”), an accommodation for their disability and the DRC shall engage with the Student in the interactive process upon such a request and all such requests are subject to an individualized process with, and a decision by, the DRC regarding disability-related accommodation(s). Whether such a request is reasonable and/or would be a fundamental alteration to BIT proceedings is a matter to be determined on a case-by-case basis after the request has been made.

3-2-302 Definitions

The following definitions apply to Sections 3-2-301 through 309:

(1) Behavior of Concern: One or more behaviors of a Student that poses a risk to the health or safety of the Student or other person(s), or of disruption to the UNC community.

(2) Direct Threat: A determination based on an individualized assessment of the available medical, mental health and/or other objective information that the following impacts have occurred or there is a probability that they will occur:
   a. Substantial harm to the Student and/or other person(s);
   b. Substantial damage to UNC property;
   c. Substantial impediment to UNC education processes and/or the operation of UNC.

(3) Involuntary Withdrawal: A withdrawal of the Student from UNC implemented by the BIT that may include requirements that must be completed prior to readmission of the Student including, but not limited to, submission of medical and/or mental health documentation, results of a threat assessment, and/or confirmation of the Student’s compliance with any recommendations from a healthcare provider and/or qualified threat assessment professional.

(4) Student: A person who:
   a. Is registered for courses at UNC; and/or
   b. Has completed the immediately preceding semester or term and is eligible to, but is not presently, registered for courses in the succeeding semester or term; and/or
   c. Is temporarily absent from courses at UNC.

3-2-303 BIT Membership

The BIT Chair is the UNC employee who is directly responsible for leadership and oversight of behavioral intervention related to Behavior of Concern regardless of the title of the employee’s position. BIT membership includes, but is not limited to, representatives from UNC student conduct, case management, mental health services, police, student housing, legal counsel, and/or UNC representative(s) who perform substantially similar functions irrespective of department or area title.

3-2-304 BIT Authority
Under the leadership of the Chair, the BIT shall work to achieve informed decisions, recommendations, and design individualized action plans in response to Behavior of Concern. In so doing, the BIT may implement/require any one or more of the following measures:

1. Meeting(s) of the Student with BIT member(s) or their designee(s);
2. Contact(s) with the Student’s family, legal guardian, and/or emergency contact;
3. Mandatory medical or psychological assessment and/or treatment of the Student;
4. Participation by the Student in an off-campus risk assessment with a qualified professional of the BIT’s choice;
5. Authorize the release and/or exchange of information about the Student among qualified healthcare provider(s) and the BIT;
6. Initiate Involuntary Withdrawal Procedures regarding the Student (see 3-2-305);
7. Referral(s) of the Student to campus or community resources;
8. Order interim actions restricting the Student’s privileges including, but not limited to, residence hall and/or University suspension, no contact orders, persona non grata (“PNG”) orders, and/or an order prohibiting the Student from engaging in specific activities (including but not limited to participation in any UNC Sponsored Activity, class attendance in-person or in a virtual format, or presence on UNC property);
9. Placement of registration and/or transcript hold(s) or transcript notation(s) regarding the Student.

3-2-305 Involuntary Withdrawal Purpose

In response to Behavior of Concern, the BIT may determine that it is necessary for a Student to be Involuntarily Withdrawn from UNC for the protection of the Student and/or the UNC community. An Involuntary Withdrawal of a Student (as defined above) shall be implemented by the BIT when it is determined that (i) a Direct Threat (as defined above) exists with respect to the Student and (ii) an offer of voluntary withdrawal is refused by the Student or a voluntary withdrawal is determined by the BIT to be an inadequate measure to mitigate the Direct Threat.

3-2-306 Involuntary Withdrawal Notice

Implementation of an Involuntary Withdrawal shall include written Notice to the Student as soon as is practicable under the circumstances. The Notice shall describe the reasons that the Involuntary Withdrawal was implemented and any requirements for readmission of the student, including the appropriate point of contact regarding consideration for readmission (see 3-2-404).

3-2-307 Involuntary Withdrawal Appeal

The Student may appeal the decision to implement an Involuntary Withdrawal if they contend that the conditions precedent in Section 3-2-305 were not satisfied with respect to the implementation of the Involuntary Withdrawal. To do so, the Student must submit a written appeal statement and all supporting documentation to the Vice President of Student and Enrollment Services (VP SAES) or the UNC employee who is directly responsible for leadership and oversight of student affairs regardless of the title of the employee’s position. The written appeal statement and all supporting documentation must be submitted no later than fourteen (14) calendar days after receiving Notice of the Involuntary Withdrawal. The VP SAES may affirm, reverse, or modify the Involuntary Withdrawal decision. If the Involuntary Withdrawal is reversed or modified, the VP SAES may, in their discretion, implement requirements they deem reasonable and necessary to mitigate the Direct Threat. The decision of the VP SAES regarding the Student’s appeal shall be final and binding on UNC and the Student.

3-2-308 Financial Implications

As with voluntary withdrawals, a Student who is Involuntarily Withdrawn shall be subject to applicable UNC policies and Federal and State law regarding financial obligations for tuition, fees, student housing costs, and for financial aid and/or scholarships that the Student received.
3-2-309 Readmission

A Student who is Involuntarily Withdrawn and who wants to be considered for readmission shall contact the point of contact identified in the Student’s Involuntary Withdrawal Notice. The BIT shall consult with other UNC administrative offices and employees, as necessary, to determine if all requirements of readmission have been met by the Student prior to deciding if the Student shall be readmitted.

Article 3: Faculty

Part 1: Faculty Governance

3-3-101 Faculty Senate Officer Workload Reassignment and Compensation.

3-3-101(1) Purpose. Recognizing that the duties of certain officers of the Faculty Senate make considerable demands on their time, Academic Affairs will provide funding to the colleges of those officers for the purpose of workload reassignment. To support the work of the Faculty Senate Chair over the summer, Academic Affairs will provide compensation directly to the Faculty Senate Chair.

3-3-101(2) Compensation Rates.

(a) Academic Affairs will compensate the Faculty Senate Chair’s college for twelve (12) credit hours of teaching responsibility per academic year. The colleges in which the chairs of the Welfare Committee, Academic Policies Committee, Salary Equity Committee, and Codification Committee have appointments will be compensated for three (3) credit hours of teaching responsibility per academic year.

(b) Compensation will be paid at the average adjunct rate in the relevant college.

3-3-101(3) Granting of Workload Reassignment.

(a) Compensated colleges may grant workload reassignments during either or both of the Fall and Spring semesters.

(b) By accepting compensation, colleges acknowledge their responsibility to grant workload reassignment to those of their faculty serving in those positions as specified in (2)(a) above during the relevant academic year. If both the compensated college and the corresponding Senate officer agree that workload reassignment is impractical, compensation funds may be spent by the college in a manner that benefits the affected officer’s work-related activity, as determined by both the officer and the relevant college.

(c) Faculty serving in those positions as specified in (2)(a) above during the relevant academic year are still eligible to teach one overload course for supplemental pay as specified in 2-2-401(3)(b).

3-3-101(4) Summer Compensation.

Recognizing the required work of the Faculty Senate Chair over the summer, Academic Affairs will compensate the Faculty Senate Chair at a rate of six (6) credit hours of summer teaching. In the event of
a newly elected chair, the outgoing chair and the incoming chair will each receive compensation at the rate of three (3) credit hours of summer teaching.

**Part 2: Faculty: Definition and Contract**

**3-3-201 Faculty Contracts.** [See also 3-3-801(3) Calendar for Faculty Evaluation.]

3-3-201(1) Contract-Renewable Faculty Process for conversion into a tenure-track position without a search. [See also 2-3-202(2) Contract-Renewable.]

(a) Purpose. The purpose of this policy is to provide a process by which a contract-renewable faculty member can have their position converted to a tenure-track position without a search.

(b) Definitions.

(i) Dossier. See 2-3-801(1)(b).

(ii) Unit Leader: The chair of a department, director of a school, or coordinator of a free-standing program that is not part of a department or school.

(iii) Voting Faculty. All tenured and tenure-track faculty, excluding the unit leader, within the relevant department, school, or free-standing program.

(c) Eligibility.

(i) A faculty member is eligible to petition for conversion no sooner than their third semester of full-time service at UNC.

(ii) A contract-renewable faculty member is eligible to have their position converted to tenure-track without a search if that person demonstrates the potential for an appropriate level of performance and expertise in teaching, professional activity, and service required for the tenure-track position. Evidence of such potential is demonstrated in the dossier.

(d) The Petition Process.

(i) A faculty member in a contract-renewable position who wishes to petition to have their position converted to tenure-track without a search shall submit a letter of application along with a dossier to the voting faculty, who shall vote on whether to recommend the conversion.

(ii) A positive recommendation from the voting faculty requires majority support from those voting faculty who vote. The results of any vote shall be tallied and communicated to the unit leader and to the petitioning faculty member by the chair of the Faculty Evaluation Committee. That communication shall include a rationale for the recommendation (positive or negative), and, if positive, a further recommendation for the number of years of credit toward sabbatical leave, tenure, and/or promotion. If the faculty vote is not in support, there will be no further action taken, except to notify the petitioning faculty member.

(iii) Upon receiving a positive recommendation, the unit leader shall recommend to the Dean, along with rationale, whether the faculty member’s petition should be approved. The unit leader shall submit the recommendation, along with the rationale, the dossier, the letter
of application, and the voting faculty's recommendation, to the Dean, the voting faculty, and the petitioning faculty member.

(iv) The Dean shall submit to the Chief Academic Officer (CAO) their recommendation and rationale of whether the contract-renewable faculty member's position shall be converted to tenure-track without a search. The Dean shall communicate their recommendation and rationale to the unit leader, the voting faculty, and the petitioning faculty member.

(v) The CAO shall decide whether to approve the faculty member's petition to have their position converted to tenure-track. The CAO shall communicate their decision and rationale to the Dean, the unit leader, the voting faculty, and the petitioning faculty member. When a petition for conversion is approved, the unit leader shall negotiate years of credit toward sabbatical leave, tenure, and/or promotion. Each of these items must be approved by the college Dean and the CAO.

(vi) The conversion shall take effect at the beginning of the next academic year.

Part 3: Academic Rank and Titles

3-3-301 Chair Selection and Evaluation.

A chair is the unit leader of a department or free-standing program, or the unit leader of a school whose faculty workload includes instruction and/or professional activity in addition to chair service.

3-3-301(1) Chair Selection.

(a) A chair is an at-will employee in their capacity as chair. Normally the chair shall be appointed from tenured or tenure-track faculty within the unit. There is no limit to the number of terms a chair may serve. If the chair is to be selected from the current faculty of the unit, an agreement between the dean and a majority of the faculty of the unit, outlining the recommendation process, including faculty involvement, shall be required prior to initiating the search for a chair. Faculty involvement may include unit faculty vote and/or conferences with the faculty in the unit. Upon completion of this process, the dean of the college shall recommend a chair to the CAO for approval.

(b) When no qualified faculty member is willing to accept appointment as chair and/or the unit and dean agree that it is in the best interest of the unit not to recommend a chair from present faculty, or when the unit and dean cannot reach agreement on the appointment of a chair, the following applies:

(i) The dean may request and receive authorization to advertise externally for a chair. Selection of off-campus candidates for the position of chair shall follow established University procedures for the hiring of full-time tenure-track faculty, or

(ii) The CAO, in consultation with the dean and the unit, shall appoint a chair from among the faculty of the University for a term of no more than one year.

3-3-301(2) Term of Service. A chair shall be appointed for a three-year term.
3-3-301(3) Vacancies. In all cases of vacancies occurring during a chair’s term of service, the dean, after seeking faculty input, may appoint an acting chair who shall assume responsibilities immediately.

3-3-301(4) Relief of Chair Responsibilities. If for any reason the dean believes that a change in unit leadership is necessary, the dean may, in consultation with the CAO, relieve the individual of chair responsibilities. Unless circumstances prohibit, such action will only be taken after consultation with the unit faculty.

3-3-301(5) Chair Evaluation. Evaluation of those in the position of chair shall follow the standard University evaluation process (see Board Policy Manual, 1-1-307 and 2-3-Part 8 and University Regulations 3-3-Part 8). The portion of a chair’s workload devoted to chair duties shall be evaluated as “Chair Responsibilities” as a separate subcategory under service, which will be averaged into the overall service score as a weighted average according to workload. Although the dean does not assign scores in the annual/biennial/triennial evaluation process, the dean shall assign scores in evaluating the “chair responsibility” section of the service. This evaluation shall be averaged with the unit faculty’s evaluation of the chair’s workload in their capacity as chair. Additionally, if there is a disagreement as to the level of evaluation between the unit faculty’s evaluation of the chair, in their capacity as chair, and the dean’s evaluation, the results of each evaluation shall be sent to the CAO as an information item. If the unit faculty’s or dean’s evaluation of the chair’s performance as chair’s performance as chair is at the level of “unsatisfactory” or “needs improvement”, the dean shall convene a meeting with the unit faculty to discuss the evaluation.

Part 4: Faculty Responsibilities and Conditions of Employment

3-3-401 Outside Activities.

3-3-401(1) Consulting.

3-3-401(1)(a) Consulting and Other Professional Activities. The University encourages its employees to be involved in a variety of professional development activities which serve to assist them in maintaining currency in their fields and permit them to apply their expertise to current problems. The appropriateness, relevance, and value of consulting, contractual commitments, other pay-for-service activities, or non-remunerated professional efforts outlined in this document must be approved by University officials through the process outlined in this document.

The intent of this policy is to:

(I) provide faculty, exempt staff, and administrators with appropriate review procedures to facilitate their professional development and not to prevent them from undertaking such activities;

(II) emphasize the importance of obtaining approval for these efforts to insure compliance with relevant State of Colorado (State) statutes;

(III) include procedural details to avoid confusion and insure equitable consideration of employee requests;

(IV) construct appropriate communication and record keeping procedures to effectively
address public inquiries regarding consulting and related activities among University employees; and

(V) clarify the directives included in the *Policy Manual of the Board of Trustees for the University of Northern Colorado* (Board Policy Manual) Title 1, Article 1, Part 3, 1-1-303 Faculty Responsibilities and Conditions of Employment, Title 2, Article 3, Part 4, 2-3-401 Faculty Workload, and Title 2, Article 3, Part 4, 2-3-4010 Outside Activities.

Academic and administrative departments/divisions at the University are encouraged to develop specific review and approval processes, consistent with this policy, related to off-campus assignments, consulting activities, additional remuneration for extra work or from grant funds, and disclosure statements listing affiliations that have the potential for conflict of interest. The policies included here apply to all faculty, administrators, and exempt staff at the University. Violations of the policies are to be addressed through already-established disciplinary procedures governing faculty, administrators, and exempt staff as described in this Board Policy Manual and State personnel procedures documents.

**3-3-401(1)(b) Consulting and Other Professional Development Activities.** The opportunity for employees to accept occasional professional consulting engagements is a traditional privilege extended to members of the University community. Such activities are recognized as desirable and constitute legitimate means by which employees may develop and maintain professional relationships, and contribute to growth and development of the University and the State. Consulting activities must not be allowed to interfere with the education processes of the University or the contractual obligation of the employee to the University. Faculty, administrators, and exempt staff are obliged to render the University the most effective service possible and no outside activities should be undertaken, with or without pay that might interfere with this paramount obligation. As employees of the State, special attention must be devoted to avoiding unfair competitive practices, such as establishing lower than standard fee structures or bidding practices that might threaten the livelihood of other citizens of the State and thereby be subjected to valid criticism by the public as being detrimental to the best interest of the public.

A University employee who accepts a consulting assignment shall not use institutional resources without prior written approval of the chair/director. When institutional resources are required, the University will assess an appropriate monetary charge consistent with institutional overhead assessed to external grants.

Full-time exempt staff employees may not contract to teach for other State educational institutions during their University contract period without the prior written approval of the chair/director, dean, and CAO/vice president. In accordance with State Fiscal Rules (Chapter 2, Section 2.3), dual employment between State agencies also requires a written agreement signed by both employers.

(I) Faculty. It is the responsibility of the employee and chair/director to see that instructional, advisory, administrative, or other support services are not adversely affected due to an employee’s absence for consulting or related professional activity. The employee’s department chair/division director should approve arrangements for a substitute instructor or class activity for any missed scheduled classes.

Furthermore, the employee’s department chair/division director must approve, in advance, an
absence for consulting or related professional activity which:

(A) entails absence for more than one contracted day a week while the University is in session; OR

(B) requires being absent, during a semester, for more than three days when the employee has scheduled responsibilities to the University (including classes, committee meetings, or office hours).

In either of these cases, application for approval must be made using the standard Request for Approval of Off-Campus Consulting or Professional Activity. A copy of the application, along with the decision of the chair/director, will be forwarded to the dean. The dean should, within one week of receipt of the application, notify the applicant and chair/director of any change in approval status which the dean believes should be made in accordance with the intent of this policy. In the event that the chair/director does not approve the application, the employee may appeal to the dean.

II) Additional Remuneration for Extra Work

(A) The University can contract for extra services performed by faculty if approved by the chair/director, dean, and CAO/vice president. The following factors will be examined when considering such approval:

(i) provision of the service is not included in the employee’s contract;

(ii) the service is not an integral component of the University’s commitment to the curriculum or administrative operation;

(iii) the employee possess expertise in the area of the proposed service activity;

(iv) the activity is not being provided by other employees for no remuneration;

(v) the service is determined to be valuable to students, staff, faculty, or administrators, and would not otherwise be available; and

(vi) provision of the service/activity does not interfere with the faculty member’s contractual obligations.

(B) Faculty can be paid for additional work through the use of the Personal Services Agreement (PSA) only when:

(i) the chair/director and dean have approved the request in advance;

(ii) such paid activities, as determined by the dean, are not part of the faculty member’s University employment responsibilities;

(iii) requests have been reviewed and approved by the chair or director and dean; and

(iv) Prior-approval letters must accompany any PSA submitted.
Additional salary may be paid for such activities as teaching courses through continuing education cash-funded programs and for incidental services such as translating a document from a foreign language, providing statistical analysis when performed for another organizational unit of the University, etc. Supplemental payments are not made for committee work, for preparation of program review/accreditation reports, for faculty class loads when heavier than normal, or for participation in curriculum development.

(III) Off-Campus Assignment. The University may allow faculty members to accept temporary full-time off-campus assignments which are not a part of normal duties but which are consistent with the employee's usual professional responsibilities as well as the University's mission, or are of national or state interest, as long as these do not conflict with the needs of the employee's department/division. All requests for such assignments must be reviewed and approved by the chair/director, dean, and CAO/vice president prior to acceptance of such assignments.

(IV) Leaves of Absence. Salary earned during approved unpaid leaves of absence shall be of concern only to the individual and the employing agent. However, all requests for such leaves must be reviewed and approved by the chair/director, dean, and CAO/vice president in accordance with this Board Policy Manual and State personnel regulations.

(V) Other Employment. The primary responsibility of full-time employees is to the University. Employees are discouraged from owning/operating a business/practice whenever such activities interfere with the paramount obligation. As employees of the State, special attention must be devoted to avoiding unfair competitive practices, such as establishing lower than standard fee structures or bidding practices that might threaten the livelihood of other citizens to the State, and must not be open to valid criticism by the public as being detrimental to the best interests of the public.

Employees, who own/operate such a business, are required to complete a disclosure statement listing affiliations that have the potential for conflict of interest. Examples of situations that have a potential for conflict of interest include, but are not limited to:

(A) outside employment or offers of outside employment involving assignments that might interfere with the employee's contractual agreement with the University or may place the employee or the University in a position of conflict of interest;

(B) performing work for clients for pay when the work in question falls within the regular responsibilities or job assignment of the employee;

(C) any outside activities that conflict with the teaching, research, service, and/or administrative responsibilities of the employee;

(D) financial interest in, or contractual agreements with, companies and other organizations that benefit, directly or indirectly, from the employee's position or role in the University; and

(E) financial gain to employees that result from involvement in the University decisions or
activities performed as part of regularly assigned duties.

3-3-402 Conflict of Interest.

3-3-402(1) Financial Conflict of Interest Pertaining to Sponsored Projects.

This policy sets forth procedures and guidelines that are to be followed in disclosing and resolving actual and potential faculty and staff conflicts of interest pertaining to externally funded projects conducted, sponsored, or administered by the University, including where the University has subcontracted or intends to subcontract to an external organization under one of the University's sponsored projects.

The University and its faculty and staff often benefit from participation in both public and private outside activities. The University has no interest in setting forth detailed rules that may interfere with faculty and staff members' legitimate outside interests that do not conflict with requirements of applicable Federal and/or State statutes or regulations.

Faculty and staff members, in turn, must ensure that their outside obligations, financial interests, and activities do not conflict or interfere with their commitment to the University. This obligation pertains to both full-time and part-time faculty and staff as well as to students who are employed on externally funded projects.

This regulation does not alter or amend Board Policy 1-1-502 (Conflicts of Interest) applicable to all University employees.

(a) Definitions.

(I) Financial Conflict of Interest (FCOI): a significant financial interest that could directly and significantly affect the design, conduct, or reporting of research, educational, or other activities funded by an external sponsor

(II) Financial Interest: anything of monetary value, whether or not the value is readily ascertainable.

(III) Designated Institutional Official (DIO): the individual designated by the University to solicit and review disclosures of Significant Financial Interest from Investigators, and who oversees the process of managing and reporting Financial Conflicts of Interest. The University has designated the Assistant Vice President for Research (AVPR) to serve as DIO. If, for whatever reason, the AVPR is unable to assume this role, the Chief Academic Officer will appoint another UNC employee with research expertise to serve in this capacity.

(IV) Institutional Responsibilities: those professional responsibilities an Investigator has by virtue of being a University employee, including, but not limited to, research, teaching, service, consultation, professional practice, performance, management and administrative duties.

(V) Investigator: the project director (PD) or principal investigator (PI) and any other person, regardless of title or position, who is responsible for the design, conduct, or reporting of research or other educational activities funded by an external sponsor, or proposed for such funding (This may include collaborators or consultants.)

(VI) Manage: taking action to address an FCOI

(VII) NSF: National Science Foundation
(VIII) PHS: Public Health Service of the U.S. Department of Health and Human Services, and any components of the PHS, including the National Institutes of Health (NIH)

(IX) Research: a systematic investigation, study or experiment designed to develop or contribute to generalizable knowledge, including basic and applied research and product development

(X) Significant Financial Interest: an Investigator’s Financial Interest (see II, above), aggregated with those of the Investigator’s spouse and dependent children, that reasonably appears to be related to the Investigator’s Institutional Responsibilities (see IV, above), and where:

(A) With respect to PHS funded projects, a Significant Financial Interest exists if:

(i) the value of any remuneration received from a publicly traded entity in the twelve months preceding the disclosure, and the value of any equity interest in the entity as of the date of disclosure that, when aggregated, exceeds $5,000. Remuneration includes salary and any payment for services not otherwise identified as salary such as consulting fees, honoraria, or paid authorships. Equity interest includes any stock, stock option, or other ownership interest, as determined through reference to public prices or other reasonable measures of fair market value; or

(ii) the value of any remuneration received from any non-publicly traded entity in the twelve months preceding the disclosure that, when aggregated, exceeds $5,000, or when the Investigator (or their spouse or dependent children) holds any equity interest such as stock, stock options, or other ownership interests; or

(ii) intellectual property rights and interests such as patents and copyrights, upon receipt of income related to such rights and interests;

or

(B) With respect to NSF funded projects, a Significant Financial Interest exists if:

(i) the value of any equity interest that, when aggregated for the Investigator and their spouse and dependent children, exceeds $10,000 as determined through reference to public prices or other reasonable measures of fair market value, and represents more than a 5% ownership interest in any single entity; or

(ii) the value of any salary, royalties, or other payments received in the twelve months preceding the disclosure that, when aggregated for the Investigator and their spouse and dependent children, are not expected to exceed $10,000.

or

(C) With respect to projects funded by other external entities, a Significant Financial Interest exists if the Investigator (or their spouse or dependent children) is an officer, director, partner, trustee, employee, advisory board member, or agent of an external organization or corporation that is funding a sponsored project or is providing goods and services under a sponsored project on which the Investigator is participating;

however,

(D) A Significant Financial interest does not include:
(i) salary, royalties, or other remuneration paid by the University to the Investigator if the Investigator is currently employed or otherwise appointed by the university, including intellectual property rights assigned to the University and agreements to share in royalties related to such rights;

(ii) income from investment vehicles, such as mutual funds and retirement accounts, as long as the Investigator does not directly control the investment decisions made in these vehicles;

(iii) income from seminars, lectures, or teaching engagements sponsored by a federal, state, or local government agency, an institution of higher education (as defined at 20 U.S.C. 1001(a)), an academic teaching hospital, a medical center, or a research institute that is affiliated with an institution of higher education; or

(iv) income from service on advisory committees or review panels for a federal, state, or local government agency, an institution of higher education (as defined at 20 U.S.C. 1001(a)), an academic teaching hospital, a medical center, or a research institute that is affiliated with an institution of higher education.

(b) Guidelines for Determining Relatedness of Significant Financial Interests and Existence of FCOI

When reviewing a disclosure to determine if a Significant Financial Interest is related to the sponsor funded research, educational, or other activities, the DIO will consider whether the Significant Financial Interest could be affected by the funded work or is in an entity whose financial interest could be affected by the work.

To determine if an FCOI exists, the DIO will consider whether the Significant Financial Interest could directly and significantly affect the design, conduct, or reporting of the sponsor funded work. The DIO may involve the Investigator in making these determinations, and they may convene the Conflict Review Committee to assist in the review and determination process.

(c) Disclosure of Significant Financial Interests

An Investigator, in their own best interest, is responsible for disclosing any financial or related interest that could present an FCOI as noted in subsection (a), above. Disclosure is an important legal requirement and a key factor in protecting an Investigator’s reputation and career from potentially embarrassing or harmful allegations of misconduct.

(I) All Investigators must disclose their Significant Financial Interests to the University, through the DIO or designee, prior to submission of an external proposal. The University will not submit a proposal unless all Investigators have submitted such disclosures.

(II) Pertaining to PHS funded projects: regardless of when the initial disclosure was made, all Investigators must submit annual disclosure updates between November 1 and November 30, throughout the duration of an award.

(III) Pertaining to all sponsored projects: Investigators must submit updates within 30 days of discovering or acquiring any new or previously undisclosed Significant Financial Interests.

(d) Travel Disclosure
Investigators must disclose travel that is related to their institutional Responsibilities and is paid on behalf of or reimbursed to the Investigator, excluding travel that was paid by a federal, state, or local government agency, an institution of higher education as defined at 20 U.S.C 1001(a), an academic teaching hospital, a medical center, or a research institute that is affiliated with an institution of higher education as defined at 20 U.S.C 1001(a). Travel disclosures must include, at a minimum, the purpose of the trip, the identity of the sponsor/organizer, the destination, the duration, and, if known, the monetary value. The DIO will determine if additional information is needed to determine whether the travel constitutes an FCOI with the Investigator’s sponsored project.

(e) Review and Determination

(I) If a disclosure reveals a Significant Financial Interest, it will be reviewed promptly by the DIO or designee for a determination of whether it constitutes an FCOI. If it is determined that an FCOI exists, the DIO will take action to eliminate, reduce, or manage the conflict, as appropriate. The DIO may consult the Conflict Review Committee for guidance or in the application of this policy to particular situations.

(II) The Conflict Review Committee (Committee) is comprised of a faculty member designated by the chair of the Faculty Senate; an administrator designated by the Chief Academic Officer, and the Dean of the Graduate School, and is advised by the University’s legal counsel.

(III) In reviewing disclosures, the DIO and the Committee will be guided by the following practices and apply them as appropriate:

(A) Assure adherence to the requirements of applicable Federal and/or State statutes and/or regulations and relevant policies contained in the Board of Trustees Policy Manual and the University Regulations.

(B) Consider the nature and extent of the financial interest and the relationship of the Investigator and the external organization.

(C) Give special consideration to the project proposal and/or the terms and conditions of sponsored awards that may inform the reasonable determination of whether an FCOI exists, including any mitigating or complicating factors.

(D) Consult with, and obtain additional information from, the Investigator as may be helpful in determining whether an FCOI exists.

(E) Act in a timely manner so as not to unduly delay the conduct of the project.

(IV) An FCOI will exist when the DIO or designee determines that a Significant Financial Interest could directly and significantly affect the design, conduct, or reporting of the research, educational, or other activities funded by the external sponsor. If the DIO determines that there is an FCOI that can be managed, they must require and approve a written management plan before any related research or educational activities go forward. The affected Investigator or the Committee is responsible for developing and submitting a proposed management plan in consultation with the DIO Official.

Conditions or restrictions that might be imposed include, but are not limited to:

(A) public disclosure of Significant Financial Interests (e.g., in presentations or publications);
(B) monitoring of the sponsored work by independent reviewers;

(C) modification of the scope of work or research plan;

(D) disqualification from participation in the portion of the project that would be affected by Significant Financial Interests;

(E) divestiture of Significant Financial Interests;

(F) severance of relationships that create conflicts.

(f) Sanctions

Violations of this policy, such as willful concealment of financial interests, may result in sanctions such as suspension of all relevant activities or other disciplinary action being imposed upon the violating Investigator until the matter is resolved or other action deemed appropriate by the DIO is implemented.

The DIO’s decision to impose sanctions on an Investigator because of failure to comply with this Policy, or failure to comply with the decision of the DIO, will be described in a written explanation of the decision to the Investigator, the Committee, and if applicable, the IRB. The Investigator will also be informed of their right to appeal the decision.

(g) Appeal Procedure

If the Investigator is dissatisfied with a determination of an FCOI, they may appeal to the Chief Academic Officer (CAO) who will consult with the Investigator, the DIO and the Committee as they deem necessary and appropriate to the particular circumstance. The decision of the CAO will be final.

(h) Retrospective Review Pertaining to PHS Projects

If the DIO determines that an FCOI was not identified or managed in a timely manner, including but not limited to an Investigator’s failure to disclose a Significant Financial Interest that is determined to be an FCOI, or failure by an Investigator to materially comply with a management plan for an FCOI, the Conflict Review Committee will complete a retrospective review of the Investigator’s activities and the sponsored project to determine whether the work conducted during the period of non-compliance was biased in its design, conduct or reporting.

Documentation of the retrospective review will include the PHS project number, the OSP award number, project title, PI/PD, name of the Investigator with the FCOI, name of the entity with which the Investigator has the FCOI, reason(s) for the retrospective review, detailed methodology used for the retrospective review, and findings and conclusions of the review.

The DIO will update any previously submitted report to the PHS or the prime PHS-awardee relating to the project, specifying the actions that will be taken to manage the FCOI going forward. If bias is found, the report will include a mitigation report in accordance with the PHS regulations, including a description of the impact of the bias on the research project and the plan of action to eliminate or mitigate the effect of the bias.

(i) Training

All Investigators must complete training on financial conflict of interest prior to engaging in work funded by the PHS, and at least every four years throughout the duration of any
PHS funded award. They must also complete training within a reasonable period of time as determined by the DIO in the event that this policy is substantively amended in a manner that affects the requirements of Investigators, or if it is determined that the Investigator has not complied with this policy or with a management plan related to their activities.

(j) Record Retention

The DIO or designee will retain all disclosure forms, conflict management plans, and related documents for a period of three years from the date the final expenditure report is submitted to the sponsor or the prime sponsor awardee or until the resolution of any sponsors’ actions involving the records, whichever is longer.

To the extent permitted by law, all such records will be maintained in strict confidence. However, the University may make such information available to an agency funding the work, to a requestor of information concerning an FCOI related to PHS funding, or to the primary entity who made the funding available to the University, if requested or required. If the University is requested to provide disclosure forms or related documents to an outside entity, the Investigator will be informed.

(k) Public Accessibility Pertaining to PHS Funded Projects

Prior to the expenditure of awarded funds, the University will publish on a website that is accessible to the public, information concerning any Significant Financial Interest that meets the following criteria:

(I) the Significant Financial Interest was disclosed and is still held by the Investigator;

(II) a determination has been made that the Significant Financial Interest is related to the PHS-funded work; and

(III) a determination has been made that the Significant Financial Interest is an FCOI.

The information to be made available will be consistent with the requirements of the PHS regulations.

(l) Reporting

(I) Pertaining to PHS Projects: Should any reported conflict or non-compliance require reporting to PHS, the DIO will report in accordance with PHS regulations. If the funding for the project was made available from a prime PHS-awardee, such reporting will be made available to the prime awardee such that they may fulfill their reporting obligations to the PHS.

(II) Pertaining to NSF Projects: If the DIO finds that the University is unable to satisfactorily manage an FCoI, they will inform the NSF Office of the General Counsel as required by NSF.

(m) Sub-recipient Compliance Pertaining to PHS and NSF Funded Projects

Should any PHS or NSF funded work be carried out through a sub-recipient, the University will take reasonable steps to ensure that all sub-recipient Investigators comply with regulations governing the disclosure and management of FCOIs.

(n) Conflicting Requirements
Should an external sponsor have requirements regarding disclosure and management of FCOIs that differ from this policy, the sponsor’s requirement will generally prevail.

3-3-403 World Wide Web Policy. The purpose of the document is to provide a philosophical statement and to outline general principles relative to the use of the World Wide Web at the University of Northern Colorado (University). The purpose of the University’s World Wide Web presence is to support the mission of the University, to develop well educated citizens and to improve the quality of life in the state and region through teaching, learning, the advancement of knowledge and community service. The University’s World Wide Web presence is a reflection of the University, its students, and faculty. The University recognizes the value of World Wide Web pages and connections with the Internet and encourages students, staff, and faculty to use the electronic resource. Anyone using the University resources on the World Wide Web must adhere to the policies approved by the University. All users will meet the expectations outlined in the policy and will adhere to all applicable local, state, and federal laws.

Because all users of the World Wide Web at the University are accountable to the taxpayers of the State of Colorado, the resources provided through the World Wide Web need to be used in an efficient and ethical manner. The University has the right to disable any website if the user violates the guidelines outlined in this document.

The University World Wide Web Committee will serve to review and update the policy, to ensure the goals of the World Wide Web applications, and to provide guidance to maintain the quality of the University’s World Wide Web presence. The Web Committee is not a supervisory or enforcement body. Self-monitoring of web guidelines is expected.

All home pages on the UNC server must be related to University responsibilities and activities. University home pages may link directly to personal homepage(s), but those personal home pages must be housed on a non-University owned server.

3-3-403(1) Style and Content Guidelines.

(a) The content and use of official University World Wide Web pages must be consistent with University policies including harassment and plagiarism, as well as applicable local, state and federal laws. All copyright and other ownership laws are applicable.

(b) All University World Wide Web pages will be current, accurate and consistent with the mission of the University. Pages should be reviewed for accuracy, grammar, spelling, and functional links.

(c) Web pages may not be used for personal profit, unauthorized commercial gain, or for organizational purposes external to the University. University units must include an official UNC logo or "University of Northern Colorado" presented in the approved format. Assistance to web users is available on the University homepage.

(d) The confidentiality of student information must be maintained.

(e) Essential information will be “single source” and made available from World Wide Web pages by linking to the official source. “Single source” suggests that information dealing with topics like, but not limited to, tuition, degree requirements, admission requirements, financial aid, etc., will be provided to all users from a designated source who will assure the accuracy of
the information from that source. For example, the University Bulletin is the single source for degree requirements and course descriptions. College and department home pages will link directly to the electronic Bulletin for that information. Other units will link directly to the Bulletin for other approved information.

(f) The E-mail address, telephone number, and the office and/or person responsible for the World Wide Web page must be provided in the footer. The footer also should contain a link for “Return to UNC Homepage.” The date of the last revision of the web page must appear (f) on the bottom of the individual web page or on the homepage of a website. Page contents, including graphics and tables, should be small enough to load quickly. Links to pages “Not Found” or “Under Development” or “Under Construction” should be avoided.

(g) Students using server space for class related activities are responsible to the supervising faculty member.

(h) Students developing personal home pages related to course work must adhere to all policies outlined in the document, with the exception of inclusion of the UNC logo.

3-3-403(2) Procedures.

(a) Deletion of e-mail and websites will be a part of UNC employee checkout.

(b) Students will have access, if available, on servers within each college. Guidelines for access and maintenance will be developed at the college level.

(c) Links to student home pages will be available only to pages residing on UNC servers; links will not be available to student home pages residing on external servers.

(d) Any complaint related to the lack of adherence to the above policies that involve faculty members will be reported to the faculty member involved and, if necessary, the Chief Academic Officer (CAO). If a resolution is not mutually agreed to, the CAO will forward the complaint to the Senate Faculty Welfare Committee which will review the complaint and make recommendations to the CAO.

Part 5: Curriculum

3-3-501 Curriculum Approval Process. The purpose of the curriculum approval process is to ensure the integrity and quality of academic programs through a collaborative effort between faculty and administration. The process described below recognizes the important but different roles played by those groups.

The faculty's role and responsibility is to develop and deliver academic programs and curriculum. The administration's role is to assure that curriculum proposals are appropriate to the disciplinary responsibility of the unit and the University and that adequate resources are available to implement proposed curriculum.

3-3-501(1) Responsibilities of the Originating Unit. Curriculum changes originate with faculty members in the appropriate academic units, departments, program areas, schools, or colleges. Units include multi-disciplinary programs, departments, program areas, schools, and colleges. Each
academic unit shall establish a curriculum committee/committees consisting either of all the faculty in each program area or a proper subset thereof. As a faculty member, a department chair may serve on the curriculum committee of their program area.

3-3-501(2) Curriculum Change Procedures.

(a) General Provisions

(I) There are three types of curriculum changes (minor change, variable title, major change), each with its own set of procedures outlined below for those programs housed in single colleges.

(II) For those programs of study not housed within a specific college, the Undergraduate Council or Graduate Council as appropriate will take the place and assume the same responsibilities as the College Curriculum Committee. Once this step is completed, the originating unit will send curriculum change proposals to the Chief Academic Officer (CAO).

(b) Minor Change

(I) A change which will have a minimal impact on any student’s program and does not affect other units. Only the following are minor changes:

(A) Changes in standard codes (except for changes in course fees).

(B) Dropping prerequisites.

(C) Changes in title and/or catalog description that does not alter the basic nature of the course program.

(D) Deletion of a course not required in other programs.

(E) Adding prerequisites that are internal to the unit and do not change the number of credit hours in the program.

(II) Process Steps in Curriculum Approval for Minor Changes. This is to ensure that the proposed changes are minor.

(A) Curriculum Committee

(B) College Curriculum Committee (advisory, no veto power - remarks sent to originating unit)

(C) Chair of Department/Director of school housing originating program area

(D) Dean of college housing the originating unit

(c) Variable Title. Each college is responsible for setting up internal procedures for reviewing changes to existing variable title courses, including new topics.
(I) Undergraduate variable title courses will be reviewed once when initially proposed.

(II) Graduate variable title courses will be reviewed every two years.

(d) Major Change.

(I) Any curriculum change not listed as a minor change is considered a major change.

(II) Process Steps in Curriculum Approval for Major Changes.

(A) Originating Unit Curriculum Committee

(B) College Curriculum Committee (advisory, no veto power – remarks sent to the originating unit)

(C) Chair of Department/Director of school housing originating program area

(D) Dean of college housing the Originating Unit

(E) Liberal Arts Council (if general education)

(F) Professional Education Council (if teacher education)

(G) Dean of the College of Education & Behavioral Sciences (if teacher education)

(H) Dean of the Graduate School (if graduate curriculum)

(I) Chief Academic Officer

(J) Board of Trustees (if necessary)

3-3-501(3) Roles and Responsibilities of Governing Groups for Major Changes.

(a) General Provisions. Units originating curriculum changes (new course/program modifications) will submit catalog copy reflecting the proposed change and course information as required by Academic Affairs. New course proposals (or major modification to existing courses) must include a course syllabus. New or modified program proposals must be accompanied by necessary course proposals. The originating unit will forward curriculum changes which shall include the following for all changes:

(I) Description of the change.

(II) Rationale for the change.

(III) Impact of the change both within and outside of the originating unit including resources, equipment, and supplies.

(IV) Assurance that all affected parties have been notified of the proposed change along with a summary of any objectives from affected units.
(V) Inclusion of all appropriate forms.

(b) College Curriculum Committee

(I) Ensure changes are consistent with college objectives and academic standards/integrity.

(II) Ensure any necessary codes are included and correct.

(III) Ensure that affected areas have been contacted about the proposal.

(IV) Ensure that all necessary documents are included and complete.

(V) Complete review within three weeks of receipt of curriculum proposal. Curriculum change shall move forward if remarks are not submitted within three weeks.

(VI) Forward committee remarks to the originating unit.

(c) Department Chair/School Director

(I) Ensure that the change is consistent with disciplinary responsibilities of the department/school.

(II) Determine if adequate resources are available to support the proposed change.

(III) Complete review within two weeks of receipt of curriculum. Curriculum change shall move forward if remarks are not submitted within two weeks.

(IV) Forward proposed changes to the dean along with the remarks of advisory councils and committees.

(d) Dean

(I) Ensure that the change is consistent with disciplinary responsibilities of the college.

(II) Determine if adequate resources are available to support the proposed change. Lack of adequate resources is sufficient grounds to reject a proposed change.

(III) Complete review within two weeks of receipt of curriculum. Curriculum change shall move forward if the dean does not act within two weeks.

(IV) Forward approved changes to the CAO along with the remarks of advisory councils and committees.

(V) Return rejected curriculum proposals to the originating unit with an explanation of the grounds for rejection.

(e) Liberal Arts Council
(I) Ensure that the course meets the criteria for the General Education program and for the specific category for which the course is proposed.

(II) Ensure that the course meets any other requirements that the Liberal Arts Council may establish.

(III) Complete review within three weeks of receipt of curriculum. Curriculum change shall move forward if the Council does not act within three weeks.

(IV) Forward approved curriculum to the CAO.

(V) Return rejected curriculum proposals to the originating unit.

(f) Professional Education Council

(I) Ensure that the proposed change is consistent with education standards and objectives for teacher education programs.

(II) Ensure that all affected units are aware of the change and have had an opportunity to comment.

(IV) Complete review within three weeks of receipt of curriculum. Curriculum change shall move forward if the Council does not act within three weeks.

(IV) Forward approved curriculum to the Dean of the College of Education & Behavioral Sciences.

(V) Return rejected curriculum proposals to the originating unit.

(g) Chief Academic Officer

(I) Ensure that the University will support implementation of the proposed change.

(II) Ensure that proposed curriculum is consistent with the University’s mission and goals.

(III) Complete review within three weeks of receipt of curriculum. Curriculum change shall move forward if the Council does not act within three weeks.

(IV) Maintain and monitor a time line for each proposed curriculum change.

(V) Complete review within two weeks of receipt of curriculum. Curriculum change is accepted if the CAO does not act within two weeks.

(VI) Forward curriculum to the Board of Trustees if necessary.

(VII) Place approved curriculum in the Bulletin.

(VIII) Return rejected curriculum proposals to the originating unit.
3-3-501(4) Appeal Process. A curriculum change may be rejected during the approval process and returned to the originating unit. Rejection by a Dean or CAO will normally be for reasons of cost or conflict with college or University missions. Appeals of decisions by faculty bodies will proceed as follows:

Adverse decisions of the Professional Education Council or Liberal Arts Council may be appealed by the originating unit to the dean of the originating unit, the Dean of the College of Education & Behavioral Sciences, or CAO respectively. There is no appeal process from the college curriculum committees since they are not decision-making bodies. The dean may concur with the rejection, in which case the decision is final, or overrule the rejection and send the proposal to the CAO.

Part 6: Academic Freedom and Professional Ethics
[See also Board Policy Manual]

Part 7: Faculty Salaries.

3-3-701 Faculty Salary Distribution.

3-3-701(1) Faculty Compensation Procedures.

(a) The University is committed to a faculty salary distribution process which meets the following objectives, subject to available resources:

(I) To increase and maintain salaries to a competitive level for both recruitment and retention of faculty at all ranks.

(II) To provide compensation increases for all faculty who at least receive an overall annual/biennial/triennial evaluation of “meets expectations” or above.

(III) Faculty who receive less than a “meets expectations” in their overall annual/biennial/triennial evaluation shall not receive an annual salary increase. For each year that a faculty member receives an overall annual/biennial/triennial evaluation of less than “Meets Expectations,” one year in rank (or two years in the case of biennial evaluation, or three years in the case of triennial evaluation) shall be deducted from the total number of years in rank used to calculate parity.

(b) Further, the University is committed to the determination of an individual faculty member’s salary in accordance with the following principles:

(I) Continuing full-time faculty will not have their salaries reduced as a result of modifications to the University compensation policy.

(II) Continuing full-time faculty will receive no less than their current academic year salaries, excluding administrative and extra duty stipends. (Note: For faculty in the University Libraries, the academic year salary is the fiscal year salary.)

(c) The following guidelines will determine the distribution of any salary increase monies available each fiscal year:
(I) The salary increase monies available for distribution (salary and benefits) will be
determined through the annual budget setting process. Monies to fund promotional
increases will be budgeted separately and not deducted from the identified pay increase
pool.

(II) The faculty salary increase for promotion from lecturer to senior lecturer shall be $2,000.
The faculty salary increase for promotion from instructor to assistant professor shall be
$2,000. The faculty salary increase for promotion from assistant professor to associate
professor shall be $3,000. The faculty salary increase for promotion from associate
professor to full professor shall be $5,000. If the resulting salary after the promotional
increase for any rank is below the minimum parity threshold established by the CAO in
the salary distribution process, the salary will be increased to the minimum parity
threshold.

(III) The CAO will provide annually, before the end of each fall semester, to the Salary Equity
Committee a compensation distribution report for the previous year which includes, but
is not limited to, distribution of the parity pool and merit monies.

(IV) Each year the Salary Equity Committee shall recommend to the Senate a salary
distribution model.

(d) Notwithstanding the provisions of subsection (b), above, the President may
implement temporary salary reductions for the 2020-2021 academic year.
Substantially similar percentage reductions shall be implemented for
administrative/professional exempt staff. The reduction shall be based on a
formula applicable to all faculty and administrative/professional exempt staff.

3-3-701(2) Overload Pay Rate. The pay rate for all courses taught as an overload will be $1545.00
per credit, including those taught for Extended Studies.

3-3-702 Summer and Interim Session Compensation and Workload Policy.

3-3-702(1) Workload.

(a) The maximum credit hours of instruction for summer sessions regardless of mode of
delivery, location, or funding source is 12 credit hours with 6 credit hours maximum for
each 6-week session and 9 credit hours maximum for an 8- or 12-week session.

(b) The maximum credit hours of instruction for interim sessions is 6 credit hours.

3-3-702(2) Compensation.

(a) The compensation per credit hour for all faculty holding the rank of lecturer, senior
lecturer, instructor, assistant professor, associate professor, or professor regardless
of mode of delivery, location, or funding source is (1) 1/36th of the faculty member’s
current academic year salary if the faculty member is on a full-time contract or (2) in
the case of non-full-time faculty, holding one of the above ranks, 1/36th of what the
current salary would be if the faculty member were full-time.
(b) The following compensation table shows the relationship between compensation and enrollment.

(c) The minimum compensation per credit hour for summer and interim session courses is $1500.00 for a class size of 15+ undergraduate students or 10+ graduate students.

(d) With the approval of the applicable Dean, full payment to a faculty member may be made where the enrollment requirements of sub-section (b), above, are not achieved if the average enrollment of all of the program’s courses in the interim or the combined summer sessions is at least 20 undergraduate students or at least 15 graduate students.

(e) If undergraduate and graduate students are combined in a single course, the rate applicable to the majority cohort applies.

(f) When the maximum enrollment for a course is limited by the number of laboratory stations, accreditation requirements, clinical instruction, student teaching, or any externally required constraints, the minimum rate of compensation is the greater of $1500.00 per credit hour or the compensation described in the sub-section (a), above.

3-3-702(3) Notification Deadlines. A faculty member must notify their chair/director of their intent not to teach an assigned summer or interim session course at the compensation specified in Section 3-3-702(2) at least twenty (20) days prior to the beginning of the applicable summer or interim session.

3-3-703 Grant Incentive Salary Awards. Faculty who have funds available from external sources to support their research activities during the summer shall be paid at a rate equivalent to their base salary during the previous academic year. The amount of pay is determined by the FTE of work to be conducted during the summer. Faculty salary is calculated on the number of months available (i.e., 3.25 months) between academic year contracts (i.e., academic year is 8.75 months)

(1) Faculty may receive a Grant Incentive Award as follows:
(a) Academic Year. A Grant Incentive Award can be added to the faculty member’s base salary during the academic year.

(b) Summer Term. A Grant Incentive Award of up to ten percent of the summer research base salary can be added to that summer salary.

(2) Federal funds cannot be used for the Grant Incentive Award.

(3) Should the faculty member also teach during the summer semester, the rate currently approved by their college should be paid for those hours and the percentage FTE recomputed for the amount of salary they will receive for conducting their research.

Part 8: Faculty Evaluation

[See also Title 3, Article 3, Part 3, 3-3-303(5) Performance Evaluation and Title 3.]

3-3-801 Implementation of Faculty Evaluation Procedures.

3-3-801(1) Comprehensive Review. A faculty member must receive a comprehensive review in any year upon request. In addition, the results of comprehensive review are the sole basis for decisions concerning pre-tenure review, tenure, promotion and post-tenure review. Every comprehensive review of a tenured faculty member, for whatever purpose, is at the same time a post-tenure review.

(a) Promotion Review [See Section 2-3-801(2)(b) Pre-Tenure Review.

   (I) Tenure track faculty members will undergo a comprehensive pre-tenure review in their third year, except in the circumstance noted in 3-3-801(1) (a) (III).

   (II) Procedures. Pre-tenure review procedures are the comprehensive evaluation procedures which includes scores and reasons, given in the Board Policy Manual Title 1, Part 3, 1-1-307 Faculty Evaluation and Title 2, Article 3, Part 8 Faculty Evaluation.

   (III) Evaluation Period and Dossier. Comprehensive pre-tenure review requires a faculty member to prepare a dossier that summarizes and provides evidence of the individual’s performance accomplishments. The dossier for pre-tenure review should reflect activities accomplished while a member of the UNC faculty. The dossier may include activities accomplished in time periods occurring prior to service at UNC only when such time periods are negotiated at the time of hire as credit toward promotion and/or tenure. Faculty members who negotiate two (2) years of credit toward tenure and promotion may request a pre-tenure review in their first or second year at the University of Northern Colorado. Faculty members who negotiate three (3) years of credit toward tenure and promotion may request a pre-tenure review in their first year at the University of Northern Colorado. [See Section 2-3-801 (1) Definitions.]

(b) Tenure Review [See Section 2-3-801(2)(c).]

(c) Post-Tenure Review.
(I) Guidelines. Every tenured faculty member must have a comprehensive review at least once every six (6) years. If a faculty member requests a comprehensive review (for promotion, or any other reason) this will establish a new six-year (6) review cycle.

(II) Procedures. Post-tenure review procedures are described in this Board Policy Manual 1-1-307 Faculty Evaluation and 2-3-801 Faculty Evaluation.

(III) Evaluation Period and Dossier. The dossier for post-tenure review should include only activities accomplished since the last comprehensive review. If hired with tenure, the dossier should include activities since time of hire.

(IV) Evaluation Areas. A faculty member is evaluated on assigned workload over the post-tenure period. In each area, a faculty member’s performance will be evaluated on a five-point scale. [See 3-3-801(2) (f)].

(V) Post-Tenure Review Decisions. The result of a post-tenure review is either satisfactory or unsatisfactory. A faculty member's post-tenure review is satisfactory if they receive an overall evaluation of level III or higher with a level III or higher evaluation in teaching. If the overall evaluation is below level III, or if the evaluation is below level III in teaching, then the result of the post-tenure review is unsatisfactory. Faculty evaluated as unsatisfactory on a post-tenure review will meet with the department chair/school director/program coordinator and the program area faculty or their designee to develop a performance plan that is approved by the department chair/school director/program coordinator, and the dean. Faculty have two years to achieve a satisfactory evaluation. Failure to do so will constitute grounds for disciplinary action. [See 1-1-310 and 2-3-1101].

3-3-801(2) Annual/Biennial/Triennial Review. Procedures for annual/biennial/triennial review are conducted for the purpose of performance evaluation and to determine eligibility for merit pay consideration.

(a) Criteria. Evaluation criteria are developed by each program area and approved as described in Board Policy 2-3-801(3)(a).

(b) Procedures. Annual/Biennial/Triennial Review procedures are described in the Board Policy Manual Title 1, Article 1, Part 3 Faculty Evaluation, and Title 2, Article 3, Part 8 Faculty Evaluation. All years of employment are subject to annual/biennial/triennial review. No review period may be included in more than one annual/biennial/triennial review.

(c) Evaluation Period. The calendar year is used as the review period for all annual/biennial/triennial reviews notwithstanding that the faculty member may not have worked the entirety of the calendar year.

(I) Annual Review: Faculty activities from January 1 through December 31 of a calendar year are the subject of an annual evaluation conducted during the period of January 1-May 31 of the following year.
(II) **Biennial Review:** Faculty activities from January 1 through December 31 of a consecutive two-year period are the subject of a biennial evaluation conducted during the period of January 1-May 31 of the following year.

(III) **Triennial Review:** Faculty activities from January 1 through December 31 of a consecutive three-year period are the subject of a triennial evaluation conducted during the period of January 1-May 31 of the following year.

(d) **Evaluation Areas.** Evaluation areas are based on the workload assigned by the chair/director/program coordinator. See Faculty Workload 2-3-401.

(e) **Evaluation Outcomes.** Faculty are evaluated in each applicable performance area and their contributions in each area may vary according to assigned workload. A faculty member’s performance will be evaluated and scored on a five (5) point scale. See 2-3-801(4)(a)(XI). Each faculty member will receive an overall evaluation based on the scores in each of the areas. A numerical weighting system that incorporates the percentage of the total workload for each performance area as specified in the assigned faculty workload will be used to calculate a weighted average using the evaluation scale in Board Policy 2-3-801(4)(a)(XII).

(f) **Employment Status and Annual/Biennial/Triennial Review**

(I) **Adjunct Faculty.** Adjunct faculty are evaluated by the program area faculty in consultation with the department chair/school director/program coordinator. Each College will develop procedures for evaluating its adjunct faculty.

(II) **Contract-Renewable Faculty.** Contract-Renewable faculty must complete an annual/biennial review at least once every two years and may request an annual/biennial review in any year.

(III) **Tenure-Track Faculty.** Tenure-track faculty must complete an annual review in years 1, 2, 3 (in conjunction with pre-tenure review), 4 and 5 (and year 6, if applicable). In year 3, pre-tenure review materials must be organized so that an annual review can also be completed. If, in the pre-tenure review, the faculty member receives “exceeds expectations” or higher in either instruction or professional activity, and “meets expectations” or higher in the other areas, they may complete a biennial review covering years 4 and 5, instead of completing annual reviews for years 4 and 5.

(IV) **Tenured Associate Professors.** Tenured Associate Professors must complete, at a minimum, a biennial review once every two years, and they may request an annual review in any year. When the annual/biennial review coincides with a comprehensive review, materials must be organized so that an annual/biennial review can also be completed.

(V) **Tenured Full Professors.** Tenured Full Professors must complete, at a minimum, a triennial review once every three years. They may request an annual/biennial review in any year. When the annual/biennial/triennial review coincides with a comprehensive review, materials must be organized so that an annual/biennial/triennial review can also be completed.

(VI) **Tenured faculty** may opt out of an annual review for the 2020 review period or opt out of a biennial review for the 2019-2020 review period. Faculty who do so shall either complete an annual review for the 2021 review period or a biennial review for the 2021-2022 review period.
period. A tenured faculty member who opts out of an annual/biennial review under this subsection (VI) does not modify the timing of their next comprehensive review, which comprehensive review will include an evaluation of activities that occurred during the opt-out years.

3-3-801(3) Calendar for Faculty Evaluation. Colleges will establish calendars for the review of evaluation materials as described in the Board Policy Manual 1-1-307 Faculty Evaluation, and 2-3-801. Faculty Evaluation.

(a) Reappointment Recommendations for Tenure-Track Faculty. [See Board Policy Manual 2-3-202(3).]

(b) Reappointment upon Denial of Tenure. Faculty members who do not receive tenure in year six (6) will be given a contract in year (7), for their final year.

(c) Contract-Renewable Faculty Member Position Notification. Decisions to offer a subsequent contract-renewable agreement should be communicated to the faculty member by April 1.

3-3-802 Confidentiality and Professional Ethics. Except as otherwise authorized under the terms and provisions of this procedure, or when used to administer the affairs of the University, or to comply with the law, all information reviewed, evaluation data collected, committee deliberations, decisions, and other materials generated during the course of evaluations conducted in accordance with this procedure shall be maintained as confidential.

Part 9: Promotion and Tenure Guidelines [See also Board Policy Manual]

3-3-901 Faculty Salary Increase for Promotion. The following faculty salary increases will apply beginning fall 2013. The faculty salary increase for promotion from lecturer to senior lecturer shall be $2,000. The faculty salary increase for promotion from instructor to assistant professor shall be $2,000. The faculty salary increase for promotion from assistant professor to associate professor shall be $3,000. The faculty salary increase for promotion from associate professor to full professor shall be $5,000.

Part 10: Faculty Leaves

3-3-1001 Sabbatical Leave.

3-3-1001(1) Sabbatical Leave Application Procedures. [See also 2-3-1001(5) Approval Procedures.]

(a) The dean of each college shall announce the deadline for submission of proposals at least 60 calendar days before the deadline and all faculty who are eligible for sabbatical leave will be notified.

(b) Eligible faculty interested in applying for sabbatical leave shall submit to the department chair/school director a proposal which outlines the work to be undertaken and the benefits to teaching and/or scholarship that will result from the project. The proposal shall also include an explanation of

(i) any additional compensation [see 2-3-1001(6)(b)] and
(ii) the reason, if any, that the work must be completed by the end of the following academic year or earlier;

(iii) the length of time since the applicant’s last sabbatical leave or, if this is the first sabbatical leave application, the date of the initial hire;

(iv) and an indication as to whether the applicant’s sabbatical leave was postponed after having been previously approved.

(c) Applications will be reviewed according to the procedures outlined in 2-3-1001(5) Approval Procedures.

Part 11: Exempt Administration with Faculty Rank

3-3-1101 School Director Policy. This document sets forth the policies and procedures to governing the selection and evaluation of directors. A director is the unit leader of a school whose entire assignment is professional administration.

3-3-1101(1) Director Selection. A director is an at-will employee in their capacity as director.

(a) Normally the director shall be appointed from tenured or tenure-track faculty within the school.

Upon completion of the following process, the dean of the college shall recommend a director to the CAO for approval. If the director is to be selected from the current faculty of the school, an agreement between the dean and a majority of the faculty of the affected school, outlining the recommendation process including faculty involvement, shall be required prior to initiating the search for a director. Faculty involvement may include school faculty vote, conferences with individual faculty and/or the school, and/or interviews with potential candidates. Evaluations from persons external to the school may also be considered.

(b) When no qualified faculty member is willing to accept appointment as director and/or the school and dean agree it is in the best interest of the school not to recommend a director from present faculty, or when the school and dean cannot reach agreement on the appointment of a director, the following applies:

(i) The dean may request and receive authorization from the CAO to advertise externally for a school director. Selection of off-campus candidates for the position of director shall follow established University procedures for the hiring of full-time faculty into a tenured position at the rank of associate professor or professor.

(ii) The CAO, in consultation with the dean and the school, shall appoint a director from among the faculty of the University for an appointment of no more than one year.

3-3-1101(2) Term of Service. A director shall be appointed for a five-year term.

3-3-1101(3) Vacancies. In all cases of vacancies occurring during a director’s term of service, the dean, after seeking faculty input, may appoint an acting director who shall assume responsibilities immediately.
3-3-1101(4) Evaluation of Director. The dean shall evaluate all directors annually under the University evaluation system. Faculty in the school must be involved in the evaluation.

3-3-1101(5) Relief of Director Responsibilities. If for any reason the dean believes that a change in unit leadership is necessary, the dean may, in consultation with the CAO, relieve the individual of director responsibilities. Unless circumstances prohibit, such action shall only be taken after consultation with the unit faculty.

3-3-1102 Dean’s Review and Evaluation. Under the authority of the Chief Academic Officer (CAO), deans will be evaluated on a five-year cycle based on the establishment of five-year goals approved by the CAO. Deans will undergo annual review by the CAO to determine progress made toward those goals. Deans will also undergo a five-year comprehensive evaluation.

(1) Annual Review Timeline.

(a) January: The deans shall submit to the CAO an annual report that includes progress towards the five-year goals.

(b) February: The CAO shall send the annual report to each of the dean’s faculty and consults with all faculty in the dean’s college through the administration of an evaluation instrument (questionnaire) to be developed by the CAO. The questionnaire will include an opportunity for “open ended comments.” Faculty will retain anonymity in returning the questionnaire and should return the questionnaire to the CAO by the end of the month.

(c) March: The deans shall meet individually with the CAO to review the annual report feedback from respondents and negotiate any adjustments to the five-year goals.

(2) Five-Year Comprehensive Review Timeline.

(a) January: The deans shall submit to the CAO a dossier that summarizes accomplishments and progress towards the five-year goals.

(b) February: The CAO shall send the dossier and a five-year comprehensive evaluation response form, to be developed by the CAO, to all faculty in the dean’s college. The questionnaire will include an opportunity for “open ended comments.” Faculty will retain anonymity in returning the questionnaire and should return the questionnaire to the CAO by the end of the month. The CAO has the option, in concert with the dean, to solicit comments from others internal and external to the University.

(c) April: The deans shall meet individually with the CAO to review the dossier and feedback from respondents. Subsequently, the CAO shall provide the dean with a written evaluative summary of the comprehensive review.

No annual review will be conducted during the comprehensive review year.
Part 12: Administrative Position Searches

3-3-1201 Purpose. The purpose of this policy is to set forth the process of selecting and forming administrative search committees, as appropriate as defined below. Searches for permanent replacements, and searches for interim replacements when deemed necessary, are subject to this policy.

3-3-1202 Academic Affairs Searches.

3-3-1202(1) Search for the Chief Academic Officer (CAO).

Part 13: Administrators Moving to or Returning to Faculty

3-3-1301 Administrators Moving to or Returning to Faculty.

3-3-1301(1) Purpose. This policy ensures equitable and consistent transitions for administrators with faculty status, as defined below, who commence or return to a faculty position after their assignment in an administrative position ends for whatever reason.

3-3-1301(2) Definitions. For the purpose of this policy,

(a) Administrator with Faculty Status.
(i) A new employee hired initially in an administrative position (including an interim or temporary administrative position) who receives tenure at their time of hire; or

(ii) A faculty member hired initially in a faculty position who, thereafter, is employed in an administrative position (including those who do so as an interim or temporary assignment) and who retains their faculty status while in the administrative position.

(b) Step-back. An employee’s change from an administrative position to a faculty position.

(c) Step-back Faculty. An administrator with faculty status who begins or returns to a faculty position.

(d) Interim Assignment. An administrative position filled by an administrator with faculty status while a search is conducted for a permanent replacement, or while a department/unit’s reorganization occurs.

(e) Temporary Assignment. An administrative position filled by an administrator with faculty status in order to meet a temporary University need.

3-3-1301(3) Transition from Administration (Not Temporary or Interim Positions) to the Faculty.

(a) A plan prepared by the CAO shall specify any transition period, the specific date that the employee will begin to be paid in the Step-back faculty position, and any additional transitional details.

(b) For the transition period following the Step-back, the budgetary responsibility for funding the Step-back faculty salary shall be with the administrative unit that made the administrative appointment to allow time for the academic area to which the Step-back faculty is commencing or returning to identify funding for the position.

3-3-1301(4) Faculty Rank, Tenure Status, and Salary for Step-back Faculty. Faculty rank, tenure status, and salary for Step-back faculty depends on the rank and title and tenure status of the Step-back faculty at the time they commenced duties as an administrator with faculty status.

(a) Administrator with Faculty Status under 3-3-1301(2)(a)(i).

(i) The rank, tenure status, discipline code, and pay calculation upon Step-back shall be determined at the time of initial hire.

(ii) In the absence of a written agreement at the commencement of employment in an administrative position, Step-back pay shall be calculated as “90% of the CUPA Doctoral All median for the specific rank and discipline.” Years in rank shall be counted only for years served as a faculty member.

(iii) With the assistance of the CAO, the College for the academic area in which the Step-back faculty is assigned shall identify funding to cover the salary for the Step-back faculty.

(b) Administrator with Faculty Status under 3-3-1301(2)(a)(ii).

(i) The rank, tenure status and discipline code upon Step-back for any reason shall be the same as it was at the time the Step-back faculty commenced their
administrative position, and they shall return to the academic area of their discipline.

(ii) Their salary shall be the same as their faculty salary when they commenced their administrative position, plus any faculty salary increases that would have been received during their period employed in an administrative position. If the Step-back faculty has not served in a faculty position for ten (10) years sequentially at UNC or more, the faculty Step-back pay shall be 90% of the CUPA Doctoral All median salary for the specific rank and discipline upon Step-back.

(iii) Step-back faculty without tenure or who have not attained the rank of full professor may not be considered for tenure, promotion, or sabbatical during their employment as an administrator. The clock for tenure, promotion, and sabbatical does not apply during their employment in an administrative position, and they shall not undergo faculty evaluation in their department.

(iv) If the administrative assignment is less than full-time, the faculty member, CAO, and academic area shall adjust the faculty member’s workload and develop an agreement, in writing, that addresses tenure, promotion and sabbatical, so that all parties are clear as to the terms of the agreement. In such cases, the faculty member would continue to undergo evaluation by the academic area.

(v) During the period in which the administrator with faculty status is employed in an administrative position, their vacant faculty position shall remain funded by their academic area. The academic area may use salary savings from the vacant position to cover necessary replacement instructional costs.

(c) Administrator with Faculty Status in an Interim or Temporary Administrative Assignment.

(i) The CAO shall create and fund a new administrative position or shall move the faculty member into an existing funded vacant administrative position. The faculty member’s vacant position in their academic area shall remain funded by the academic department. The academic area may use salary savings from the vacant position to pay for the necessary replacement instructional costs, whether adjunct or overload.

(ii) Step-back faculty with full-time administrative load without tenure or who have not already applied for the rank of full professor may not be considered for tenure, promotion or sabbatical for the duration of their assignment. The clock for tenure, promotion, and sabbatical does not apply during their interim or temporary appointment in an administrative position, and they shall not undergo evaluation in their department for the duration of their administrative assignment.

(iii) If the administrative assignment is less than full-time, the faculty member, CAO and academic area will adjust the faculty member’s workload and develop an agreement, in writing, that addresses tenure, promotion and sabbatical so that all parties are clear as to the terms of the agreement. In such cases, the faculty member would continue to undergo evaluation by the academic area.

(iv) At the end of the interim or temporary appointment as an administrator with faculty status, the Step-back faculty shall return to their former faculty position and salary, plus any faculty salary increases that would have been received during their period employed in an administrative role.

3-3-1301(5) Transition Period.
(a) At Step-back, unless negotiated at the time of hire, a paid transition period to permit the Step-back faculty to prepare to return to the faculty may be authorized. Unless otherwise agreed upon in writing prior to the commencement in an administrative position, no transition period shall exceed the completion of the current semester plus one (1) full semester.

(b) Upon leaving the administrative position, the individual’s pay during the transition period shall be negotiated by the President. However, no individual shall receive more than one semester of their administrative salary during the transition period.

(c) Once the transition period is completed, the Step-back faculty’s salary will be adjusted as described in 3-3-1301(4)(a)(ii), 3-3-1301(4)(b)(ii), 3-3-1301(4)(c)(iii) above.

(d) Once the transition period is complete, the tenure clock, or evaluation and sabbatical process starts anew. See also Tenure Clock Extension [2-3-902(3)(b)], Part 8 Faculty Evaluation [2-3-801], Sabbatical Leave [2-3-1001].

Each office is encouraged to continue to accommodate individual employee work hour preferences with flex-time scheduling and call-forwarding procedures. By the increased use of flex-time scheduling and call-forwarding technology, the employee 40-hour-work-week preferences and student needs should be accommodated.

The Executive Staff will determine the actual starting and ending date each year.

Compensatory time for hours worked in excess of forty (40) hours in a work week shall not be permitted unless approved in advance in writing by an employee's supervisor and only as permitted by applicable provisions of the fair labor standards act.

Part-time employees shall be required to work a proration of forty (40) hours per work week which is equivalent to the percentage of one full-time equivalent which has been assigned to their position, e.g., .40 FTE employee is required to work at least sixteen (16) hours per work week. In addition, part-time employees are required to work a reasonable number of additional hours if necessary to the completion of their job duties and responsibilities. All supervisors are required to make affirmative efforts toward increasing the cultural, ethnic, and racial diversity of the UNC workforce in accordance with the UNC Affirmative Action Plan. Each administrative/professional supervisor shall develop affirmative action performance objectives as a part of their annual performance plan.

3-4-112 Performance Planning and Evaluation.

3-4-112(1) Purpose. The performance planning and evaluation process is intended:

The planning phase ordinarily takes place in June for continuing employees; within the first month of employment for new assignments.

3-4-113(2) Evaluation Phase. The evaluation phase of the performance planning and evaluation process ordinarily takes place during May or June, but must take place prior to or concurrently with the planning phase for the subsequent year. The evaluation of the employee's performance must be in writing. The evaluation must be discussed in a conference between the employee and the supervisor in which the supervisor reviews with the employee the employee's performance in carrying out duties and activities and in achieving the outcomes established for the employee during the planning phase. To facilitate the evaluation, the employee will prepare an annual report to submit it to the supervisor prior to the evaluation conference with the supervisor.

Each employee will receive an overall performance evaluation rating of 1, 2, 3, or 4, according to the following definitions:

(c) Supervisor initiates one or more of the following disciplinary procedures when performance fails to improve after the face-to-face meeting:

(d) Verbal warning with memo to department file. Maximum of three verbal warnings, depending on misconduct.

(I) Written warning signed by employee.

(II) Notice of disciplinary probation or suspension without pay. The decision regarding probation or suspension without pay depends on misconduct. The decision is made by the supervisor and jurisdictional vice president.

This policy shall not be a condition precedent to the University's right under Statute to terminate the employment of exempt-administrative employees at any time.

Further, the University reserves the right to institute whatever disciplinary sanction it deems appropriate for exempt-administrative employees at any time or in any sequence.

(2) **When Informal Resolution may not be Offered or Facilitated by the University** The University shall not offer to facilitate or facilitate the informal resolution process to resolve allegations of a Formal Complaint that a University employee engaged in Sexual Harassment of a University student, provided, however, that this prohibition does not preclude the parties from engaging voluntarily in discussions between them that results in a resolution of the allegations and notification by the Complainant that they wish to withdraw the Formal Complaint or any of the allegations in it.

(3) **Additional Time to be Provided by Decision-Maker** The Decision-Maker shall provide additional time, as necessary, to allow the parties to engage in informal resolution of the Formal Complaint pursuant to this section 3-6-139, or other voluntary discussions between/among the parties in pursuance of resolution of the Formal Complaint, when all parties agree that it is reasonable and appropriate that additional time should be provided.

(d) Provide each party and their respective advisor, if any, the evidence subject to inspection and review in electronic format or hard copy;

(3) **Standard of Evidence** The standard of evidence used in the Live Hearing and by the Decision-Maker in their Determination Regarding Responsibility is the “preponderance of the evidence” as described in Section 3-6-126(18).

(4) **Procedures and Requirements Regarding Cross-Examination** Cross-examination of the parties and other witnesses during the Live Hearing shall be conducted consistent with the following procedures and requirements:

(a) Cross-examination of a party or other witness may only be conducted by a party’s advisor and not by the party themselves;

(b) If a party does not have an advisor present at the Live Hearing, the University will provide, without fee or charge to that party, an advisor of the University’s choice, who may, but is not required to, be an attorney to conduct cross-examination on behalf of that party;

(c) Only relevant cross-examination questions and other questions may be asked of a party or witness, as determined by the Decision-Maker;

(d) Before a Complainant or Respondent or a witness answers a cross-examination or other question, the Decision-Maker shall first determine whether the question is relevant to the issues in the Live Hearing and shall explain their decision to exclude a question that they determine is not relevant; and

(e) If a party or witness does not submit themselves to cross-examination at the Live Hearing, the Decision-Maker shall not rely on any statement of that party or witness in reaching the Determination Regarding Responsibility, provided however, that the Decision-Maker shall not draw an inference in the Determination based solely on a party’s or witness’s absence from the Live Hearing or refusal to answer cross-examination or other questions.

(f) The University procedures and permissible bases for the Complainant and Respondent to appeal the Determination, if either of them decides to do so.

(2) To whom the Determination is Provided The Decision-Maker must provide the Determination to each of the parties and to the Title IX Coordinator simultaneously.

(3) When the Determination Becomes Final The Determination becomes final either on the date that the University provides the parties with the Determination of the result of an appeal, if an appeal is filed, or, if an appeal is not filed, the date on which an appeal would no longer be considered timely.

3-6-144 Appeals

3-7-105 Contracting.

3-7-106 Contracting Authority. No deed, instrument, or contract of any description, written or oral, purporting to be made on behalf of the University shall be valid as against the University unless executed by the Board of Trustees in accordance with the Bylaws or by the President of the University under authority delegated by the Board of Trustees. No other officer, employee, or agent of the University may enter into a contract on behalf of the University except as authorized in the Bylaws of the Board of Trustees or by a specific written delegation of authority by the Board of Trustees or the President of the University. All contracts must comply with the State Fiscal Rules and the University's internal contract procedures. A copy of the UNC contract procedures manual is available in all departments, divisions and Dean's Offices by University Counsel.

3-7-107 Fund Raising Authority. The responsibility for coordinating the University's search for gifts from the private sector (i.e., individuals, corporations, foundations, and associations of individuals) is assigned to the Office of Development.
All fund raising programs, projects, or solicitations directed to the private sector and which represent directly or indirectly any activity or unit of the University, or which involve any individual acting as a representative of the University, must be registered with, reviewed, and coordinated by the Office of Development.

As part of its responsibility for coordinating the university search for gifts in the private sector, the Office of Development will provide assistance to personnel who desire to seek gifts in support of authorized institutional projects.

Any intensive pre solicitation cultivation of an individual or organizational gift prospect, even if not intended to lead directly to an immediate contribution, must be reviewed in advance and approved by the Office of Development.

Prior to the initiation of any fund raising program, project, solicitation, or intensive cultivation, the individual or institutional unit desiring to initiate said activity must receive the approval of the administrative authority which is responsible for supervising said individual or institutional unit.

The solicitation of grants or contracts through the submission of proposals from public (e.g., governmental) or private (e.g., foundations, corporations) will continue to be coordinated through the Sponsored Programs and Academic Research Center.

3-7-107(1) Definitions. "Fund raising" includes any solicitation of any form of support (gifts, contributions, or any object or service of value) from private sources by University offices, organizations or individuals representing those offices, or by any other affiliate of the University.

Prospective donors are to be encouraged to direct their gifts to the Foundation which will administer gifts on behalf of the University.

3-7-109 Approval. All gifts received by the University, whether or not derived from specific fund raising programs, shall be administered in accordance with the University policy statement on the administration of gifts from private sources.

3-7-110 Budget Process.

3-7-111 Description of Budget Process. The University has established a general budget development process that follows an annual cycle. The process begins in October, and ends with a final budget plan in June of the subsequent calendar year. The established process is intended to involve all campus constituents, with decentralization as a primary objective. The nature of involvement is influenced by frequently changing internal and external factors, and so may vary from year to year.

3-7-112 Deficit Accounts. Accounts which run a deficit for any monthly reporting period must be reported by the individual authorized to make the expenditures to that individual’s supervisor within five working days of the authorized individual’s receipt of knowledge of such deficit. The report must be in writing, and include an explanation for the deficit position and a plan for eliminating the deficit within the next thirty-day reporting period after the notice.
If the responsible party and the supervisor determine that the deficit cannot be eliminated within the required period, the supervisor, and responsible dean or officer if different, shall enter into a loan agreement with the University Controller for the repayment of the deficit, together with appropriate interest, within the shortest time feasible, but in no event past the end of the applicable fiscal year, unless otherwise authorized in writing by the President. The Controller shall notify the President of the execution of any such agreements. In the case of amounts owed to the University to which interest is traditionally not charged, such as scholarship and financial aid commitments paid through the UNC Foundation, Inc. or other sources at the disposal of the unit, the deficit must be eliminated within the thirty days immediately after the written report to the supervisor, unless expressly waived in writing by the President.

No UNC Foundation scholarships may be awarded by any department, school or unit until the funding for such scholarship is on deposit with the UNC Foundation, Inc., and the Foundation has confirmed that the funds are on deposit to the Student Financial Resources Office. No scholarship funds will be credited to a student’s account by the financial aid officer until the cash funds have been received from the Foundation by the Accounting Services Office.

3-7-113 Presidential Powers. As the chief administrative officer of the University, the President is ultimately responsible for planning, organizing, and directing all operations of the University in accordance with policies of the Board. In all fiscal matters, the President has the final review as far as University of Northern Colorado spending is concerned. Further, CRS 1973, 24-30-202 (3) forbids the President to over-encumber appropriations, incur obligations, or to authorize disbursement of funds in excess of appropriations.

3-7-114 Budget Development for Special Areas and Sponsored Programs.

3-7-114(1) Capital Construction. State Buildings Division, OSPB, and CCHE, have a major influence on capital construction allocations, and input materially on capital construction projects to be funded throughout the state. At UNC, proposals for capital construction projects may originate with any unit and are forwarded through the proper dean to the Vice President of Administration. After initial review in that office, approval for the proposal and the establishment of a priority for it is obtained from the President's Office.

Requests for capital construction funds are determined on the basis of need by criteria established by OSPB and CCHE. A copy of the criteria is available in the Planning and Construction Office. Need for physical facilities must be justified by projecting estimated enrollment course by course, department by department, and school by school, using data supplied in the computer bank.

3-7-114(2) Sponsored Programs. Sponsored Programs are those activities/projects conducted by the University funded as grants or contracts by external sources in a specific time period. Prior to submission, proposals soliciting funds for sponsored projects must be developed by project directors and approved for submission by their department or division chairperson, dean, and the director of Sponsored Programs. Finally they must be approved by the President of the University or their designee. Such proposals will include project plans and line item budgets. When matching or institutional support funds are required, sources of such support must be indicated and verified. When grants or contracts are awarded, project directors are responsible for dispersing of financial resources as stipulated in award documents and as acknowledged by their signature.

3-7-114(3) Student Activity Fees. Student fees shall be established and administered as set forth in the board approved UNC Institutional Plan for student fees.
3-7-115 UNC Facility Scheduling Regulations.

3-7-115(1) Facility Ownership. UNC facilities (including buildings, adjacent grounds and parking lots) are considered a resource of the University. Facilities designated as state property, provided by the Citizens of Colorado, are primarily intended to support continuing programs of instruction, research and diversified service to enrolled students. Academic facilities are not owned by individual departments or campus units but by the State of Colorado and are operated and maintained by the University's Department of Facility Operations, under the direction of the Vice President for Administration. Auxiliary facilities are self-supporting buildings utilized primarily for activities that enhance the educational experience. Access is available to these facilities for University and non-University groups according to established scheduling procedures.

3-7-115(2) State Building Use Priority. Through established scheduling procedures and deadlines, state facilities are to be first reserved for the direct use of students enrolled in instructional programs.

3-7-115(3) Non-Academic Use of State Buildings. When not directly committed to the instructional service of enrolled students, the state facilities are to be made available for educational, administrative, and cultural events of recognized university organizations. Facilities also may be requested for use by members of the non-University community as facility space and resources permit.

No commitment for facility use, nor quote for associated event fees and charges, shall be made by any parties other than Event Planners in the University Scheduling and Events Office or the Vice President for Administration to maximize efficiency of facility scheduling and cost recovery. An appropriate rental fee, direct costs for services rendered and/or other usage fees shall be assessed groups permitted to use state facilities.

3-7-115(4) Sponsorship of Non-University Organizations. A written sponsorship request must be received and approved by the Vice President for Administration or the Vice President's designee prior to the date of the event. The event or meeting must be of educational, social, or cultural significance and be consistent with the mission of a public educational institution. Appropriate permits must still be obtained, and rental, labor/service, equipment rental and security fees must still be assessed to the sponsored non-University group. The sponsor of a non-academic event assumes the financial responsibility of the event if the individual or group does not provide payment as charged. Sponsorship includes the requirement that the sponsor attend the event in its entirety. Any fee negotiation must be approved by the Vice President for Administration or the Vice President’s designee. Sponsored non-University events do not require a deposit.

Sponsors may be one or more of the following:

- Colleges, Schools, Departments, and functional units of the University;
- University recognized Student Organizations;
- University allied or affiliated organizations (such as the University of Northern Colorado Foundation or Alumni Association).

3-7-115(5) Non-University/Non-sponsored Use. Non-sponsored, non-University individuals, groups, and organizations, can schedule University facilities with 30-day prior approval when the
event or meeting is of educational, social, or cultural significance and is consistent with the mission of a public educational institution. Payment of the rental fee must be made in advance of the event unless other arrangements are made by the Vice President for Administration or the Vice President’s designee.

3-7-115(6) Access Preference. Preference for use of space will be given within defined time periods to the scheduling of academic courses, and then to University events requiring specific facilities. Space available after those requests are met will be assigned according to established preference priority consideration regulations and a first come first served basis.

Within the defined time periods established, space will be assigned based on the following categories of preference/priority:

(a) Academic courses.

(b) University-sponsored events requiring specific facilities.

(c) University-sponsored events open to the entire University community.

(d) University-sponsored events restricted to membership or internal meetings.

(e) Non-University group or organizational events open to the entire University community.

(f) Non-University group or organizational events restricted to membership or internal meetings.

Once space is assigned according to these regulations, the University will make every attempt to honor the commitment for space. However, the University of Northern Colorado does reserve the right to refuse or cancel a reservation, or change the location of an event if it conflicts in any way with general regulations regarding events on campus.

3-7-115(7) Auxiliary Facility Use. Auxiliary facilities are available on a first come first served basis, with priority given to student and University groups. Facilities are also to be made available to non-University groups. An appropriate rental fee, direct costs for services rendered and equipment utilized and/or other fees shall be assessed all groups permitted to use the facilities.

Sponsorship of Non-University Organizations. All regulations and procedures designated for sponsorship of state facilities shall also be in effect for auxiliary units.

Auxiliary Access Preference. Preference for use of space will be given to student and university groups, with an overriding priority of first come first served. Once space is assigned, every attempt will be made to honor this commitment, however the University reserves the right to cancel or change a reservation or even change a location if deemed necessary.

3-7-115(8) Use of University Grounds. Because the use of any exterior facilities may present the possibility of disturbance to normal University activities and damage to the University property, the criteria governing the use of exterior space shall include, but not be limited to, the following:

(a) No permanent or semi-permanent structures may be constructed or placed for any activity in these spaces unless the construction itself is either done or approved by Facility Operations.
(b) No activities may be held which render a space unsatisfactory for use in its normal or primary function or which interfere with an activity previously scheduled according to this regulation or with normal or scheduled University activities.

(c) Individuals or groups wishing to use outdoor areas and outdoor facilities shall schedule such use with the University Scheduling and Events Office in writing, no less than 5 days in advance of the event and include the time, place and nature of the proposed activity. The University Scheduling and Events Office will notify the University Police and other appropriate campus agencies. [See also University Board Policy Manual 1-1-410 Peaceful Assembly.]

(d) All uses of amplifying and public address systems must conform to all applicable laws and ordinances.

(e) Users, including sponsoring organizations, are responsible and accountable for the cleanliness and order of all open spaces following their use. Users will be billed for cleanup that they do not adequately complete themselves and such other University services as may be required because of the activity of the sponsoring organization.

(f) All activities or events must be conducted in such a manner that campus pedestrian, bicycle, and automobile traffic are not unreasonably impeded and that members of the University community who are not participating in the activity or event may proceed with their normal activity.

3-7-115(9) Cost Recovery. Standard facility rental fees are charged to individuals, groups, and organizations to recover costs to the University incurred related to specific scheduled events. Appropriate permits must be obtained. All rental, labor/service, equipment and security fees will be assessed according to standard guidelines. Non-sponsored, non-University events require payment in advance of the event upon scheduling confirmation unless arrangements are made with the Vice President of Administration or the Vice President's designee.

No facility rental fees are charged for academic courses, course related support programs, and recognized student organizations. However, standard facility rental fees will be assessed to any student organization that charges a fee for the event.

3-7-115(10) Neutrality. The academic facilities at the University are provided for educational purposes and are not intended to be competitive with sites in the community. All fees generated are to recover operation costs.

3-7-115(11) Specific Procedures and Fees. The specific scheduling regulations, procedures, and fee schedules for campus facility rental, equipment rental, facilities service fees, security fees, and food service fees are available at the University Scheduling and Events Office.

3-7-115(12) Standard Scheduling Process. University of Northern Colorado facilities shall be scheduled and managed in such a way as to provide appropriate utilization of State and University resources. It is required that all activity in University facilities be scheduled or registered through established scheduling procedures with the University Scheduling and Events Office. This requirement is to include academic courses, meetings, athletics, other University events, and non-University events. The University Scheduling and Events Office will initiate actions to process the
necessary scheduling forms and inform appropriate offices of events. Only the University Scheduling and Events Offices are authorized to reserve University facilities for use by any party.

It should be recognized that departments, at times, are assigned a specialized facility for use for specialized programs. It is equally important to note, however, that because these facilities are in demand for events and meetings other than those sponsored by the department, such departments are expected to schedule these programs as soon as possible and then make the facility available to other appropriate groups in cooperation with University Scheduling and Events Office.

Due to the specialized nature of a majority of the academic facilities, individuals, groups and/or organizations wishing to use academic facilities shall schedule such use with the University Scheduling and Events Office in writing, five (5) business days prior to the event, to allow for coordination of adequate support services. The written notice must include time, place and nature of the proposed event. Non-University individuals, groups and/or organizations must have 30-day prior approval from the Vice President for Administration or the Vice President’s designee. The University Scheduling and Events Office will notify the University Police and other appropriate campus agencies. [See also University Board Policy Manual 1-1-410 Peaceful Assembly.]

3-7-115(13) The University Scheduling and Events Office. The University Scheduling and Events Office (under the Vice President for Administration) is responsible for scheduling academic/athletic facilities, including academic classrooms, buildings, athletic facilities and fields, theaters and auditoriums in academic buildings and outdoors, and adjacent grounds and parking lots and is also responsible for scheduling auxiliary facilities, including the University Center, Campus Recreation Center, Centennial Hall, housing and residence hall facilities, and adjacent grounds.

Academic courses are to be scheduled using the academic approval process and course forms.

3-7-115(14) Catering. Facilities for catered events are reserved through the University Scheduling and Events Office. Catering services for reserved events at UNC facilities can be provided through University Catering or outside vendors in all non-auxiliary facilities.

Outside catering vendors are required to provide evidence of a current Colorado Retail Food Services license, maintain standard Workman’s Compensation and Employer’s Liability Insurance, and General and/or Personal Injury and/or Automobile Liability Insurance with a single occurrence limit of $600,000 or an annual aggregate limit of $1,000,000 with the State of Colorado named as an additional insured. Vendors shall submit to the University Scheduling and Events Office certificates of insurance coverage with a reference to the State being named as an additional insured seven working days prior to a scheduled catering event.

3-7-115(15) Alcoholic Beverages. The University requires a responsible approach to the serving and consuming of alcohol. University facilities and areas are available for scheduling functions at which alcoholic beverages will be served or consumed. However, permission for use of University facilities or areas for organized events will be determined through the University Scheduling and Events Office. Sponsoring individuals or groups must file an Alcoholic Beverage Permit Application with the 3-7-115(15) University Police Department to dispense or consume alcoholic beverages on University property.

The groups and/or individuals who are hosting the event shall designate if alcohol will be consumed and shall be fully liable for the conduct of all guests and for the compliance with City and State liquor
regulations. Violation of any of the City of Greeley or State of Colorado Liquor Codes is a criminal offense, and violators may be subject to fines or imprisonment. The host individual and/or group is also responsible for monitoring the guests to insure that intoxicated persons and/or minors are not served alcoholic beverages.

Alcoholic beverages may be served at the University Center and Centennial Hall. All liquor is purchased and served by University Catering.

Open alcohol containers are prohibited on the University campus except at designated areas for scheduled events at which alcohol is authorized to be sold, served or consumed. These events shall be scheduled through the University Scheduling and Events Office.

3-7-116 Facilities Maintenance.

3-7-117 Remodeling or Modification of Facilities. Requests for remodeling or modification of facilities shall be sent to the Department's Division of Planning and Construction.

3-7-118 Routine Service Request Procedures. Requests for all facility related services can be made by phoning or writing the Service Center at Parsons Hall. Requests may also be submitted electronically.

3-7-119 Smoking Regulation. Smoking and the sale of tobacco products are prohibited in all buildings owned or leased by the state under control of the executive branch. This executive Order is effective January 1, 1991.

3-7-120 Rules and Regulations Governing University Buildings and Grounds.

3-7-121 Admission to Property. Property shall be closed to employees, students, and the general public during other than designated open hours of operation. These hours of operation shall be clearly posted at main entrances to each building or property. The closing of property will not apply to that space and in those instances where Facility services has approved entry by key issuance into the property, after posted operating hours, or where the office of University Conference and Scheduling Services has approved use of the building or property for educational, cultural, recreational, or public service use consistent with University Conference and Scheduling Service policies. During posted operating hours, property shall be closed only when situations require such action to ensure the safe and orderly conduct of University functions. The decision to close property shall be made by the President of the University (or official designee). During periods when property is closed, admission to such property will be restricted to authorized persons who shall provide or display identifying credentials when requested to do so by personnel of the UNC Police Department or other authorized individuals. Entry upon property in violation of any of the above applicable provisions is prohibited.

3-7-122 Preservation of Property. The improper disposal of rubbish on University property, the willful destruction of or damage to University property, the theft of University property, the creation of any unreasonably hazardous condition to persons or things on University property, the throwing of articles of any kind from or at a building, or the climbing upon statues, roofs, or any parts of a building, are prohibited.

3-7-123 Conformity with Signs and Direction. Persons in and on University property shall at all times comply with official signs of a prohibitory, regulatory, or directory nature and with the direction of UNC Police Department Officers and other authorized individuals.
3-7-124 Disturbances. Any conduct which creates loud or unusual noise, a nuisance, unreasonably obstructs the usual use of entrances, foyers, lobbies, corridors, offices, elevators, stairways, or parking lots, otherwise impedes or disrupts the conduct of University functions, or which prevents students, faculty, staff, or the public from obtaining the services provided on University property in a timely manner is prohibited.

3-7-125 Gambling. Unlawful gambling on University property is prohibited.

3-7-126 Regulation of Controlled Substances. Refer to 3-7-1027.

3-7-127 Soliciting, Vending, and Debt Collection. The processes may include, but are not limited to, a fact-finding hearing, at which witnesses may appear in person or through written statements as the IC may deem appropriate. At any fact-finding hearing, members of the IC shall be allowed to question witnesses who appear in
person and the Respondent(s) shall be allowed to ask questions of such witnesses within reasonable limitations established by the IC.

(f) Prior to any appearance by the Respondent(s), the IC shall disclose to the Complainant(s) and the Respondent(s), no less than ten (10) calendar days in advance, the issues or charges under investigation, the evidence gathered by the IC relevant to the issues or charges, and any further investigation to be conducted through the fact-finding hearing.

(g) In addition to review of the information gathered pursuant to Section 3-8-102(5)(d), interviews should be conducted of the Complainant(s) and Respondent(s), as well as other individuals who may have information relevant to the investigation. Summaries of all interviews should be included, with all other documents gathered, in files maintained by the IC.

(h) At its discretion, the IC may obtain the assistance of experts in the field of research under investigation or in other areas as deemed relevant to the investigation.

(i) The IC shall complete its investigation and issue a written report no later than one hundred and twenty (120) calendar days after the meeting held pursuant to Section 3-8-102(6)(c). If the investigation cannot be properly concluded in that time, the time limit shall be extended for such period as is reasonably necessary to conclude the investigation, but no longer than an additional sixty (60) calendar days.

(j) The IC’s investigation report shall be in writing and include:

   (i) a description of the allegations of RSCW Misconduct that have been investigated;

   (ii) the identification and summary of the records and evidence reviewed, and the identification of any evidence gathered that was not reviewed;

   (iii) a summary of the relevant evidence, and a conclusion that contains an analysis as to whether RSCW Misconduct occurred (considering any reasonable explanation by the Respondent(s), and any admission of RSCW Misconduct by the Respondent(s)) for each distinct allegation of RSCW Misconduct; and

       (A) identify the Respondent(s) responsible for the RSCW Misconduct;

       (B) identify whether the RSCW Misconduct was falsification, fabrication, or plagiarism;

       (C) describe and document the external support, including, e.g., any grant numbers, grant applications, contracts, and publication listing external support; and/or

       (D) identify any publications and/or other RSCW dissemination that the IC has concluded need correction or retraction.

(k) The initial report of the IC shall be sent “Confidential” to the last known email address(es) and home address(es) of the Complainant(s) and Respondent(s) by Registered Mail, Return Receipt Requested. If they wish, the Complainant(s) and Respondent(s) may
respond to the report, and shall be given fifteen (15) calendar days from the date of receipt to respond to the report. At the end of the fifteen (15) calendar day period, the initial report, with any response by the Complainant(s) and/or Respondent(s), shall be filed with the DO.

(i) The DO, within thirty (30) calendar days of receipt of the initial report and any responses from the Complainant(s) and/or Respondent(s), shall communicate, in writing, to the Respondent(s), Complainant(s), the IC Chair, each Respondent’s department chair/school director/program area coordinator and dean, and the RIO, the final decision of the DO as to whether RSCW Misconduct has occurred and the University actions to be taken.

(m) As required by law, regulations, or contract, the RIO shall send the DO’s final decision (including the IC’s initial report and any response(s) of the Complainant(s) and/or Respondent(s)) to all funding sources supporting the Academic Researcher’s University Sponsored Research.

3-8-102(7) Discipline. Any University policy to the contrary notwithstanding, violation of the policy shall be cause for discipline consistent with University policies, regulations, procedures, or applicable law. Such discipline may include:

(a) sanctions of written and/or oral reprimand;
(b) prohibition (either temporary or permanent) from involvement in any University Sponsored Research;
(c) suspension or dismissal from employment; and
(d) any other sanctions allowed.

3-8-102(8) Voluntary Resolution. The purpose of Voluntary Resolution is to attempt to resolve a complaint of RSCW Misconduct to the satisfaction of the Complainant(s) and Respondent(s).

(a) When Voluntary Resolution is Not Allowed. The Voluntary Resolution process may not be used if:

(i) any allegation(s) of RSCW Misconduct, if true, would constitute

(A) a material violation of applicable civil or criminal laws; and/or

(B) misappropriation or misapplication of research funds (excepting minor deviations in research fund accounting that result in no personal gain or benefit to the Academic Researcher);

(ii) any of the Complainant(s) and Respondent(s) do not agree to utilize the Voluntary Resolution process; and/or

(iii) criminal or civil judicial, quasi-judicial and/or governmental agency proceedings have been commenced based on any allegation(s) of RSCW Misconduct.
(b) **Steps In Pursuance of Resolution.** The RIO shall coordinate discussions with the Complainant(s) and Respondent(s) to attempt to resolve the allegations of RSCW Misconduct in a manner acceptable to all parties. The RIO shall determine a reasonable period for such discussions and shall terminate the Voluntary Resolution process if a Complainant or Respondent requests that the process be terminated. The RIO may also, in the RIO’s discretion, terminate the Voluntary Resolution process if reasonable progress is not made towards resolution or the proposed resolution violates University policy or applicable law. During the period in which the Voluntary Resolution process occurs, all deadlines under the RSCW Misconduct Policy shall be held in abeyance.

(c) **If Resolution is Achieved.** If a mutually acceptable resolution is achieved, the terms and conditions of the resolution shall be described in writing and signed by each Complainant and Respondent. The RIO shall provide the deadline for the completion and execution of the resolution document.

3-8-102(8) **Retention of Records.** All reports and records gathered regarding any allegations, inquiry, or investigation under this policy shall be maintained by the Office of the RIO for no less than seven (7) years after completion of all proceedings under this policy.

3-8-102(9) **Further Reporting.** If at any time during these proceedings, it is determined that criminal activity may have occurred or that funds are in jeopardy of loss or misappropriation, immediate notice shall be given to any funding source that has provided the funds and to appropriate law enforcement agencies. In such instances, the RIO shall take prompt action to sequester such funds to prevent their loss or misappropriation.

3-8-103 **Academic Affairs Budget and FTE.**

3-8-103(1) **Budget and FTE Allocations.**

(a) **Vice Presidential level:**

(I) FTE and dollar allocations will be made by the Vice President for Academic Affairs to each dean.

(II) FTE and dollar allocations will be made so as to implement planning priorities established during the University planning process.

(III) The FTE and dollars allocated to the deans may not exceed the allocations to the Vice President from the President. The Vice President may establish a contingency pool of FTE position and/or dollars.

(IV) Allocations of FTE or dollars to a dean may include specific guidelines relative to the assignment of any or all of the FTE dollars allocated to a dean. Individual positions may be identified explicitly by the Vice President for an FTE allocation or no GRE allocation.

(V) The FTE/dollar allocation from the Vice President may be for the fiscal year or for any portion of the fiscal year (e.g. a summer FTE allocation may be made prior to the fiscal year allocation).

(b) **Dean level:**

(I) As soon as practicable after receiving an FTE and/or dollar allocation from the Vice President, the dean will make an allocation to department chairs/school directors/program area coordinators.
Tenure track positions allocated to departments/schools/program areas should be consistent with the 80% tenured plans of the college and department/school/program area.

FTE and dollar allocations to departments/schools/program areas should be made so as to carry out the planning priorities of the college and department/school/program areas.

FTE allocated to T.A. positions within any given department/school/program area may not be reduced from year to year without the approval of the dean and the Vice President.

The dean may include specific guidelines relative to the assignment of any or all of the FTE or dollars allocated to a department/school/program area. Specific FTE and dollar guidelines from the Vice President will be included by the dean in the dean’s guidelines to a department/school/program area.

FTE and dollar allocations from the dean may be for the fiscal year or for any portion of the fiscal year (e.g. summer only).

FTE and dollars allocated to departments/schools/program areas may not exceed the FTE and dollars allocated to the dean by the Vice President. The dean may, however, establish a contingency pool of FTE and/or dollars.

Without approval of the Vice President, and the dean, a department/school/program area may not “lock in” its allocated FTE by assigning all FTE to tenure track and multiple year positions, even when the positions are within the 80% tenured plan of the department/school/program area and college.

FTE assigned to positions which become vacant during the year may be reassigned, at the discretion of the dean, within the college, provided the dollars to fund the position are not recalled by the Vice President.

c Department Chair/School Director/Program Area Coordinator level.

FTE and dollars allocated to departments/schools/program areas may be assigned by the department chair/school director/program area coordinator to staff the needs of the department/school/program area, but assignments must be consistent with guidelines established by the dean. Tenure track positions, assignments from hiring pools, or assignments of T.A.’s etc., must conform to University hiring procedures for those positions.

T.A. positions may not be reduced in any department/school/program area from one year to the next without the approval of the dean and the Vice President.

FTE allocations at the dean and departmental/school/program area levels do not guarantee funding for the FTE allocated. FTE must be funded through the budget allocation to the dean or department/school/program area. Departments/schools/program areas with unassigned FTE may request authorization from the dean to advertise positions, even though they may only have tentative expectations that they will be funded. Positions tentatively approved and authorized for advertising must contain a contingency statement that allows the University to withdraw a position that is not
ultimately funded. Positions for which no FTE allocations have been made may not be advertised.

(IV) Without approval of the dean and the Vice President, a department/school/program area may not lock in its FTE by assigning all FTE to tenure track and multiple year term positions, even when the positions are within the 80% tenured plan of the college.

(V) When a dean signs a position authorization form for a departmental/school/program area request to fill a position, the dean should indicate to the department/school/program area the funding priority of the position (i.e., the conditions necessary for the position to be funded).

(VI) Budget allocations to departments/schools/program areas must be managed by the chair according to University and college fiscal policies.

3-8-104 Criteria and Procedures for Selection and Awarding Honorary and Posthumous Degrees.

3-8-104(1) Honorary.

(a) Purpose of this Regulation. This regulation describes the process by which the University may award honorary degrees to recognize individuals who have made significant contributions to the University and/or have attained achievements of extraordinary and lasting distinction.

(b) Limitations. UNC employees are not eligible for the honorary degree while they are employed by the University. Honorary degrees shall not be conferred on elected state and local officials while they hold office. The Doctor of Laws and Doctor of Humane Letters are the only two honorary degrees that may be conferred. Under no circumstances will earned degrees awarded by UNC be conferred as honorary degrees.

(c) Criteria. Nominees must be evaluated by using the following criteria.

(i) Nominees must have made significant contributions to the University over an extended period of time or outstanding personal or professional accomplishments that complement the University's role and mission.

(ii) Nominees must be individuals upon whom conferral of an honorary degree would bring honor to the University.

(iii) Nominees must exhibit exemplary character and integrity.

(d) Nominations.

(i) Procedure. Nominations may be made in writing at any time by any UNC employee and must be submitted to the Chief Academic Officer at least one semester prior to the semester of the commencement at which the degree is to be conferred.

(ii) Materials. Nominations must include a letter that describes how the nominee meets the honorary degree criteria and the preferred semester in which the degree would be conferred.
(e) **Review Process.** All matters relating to nominee reviews and recommendations are confidential and shall be maintained in confidence except for final approval by the Board of Trustees.

(i) **Evaluation Materials.** The evaluation materials for each nominee shall include the letter of nomination and the Nominee Evaluation Form (see attached) completed by the reviewers at each step in the review process. These materials will accompany the nominee's nomination throughout the process.

(ii) **Chief Academic Officer Review.** Nominations are reviewed first by the Chief Academic Officer, who shall make a recommendation on the nominee(s) and forward their recommendation and the evaluation materials to the Faculty Senate Executive Committee for consideration.

(iii) **Faculty Senate Executive Committee Review.** Nominations are reviewed second by the Faculty Senate Executive Committee in executive session and shall make a recommendation on the nominee(s) and forward its recommendation and the evaluation materials to the President for consideration.

(iv) **President Review.** Nominations are reviewed third by the President who shall review the evaluation materials and decide whether to recommend approval of the nominee(s) to the Board of Trustees. If the President determines the nominee fulfills the honorary degree criteria in 3-8-104(c), the President shall first contact the nominee(s) to inform them that the President is recommending them to the Board for conferral of an honorary degree in order to determine if the nominee(s) are desirous of being recommended. If so, the President will forward the evaluation materials to the Board of Trustees with a recommendation that the Board approve the nomination(s) including a recommendation on the type of degree(s) to be conferred.

(v) **Board of Trustees Review.** The Board of Trustees shall review the evaluation materials and shall discuss in executive session whether the nominee meets the honorary degree criteria and whether to approve in public session the President’s recommendation.

(f) **Announcement of Board Approval of Nominee.** If the nominee is approved by the Board of Trustees, the President shall make the public announcement of the Board’s approval. The honorary degree shall be conferred at a commencement or at a special convocation following approval by the Board of Trustees.

(g) **Rescission of Approval or Conferral of Honorary Degree.** The Board of Trustees has authority to rescind its approval of the conferral of an honorary degree either before or after the degree is conferred if, in its judgment, the nominee or degree recipient has engaged in conduct that constitutes a significant departure from generally recognized standards of behavior that:

(i) May be injurious to the reputation of the University and/or;

(ii) Is inconsistent with the University’s mission and/or values.

3-8-104(2) **Posthumous.** Students who die during their academic programs may be awarded posthumous degrees.
(a) The request to award a posthumous degree may be initiated by the decedent’s family, the major department/school/program area, or college, as well as by the Dean of Students.

(b) The CAO, in consultation with the Dean of Students, shall determine whether the student had made reasonable progress toward degree completion and did not have a significant disciplinary incident.

(c) If the conditions in (b) are met, the Registrar withdraw the student from all unfinished courses the student was enrolled in at the time of death (if applicable), order the appropriate diploma, and arrange for the decedent to be listed in the first available commencement program.

(d) The Registrar shall send notice of the posthumous degree award to the President, the CAO, and the decedent’s major department/school/program area and college.

(e) The President shall write a letter to the decedent’s family announcing the posthumous degree and the date of the commencement ceremony at which the degree shall be awarded.
Article 9: Information Technology

3-9-101 Purpose. This information Security Plan (“Plan”) describes the University of Northern Colorado’s (UNC) safeguards to protect certain data and information which Federal and State laws and regulations require be protected herein after be referred as “covered data and information.” The purpose of the Plan is to: (1) ensure the confidentiality, integrity, and availability of covered data and information; (2) protect against threats or hazards to the confidentiality, integrity, and availability of such information; and (3) protect against unauthorized access to or use of covered data and information that could result in substantial harm or inconvenience to any student, faculty or staff, hereinafter referred to as “customer.”

3-9-102 This Information Plan Also Provides for Mechanisms to: (1) identify and assess the risks that may threaten covered data and information maintained by UNC; (2) develop written policies and procedures to manage and control these risks; (3) develop and implement technological solutions to manage and control these risks (4) implement and review the plan; and (5) adjust the plan to reflect changes in technology, the sensitivity of covered data and information and internal or external threats to information security.

3-9-103 Identification and Assessment of the Risks to Customer Information. UNC recognizes that it has both internal and external risks. These risks include, but are not limited to: (1) access of covered data and information whether in electronic or hard copy form by any unauthorized parties; (2) compromised system security as a result of system access by an unauthorized person; (3) interception of data during transmission; (4) loss of data confidentiality, integrity, and availability; (5) physical loss of data due to disaster, loss, or theft; (6) errors introduced into the system; (7) corruption of data or system; (8) unauthorized transfer of covered data and information through third parties.

3-9-104 List of Risks. UNC recognizes that the above may not be a complete list of the risks associated with the protection of covered data and information. Since technology growth is not static, new risks are created regularly. Accordingly, the Information Technology Department will actively participate and monitor reputable advisory groups for identification of new risks.

3-9-105 Information Technology Safeguards. UNC believes that its current Information Technology safeguards are reasonable and sufficient to exercise due care and due diligence in providing confidentiality, integrity, and availability to covered data and information maintained by the University.

3-9-106 Information Security Plan Coordinators. The Assistant Vice President for Information Technology and the Assistant Vice President for Finance have been appointed as the coordinators of this Plan. They are responsible for assessing the risks associated with unauthorized access to and/or transfer of covered data and information and for implementing procedures to minimize those risks. Internal Audit Personnel will also conduct reviews of areas that have access to covered data and information to assess the internal control structure put in place by the administration and to verify that UNC departments comply with the requirements of this policy.

3-9-107 Employee Management and Training. Background checks will be conducted of new employees working in areas that regularly handle covered data and information, including but not limited to the Bursar’s Office, Registrar, Financial Services, Student Financial Resources, Health Service and Human Resources, and Information Technology. Please see http://www.unco.edu/hr/job_opportunities.htm.
During employee orientation, each new employee in these departments will receive proper training on the importance of confidentiality of student records, student financial information, and other types of covered data and information (including but not limited to the use of the unique UNC identifier, the “Bear Number”). Each new employee is also trained in the proper use of computer information and password management. Training also includes controls and procedures to prevent employees from providing confidential information to an unauthorized individual, including “pretext calling” (“Pretext calling” occurs when an individual improperly obtains personal information of the university customers so as to be able to commit identity theft. It is accomplished by contacting the University, posing as a customer or someone authorized to have the customer’s information, and through the use of trickery and deceit, convincing an employee of the University to release customer identifying information) and how to properly dispose of documents that contain covered data and information. Each department responsible for maintaining covered data and information is instructed to take steps to protect the information from unauthorized access, alteration, destruction, loss or damage due to environmental hazards such as fire and water damage, or technical failures. Further, each department is responsible for maintaining covered data and information should coordinate with the General Counsel on an annual basis for the coordination and review of additional privacy training appropriate to the department. These training efforts should help to minimize risk and safeguard covered data and information.

3-9-107(1) Protocol. UNC employees contacted by others, including law enforcement agents, requesting covered data and/or university information must not disclose any such information prior to immediately notifying UNC’s General Counsel who will advise them of the appropriate action.

3-9-107(2) Physical Security. UNC has addressed the physical security of covered data and information by limiting access to only those employees who have a business reason to know such information. For example, personal information, accounts, balances and transactional information are available only to UNC employees with an appropriate business need for such information.

3-9-107(3) Paper Documents. Loan files, account information, health information and other paper documents are kept in file cabinets, rooms or vaults that are not left unattended and are locked each night. Only authorized employees know the combinations and the location of keys. Paper documents that contain covered data and information are shredded at the time of disposal.

3-9-107(4) Information Systems. Access to covered data and information via UNC’s computer information system is limited to those employees who have a business reason to know such information. Each employee is assigned a user name and password. Databases containing personal covered data and information, including, but not limited to, accounts, balances, health information and transactional information, are available to UNC employees in appropriate departments and positions.

3-9-107(5) Responsibility. UNC will take responsibility and appropriate steps consistent with current technological developments to make sure that all covered data and information is secure and to safeguard the confidentiality, integrity, and availability of records in storage and transmission. Information Technology requires that all servers must be registered before being allowed through UNC’s firewall, thereby allowing Information Technology to verify that the system meets necessary security requirements as defined by Information Technology policies. These requirements include maintaining the operating system and applications, including applications of appropriate patches and updates in a timely fashion. User and system passwords are also required. In addition, an intrusion detection system has been implemented to detect and stop certain external threats, along with an incident response policy for occasions where intrusions do occur.
3-9-107(6) Encryption Technology. When commercially reasonable, encryption technology (please see www.unco.edu/cybersecurity for information regarding encryption) will be used for both storage and transmission. All covered data and information will be maintained on servers that are behind UNC’s firewall. All firewall software and hardware maintained by Information Technology will be kept current. Information Technology has policies and procedures in place to provide security to UNC information systems. These policies are available upon request from the Assistant Vice President for Information Technology.

3-9-108 Management of System Failures. Information Technology has developed written plans and procedures to detect any actual or attempted attacks on UNC systems and has an incident response policy which outlines procedures for responding to an actual or attempted unauthorized access to covered data and information. This procedure is available upon request from the Assistant Vice President of Information Technology.

3-9-109 Selection of Appropriate Service Providers. Due to specialized expertise needed to design, implement, and service new technologies, vendors may be needed to provide resources that UNC determines not to provide on its own. In the process of choosing a service provider that will maintain or regularly access covered data and information, the evaluation process shall include ability of the service provider to safeguard all confidential information. Contracts with service providers may include the following provisions: (1) an explicit acknowledgement that the contract allows the contract partner access to confidential information; (2) a special definition or description of the confidential information being provided; (3) a stipulation that the confidential information will be held in strict confidence and accessed only for the explicit business purpose of the contract; (4) an assurance from the contract partner that the partner will protect the confidential information it receives according to commercially acceptable standards and no less rigorously than it protects its own confidential information; (5) a provision providing for the return or destruction of all confidential information received by the contract partner upon completion of the contract; (6) an agreement that any violation of the contract’s confidentiality conditions may constitute a material breach of the contract and entitles UNC to terminate the contract without penalty; and (7) a provision ensuring that the contract’s confidentiality requirements shall survive any termination requirement.

3-9-110 Continuing Evaluation and Adjustment. The Information Security Plan will be subject to periodic review and adjustment. The most frequent of these reviews will occur within Information Technology, where constantly changing technology and evolving risks mandate increased vigilance. Continued administration of the development, implementation, and maintenance of the program will be the responsibility of the designated Information Security Plan Coordinators who will assign specific responsibility for implementation and administration as appropriate. The Coordinators, in consultation with the General Counsel, will review the standards set forth in this policy and recommend updates and revisions as necessary. It may be necessary to adjust the plan to reflect changes in technology, the sensitivity of student/customer data and internal or external threats to information security. [Editor’s Note: For specific policy concerning health related information please see HIPAA (Health Insurance Portability and Accountability Act) policy and procedures located under the Student Health Center website. For specific policy concerning student educational records please see FERPA (Family Education Rights and Privacy Act) policy and procedures located under the Dean of Students website.]

Part 2: Information Technology Acceptable Use Regulation.

3-9-201 Overview. The intention of this Regulation is not to impose restrictions that are contrary to the University of Northern Colorado’s (UNC) established culture of openness, trust and integrity. UNC is
committed to protecting faculty, staff, students and the University from illegal or damaging actions by individuals, either knowingly or unknowingly. This Regulation explains the acceptable use of University of Northern Colorado’s computing and communication resources, including computers, networks, electronic mail, electronic information sources, voice mail, telephone services and other communication resources.

3-9-202 Purpose. These rules are in place to protect the faculty, staff, students and the University. Inappropriate use exposes all parties to risks including loss of data or data integrity, exposure of personal and/or confidential data, malicious programs, systems compromise, and legal issues.

3-9-203 Scope. This Regulation applies to employees, contractors, consultants, temporary employees, students, and other workers at UNC including all personnel affiliated with third parties. This Regulation applies to all equipment that is owned or leased by UNC.

3-9-204 Regulation. UNC’s computing and communications resources are university owned. These resources are to be used to further the university's mission of teaching, learning, the advancement of knowledge and community services. These resources shall be used in a manner consistent with the instructional, research, and administrative objectives of the University. Computing and communication resources are provided for the use of faculty, staff, currently admitted or enrolled UNC students and other properly authorized users. Access to the computing and communication resource environment is a privilege and must be treated as such by all users of these systems.

3-9-205 General Use. By acquiring an account or utilizing University electronic resources, users assume the responsibility to adhere to the following: (1) all computer users must comply with these regulations, state laws, federal laws and all other UNC regulations and policies; (2) individuals will refrain from activities that may damage or obstruct the network and electronic resources and information (such activities are described in Sections 3-9-207 and 3-9-208); (3) computer users are expected to secure their passwords and make them difficult to obtain or guess and are responsible for the security of and actions taken with their accounts; (4) no user shall, knowingly or unintentionally expose Personally Identifiable Information (PII) to unauthorized individuals. This includes, but is not limited to, information such as bear number, social security number and credit card information; (5) users must protect and backup critical data; UNC Information Technology is not obligated to maintain backups of any file for any particular length of time; individual users and university units should develop procedures and practices to ensure regular backups of data and implement steps to ensure that all critical data is compatible with all current generations of computing equipment and storage media and media readers; (6) all UNC units should implement procedures to ensure that access to sensitive data is restricted to those employees who have a need to access the information; (7) default passwords, such as those from a manufacturer, should be immediately changed; (8) agree to cooperate and comply with requests for access to and copies of email messages or data when access or disclosure is authorized by this regulation or required or allowed by law or other applicable procedures, regulations and policies; (9) because information contained on portable computers is especially vulnerable, special care should be exercised to protect these devices (see http://www.unco.edu/cybersecurity for more information); (10) all devices that are connected to the UNC network, whether owned by the user or UNC, shall be patched to the most current level and running up to date virus-scanning software.

3-9-206 Privacy. UNC’s computing resources, including all related equipment, networks and network devices, are provided for authorized UNC use only. UNC computer systems may be monitored for all official purposes. Use of UNC’s computing infrastructure, authorized or unauthorized, constitutes consent to this regulation and the policies and procedures set forth by UNC. Evidence of unauthorized use collected during monitoring may be used for administrative action and/or criminal or civil prosecution by
University legal counsel and law enforcement agencies. Under the Colorado Open Records Act, electronic files are treated the same as paper files. Any official university documents (as defined by law) in the files of employees of the State of Colorado are considered to be public documents, and may be subject to inspection through the Open Records Act. In such cases, the Legal Counsel to the Board of Trustees should inspect the contents of the applicable files to determine which portions may be exempt from disclosure. Any inspection of electronic files, and any action based upon such inspection will be governed by all applicable U.S. and Colorado laws and by university policy and regulations. (1) It is recommended that any information that users consider sensitive or vulnerable be encrypted; for guidelines on encrypting email and documents, please see http://www.unco.edu/cybersecurity for further information; (2) for security and network maintenance purposes, authorized individuals within UNC’s Information Technology department may monitor equipment, systems and network traffic at any time; (3) UNC reserves the right to audit networks and systems on a periodic basis to ensure compliance with this regulation; (4) in cases of suspected violations of UNC policies and procedures, or when required by law, the system administrator may authorize detailed session logging; this may involve keystroke and session logging; in addition the system administrator may perform searches of user files to gather evidence on suspected violations; (5) University owned computers and equipment can be examined to detect unauthorized software use and to evaluate the security of the network; (6) all individuals must respect the rights and privacy of others, including intellectual property and personal property rights.

3-9-207 Unacceptable Use. Under no circumstances is an employee of UNC authorized to engage in any activity that is illegal under local, state, federal or international law, or that is against UNC rules and regulations while utilizing UNC owned resources. The activities listed below are strictly prohibited. These lists are by no means exhaustive, but provide a framework for the types of activities which fall into the category of unacceptable use.

3-9-208 Unacceptable System and Network Activities. (1) Knowingly using any computer, computer system, computer network or any part thereof for the purpose of devising or executing any scheme or artifice to defraud; obtain money, property, or service by means of false or fraudulent pretenses, representations, or promises; using the property or services of another without authorization; or committing theft; (2) negligent or intentional conduct that alters, damages, or destroys any computer, computer system, computer network, or any system logs, computer software, program documentation, or date contained in such computer, computer system, or computer network; (3) use of resources for personal or private business or commercial activities, fund raising or advertising on behalf of non-UNC organizations; (4) misrepresentation or forging your identity on any electronic communication; (5) unlawful communications, including threats of violence, obscenity, child pornography and harassing communications; (6) reselling of UNC resources or services; (7) failure to comply with requests from appropriate UNC officials to discontinue activities that threaten the operation or integrity of computers, systems or networks, or otherwise violate this regulation; (8) violations of the rights of any person or company protected by copyright, trade secret, patent or other intellectual property, or similar laws or regulations, including, but not limited to, the installation or distribution of "pirated" or other software products that are not appropriately licensed for use by UNC; (9) unauthorized copying of copyrighted material including, but not limited to, digitization and distribution of photographs from magazines, books, or other copyrighted sources, copyrighted music, movies, and the installation of any copyrighted software for which UNC or the end user does not have an active license; (10) exporting software, technical information, encryption software or technology, in violation of international or regional export control laws; (11) using a UNC’s computing asset to actively engage in procuring or transmitting material that is in violation of sexual harassment or hostile workplace laws; (12) making fraudulent offers of products, items, or services originating from any UNC account; (13) engaging in security breaches or disruptions of network communication (Security breaches include, but are not limited to, accessing data of which the
user is not an intended recipient or logging into a device or account that the user is not expressly authorized to access, unless these activities are within the scope of regular duties. For purposes of this section, "disruption" includes, but is not limited to, network monitoring, ping floods, buffer overflows, spoofing, denial of service, and forged routing information for malicious purposes; (14) vulnerability and port scanning is expressly prohibited unless prior approval from the Information security office; (15) circumventing user authentication or security of any host, network or account; (16) using any program/script/command, or sending messages of any kind, with the intent to interfere with, or disable, a user's terminal session, via any means, locally or via the Internet.

3-9-209 Unacceptable Email and Communications Activities. (1) Sending unsolicited email messages, including the sending of "junk mail" or other advertising material to individuals who did not specifically request such material (email spam); (2) any form of harassment via email, telephone or paging, whether through language, frequency, or size of messages; (3) unauthorized use, or forging, of email header information; (4) solicitation of email for any other email address, other than that of the poster's account, with the intent to harass or to collect replies; (5) creating or forwarding or replying to "chain letters" of any type; (6) use of unsolicited email originating from within UNC's networks of other Internet service providers on behalf of, or to advertise, any service hosted by UNC or connected via UNC's network; (7) posting the same or similar non-business-related messages to large numbers of Usenet newsgroups.

3-9-210 Enforcement. Those found to have violated this regulation may be subject to disciplinary action, up to and including criminal prosecution and/or termination of employment.

3-9-211 Related Policies, Procedures, and Codes of Conduct. All applicable laws and University policies, regulations and procedures bind UNC students and employees. Some applicable laws and procedures are listed below. This list is an illustration only. It is not intended to be exhaustive or to limit the applicability of any other law, policy, or regulation.

3-9-212 Mass E-mails to Campus. The University's official electronic delivery method for communicating campus news, announcements and events to faculty, staff and students is through its e-newsletters. The Office of University Relations sends UNC Today by e-mail Monday through Friday, excluding holidays, to faculty and staff. Around Campus is a weekly e-newsletter sent to students during fall and spring semesters. Campus announcements also appear on Ursa (under the heading "Campus Announcements), http://ursa.unco.edu, UNC's campus Web portal.

Making announcements through Ursa, UNC Today and Around Campus reduces, and in most cases eliminates, the need for sending e-mail to all faculty, classified, exempt and student through listservs. Ursa, UNC Today and Around Campus combine to reach all of the audiences who belong to those listservs — i.e., all members of the campus community who have university e-mail accounts. By employing this approach, the campus community receives from recognized and credible source relevant campus information in a consolidated format.

Targeted Announcements.
In certain cases, there are exceptions that warrant sending individual announcements directly to one or all of the student, faculty and staff listservs. These include:

(1) Emergency messages sent from UNC's Emergency Alert System.
(2) Messages deemed of critical importance from the offices of university president, provost, chief financial officer, UNC Police, university relations, general counsel, human resources, information technology and dean of students.

Approval for sending mass e-mails resides with these offices or their designees, keeping in mind that the preferred and recommended method is through the e-newsletters: the Provost (faculty and student requests) and Chief Financial Officer (employee requests), in consultation with the newsletter’s editor. The university may rescind a community member’s eligibility to send announcements for non-compliance with this or other university technology policies contained in “UNC Computer, Internet and Electronic Communication Procedures.”

(3) This does not affect:

(a) Professors sending e-mail to students enrolled in their classes;

(b) Other listservs that are requested and managed by faculty, staff and students. These listservs use a Web interface to distribute e-mail to addresses on and off campus and can be modified to allow members to send and receive messages.

(c) This also does not affect sending e-mail to department e-mail distribution lists that have either been set up by an employee or by IT on the department’s behalf. These lists can be created and managed locally through Outlook or requested through Information Technology so that they appear in the Global Address List. Members of a distribution list are the only ones available to send to these lists.

Guidelines for Submitting UNC Today/Ursa Campus Announcements.

(1) Announcements must be directly related to the university.

(2) Campus announcements must be relevant to a large segment of the university community and fall into one of these categories:

Calendar entries will appear online within 24 hours of the time they’re entered. Entries will be published in UNC Today and distributed in an e-mail titled ‘Next Week on Campus,’ which previews the on-campus events for the upcoming week.

**Guidelines for Around Campus.**

(1) Events published in Around Campus must be sponsored by official university groups.

(2) Events should be submitted to the online calendar to be included in the newsletter and considered as an announcement. From a campus computer, visit http://www.unco.edu/calendar/calendar.asp . Click ‘Submit or edit an event’ at the top of the page. Calendar entries will appear online within 24 hours of the time they’re entered. Entries will be published in Around Campus under the headings, “Today and This Weekend on Campus,” and “Next Week on Campus,” which previews the on-campus events for the upcoming week.
(3) Announcements are selected by the Dean of Students Office from a list of upcoming campus events and/or pertinent information that’s relevant to students.

(4) To submit ideas for spotlight stories, which are feature stories that appear in Around Campus, send an e-mail to newsletters@unco.edu. Examples of potential stories include, but aren’t limited to: a student’s unusual job or prestigious award or achievement (such as receiving an internship to work at NASA), a college class that has started as a result of student research, or a student’s out-of-the-ordinary volunteer activities.

(5) Calendar entries must include a contact name, telephone number and e-mail address.

(6) Calendar entries may not conflict with UNC policies or regulations or include material contrary to the university’s mission and values.

(7) Calendar entries about commercial or fund-raising activities not associated with the university (e.g., solicitations) or about activities for personal financial gain will not be published.

(8) Calendar entries must comply with “UNC Computer, Internet and Electronic Communication Procedures,” http://www.unco.edu/it/Policies/computingproceduresindex.html

(9) All entries are subject to editing (see below).

Editing of Announcements.
The Office of University Relations staff will edit announcement and calendar submissions for accuracy, brevity, clarity and suitability. If a submission is better suited to a different communication vehicle, it will be forwarded. Items that are incomplete or inaccurate or do not meet guidelines will be e-mailed back to the submitter with an explanation. Submitters are encouraged to make necessary changes and resubmit the item. The university reserves the right to review, suspend or deny announcement requests for any reason.

3-9-213 Plan to Combat Unauthorized Distribution of Copyrighted Material.
In accordance with the Higher Education Act of 2008; the University has adopted this Plan to combat unauthorized distribution of copyrighted material through peer-to-peer file sharing. The Plan consists of 4 elements.

3-9-213(1) Technology Based Deterrents.
The University computing infrastructure has the ability to shape the majority of peer-to-peer applications in use today. This same technology can be used to assist with the identification of individuals who may be accessing P2P networks and potentially downloading and uploading copyrighted material. The University will use technologies that provide the ability to identify P2P applications and assist with the shaping of the traffic associated with such applications as appropriate to enhance the effectiveness of the Plan and consistent with preserving the computing infrastructure and University resources.

3-9-213(2) Education.
The University annually distributes an educational publication(s) to the campus community “Cyber-Security Awareness Month” The publication(s) outline the technology behind peer-to-peer file sharing, provides examples of how certain uses of that technology may constitute unauthorized distribution of copyrighted material, and provides information on resources and alternatives for legally obtaining copyrighted material. The publication describes the institution’s policies with respect to unauthorized peer-to-peer file sharing and summarizes potential disciplinary actions for violation of the procedure. It also explicitly informs the campus community that unauthorized distribution of copyrighted material, including unauthorized peer-to-peer file sharing, may result in civil and criminal liabilities and
summarizes potential civil and criminal penalties. The information is distributed to the campus community annually and posted on the University’s website located at 
http://www.unco.edu/cybersecurity

3-9-213(3) Policies.
The Student Code of Conduct, Section B.12 prohibits violations of federal law or any other conduct that unreasonably interferes with the operations of the University. This provision makes any copyright infringement by a student a violation of University policy. In addition, University Regulation 3-9-208(9) prohibits any use of the University network for unauthorized copying of copyrighted material including, but not limited to, digitization and distribution of photographs from magazines, books, or other copyrighted sources, copyrighted music, movies, and the installation of any copyrighted software for which UNC or the end user does not have an active license. Unauthorized distribution of copyrighted material through peer-to-peer file sharing is explicitly addressed in the University's Peer-to Peer File Sharing Procedure which appears in the University Regulations, Article 9 Information Technology located at http://www.unco.edu/trustees/University_Regulations.pdf

3-9-213(4) Assessment of Plan Effectiveness.
The Assistant Vice President for Information Technology will coordinate a periodic assessment of the effectiveness of this Plan. The assessment shall consist of a review of current legal alternatives for downloading or otherwise acquiring copyrighted material, a review of the University's current technology based deterrents, a review of the University's current educational efforts and a review of disciplinary actions for unauthorized distribution of copyrighted material. The assessment shall set out the criteria used for assessing Plan effectiveness, which may include tools for assessing campus awareness of the risks and consequences of unauthorized distribution of copyrighted material, availability of legal downloading alternatives, statistics on repeat violators and analysis of DMCA violation notices and settlement letters for trends and fluctuations in type and frequency. Based on this assessment, the Assistant Vice President for Information Technology, in consultation with the Office of General Counsel, the Director of Human Resources and the Office of Student Affairs will update this Plan as needed.

3-9-214(1) Overview.
The University's culture supports sharing knowledge and information in a manner that does not violate copyright law or University policy or regulation. File sharing is the practice of using the internet to make files available for others to download. Peer-to peer (P2P) file sharing applications allow a computer to connect to a P2P network, and once connected, make it possible to download as well as upload files for other users on the network. Campus computer networks are subject to being used to download and distribute copyrighted music, movies, television shows, pictures, games, software, etc. through the use of P2P file sharing networks.

While there are files we can legitimately obtain and share, for instance, works of our own creation or works in the public domain, it is against the law and University policy and regulation to download copyrighted materials (such as music, movies, video games, computer software, photographs, etc.) without legal authorization such as purchasing the work or obtaining the copyright holder’s permission. Purchasing a work for your own use does not give you legal authorization to further distribute that work.

P2P file sharing poses risks to the University computer network and to the individuals involved. The University of Northern Colorado respects the intellectual property rights of others and expects
students, faculty, and staff to do so as well. We also must ensure that the University’s network is not put at risk or misused.

3-9-214(2) Risks of Unauthorized Peer-to-Peer File Sharing.
Illegal P2P downloading and distribution of copyrighted material, even if inadvertent, holds the risk of significant penalties beyond sanctions for violation of University policy and regulation. Under federal law, a person found to have infringed upon a copyrighted work may be liable for actual damages and lost profits attributable to the infringement, and statutory damages from $200 up to $150,000. The copyright owner also has the right to permanently enjoin an infringer from further infringing activities, and the infringing copies and equipment used in the infringement can be impounded and destroyed. If a copyright owner hired an attorney to enforce their rights, the infringer of a work may also be liable for the attorney's fees as well as court costs. Finally, criminal penalties may also be assessed against the infringer and could include jail time depending upon the nature of the violation.

Along with the potential for University sanctions for violations of University policy and regulation and legal complications associated with P2P file sharing, the files downloaded or distributed through P2P file sharing can cause harm to individuals, their computers and the computing network and infrastructure. These risks include but are not limited to virus infections, worm infections, Trojan Horses, Spyware, sensitive information leakage, and identity theft.

3-9-214(3) Purpose.
It is the responsibility of all members of the UNC community to use copyrighted materials in a manner that complies with the United States Copyright Law and University policy and regulation. The purpose of this procedure is to combat unauthorized downloading and distribution of copyrighted materials using P2P file sharing and guard against the associated risks.

3-9-214(4) Scope.
This procedure applies to University employees, staff, faculty, students, guests, and all other users of the University’s computing and network resources.

3-9-214(5) Procedure.
Uses of P2P applications on the University network in a manner that infringes copyright or interferes with or poses a risk to the network integrity or security are prohibited by this procedure.

Using P2P applications to download a copyrighted work is deemed to infringe copyright protection if undertaken without legal authorization, which may be obtained through purchasing the work or obtaining the owner’s written authorization. Purchasing a work for downloading does not authorize further distribution.

Using P2P applications interferes with or poses a risk to the University network whenever the use places an unusual burden on the network, for instance, when excessive bandwidth is occupied and when potentially unsafe content is downloaded or uploaded. P2P applications may be used for legitimate academic or research purposes or for personal purposes so long as those uses do not violate the law or this procedure.

3-9-214(6) Enforcement.
The University does not routinely monitor its computer network to detect infringement of copyright protected material; however it receives copyright infringement notifications of various kinds from owners of copyright protected material that has allegedly been infringed by University network users.
The Digital Millennium Copyright Act (DMCA) provides copyright owners with a procedure for notifying service providers of alleged infringing activities by their subscribers. The University is generally deemed a service provider under the DMCA. A notice of infringing activity must contain the following elements to be sufficient.

1) A physical or electronic signature of a person authorized to act on behalf of the owner of an exclusive right that is allegedly infringed.

2) Identification of the copyrighted work claimed to have been infringed, or, if multiple copyrighted works at a single online site are covered by a single notification, a representative list of such works at that site.

3) Identification of the material that is claimed to be infringing or to be the subject of infringing activity and that is to be removed or access to which is to be disabled, and information reasonably sufficient to permit the service provider to locate the material.

4) Information reasonably sufficient to permit the service provider to contact the complaining party, such as an address, telephone number, and, if available, an electronic mail address at which the complaining party may be contacted.

5) A statement that the complaining party has a good faith belief that use of the material in the manner complained of is not authorized by the copyright owner, its agent, or the law.

6) A statement that the information in the notification is accurate, and under penalty of perjury, that the complaining party is authorized to act on behalf of the owner of an exclusive right that is allegedly infringed.

If the University receives a notice that meets these requirements it will be taken as evidence of a potential violation of this procedure. The copyright owner’s notice will be forwarded to the user at the IP address indicated with an indication of actions required to resolve the complaint.

If a P2P use is interfering with or placing the network at risk, the University will send the user a notice of evidence of a potential procedure violation with an indication of actions required to resolve the complaint.

Actions required to resolve a complaint of potential procedure violation may include one of more of the following: 1) requiring that the user immediately cease any prohibited activity, 2) requiring that the user participate in training on the risks of P2P file sharing 3) other action as deemed appropriate to the circumstances.

Failure of the user to comply with any required actions set out in a notice of potential procedure violation, or alternatively, on receiving a notice of potential procedure violation to provide the University with evidence that the use does not violate the law or University policy or regulation, may result in the immediate disconnection of the offending device from the University’s computing network or disabling access for the person at the IP address. The University may disconnect an offending device or disable access for the person at the IP address without prior notice if the use is interfering with network operation or placing the network at risk until appropriate actions can be taken. Furthermore, violation of this procedure may result in disciplinary action under appropriate University disciplinary procedures for employees, faculty, staff, and students. Sanctions may include any sanction available under the appropriate disciplinary policy, up to and including dismissal from the University or termination of a user’s University computing account. Civil and criminal legal consequences may also result.
3-9-214(7) Alternatives.
The University allows legal downloading on its network so long as the use does not interfere with or pose a risk to the network. Obtain legal downloading resource information at http://www.educause.edu/Resources/Browse/LegalDownloading/33381. These resources may not remain valid over time. It is up to the individual user to check out the legal statue of any music downloading service they might wish to use.
Article 10: Student/Employee Identification Number Regulation.

3-10-101 Objectives. The University of Northern Colorado recognizes that it collects and maintains confidential information relating to its students, employees, and individuals associated with the University and is dedicated to ensuring the privacy and proper handling of this information.

3-10-101(1) Purpose. The primary purpose of the University of Northern Colorado Student/Employee Identification Number Regulation is to provide the necessary procedures and awareness to ensure that University employees and students comply with both the letter and the spirit of this objective, to the letter and spirit of the Family Educational Rights and Privacy Act (FERPA) of 1974, revised and Colorado Revised Statute 23-5-127 (Identification Numbers for Postsecondary Students).

3-10-101(2) Objectives. The University is guided by the following objectives:

(a) Reduced reliance upon the Social Security Number (SSN) for identification purposes;

(b) Increased confidence by students and employees that SSNs are handled in a confidential manner.

(c) Broad awareness of the confidential nature of the SSN;

(d) Consistent policy towards and treatment of SSNs throughout the University.

3-10-102 Guidelines/Regulations. The Social Security Number Usage Committee is assigned the responsibility of overseeing the SSN usage at UNC. This committee’s approval is required to use the SSN in any printed materials or electronic system. The committee will be composed of the Registrar, Director of Admissions, Director of Human Resources, the Assistant Vice President for Information Technology or designee, and the Director of Institutional Research who will serve as chair of the committee. Specific responsibilities are indicated in the Implementation section below.

3-10-103 Unique Identifier. The UNC Bear Number is a unique identifier that is used to replace the Social Security Number as the primary identifier in most instances within the University. The Family Educational rights and Privacy Act (FERPA) explicitly includes a student identification number in the list of “personally identifiable information” which would make the student’s identity easily traceable. Therefore, the UNC Bear Number should not be publicly displayed.

3-10-104 UNC Bear Number. The UNC Bear Number will be assigned at the earliest possible point of contact between the individual and the University for all students and employees. It will be permanently and uniquely associated with the individual to whom it is originally assigned.

(1) All services rendered by UNC and electronic business systems will rely on the identification and authentication services provided by this system.

(2) The Bear Number will be used in all future electronic and paper data systems to identify, track, and service individuals associated with the University.

(3) All University forms and documents that collect SSNs will use the language included below and
will indicate whether the request is voluntary or mandatory. Forms and documents will be modified on an as reprinted basis with full compliance by January 1, 2005.

(4) Paper and electronic documents containing SSNs and/or the Bear Number will be disposed of in a secure fashion (either shredded or placed in a locked and secure recycle container).

(5) Non-directory information (as defined by FERPA) will not be publicly posted or displayed in a manner where either the SSN or Bear Number identifies the individual associated with the information.

(6) Except where the University is legally required to collect and use a SSN, individuals will not be required to provide their SSN, verbally or in writing, at any point of service, nor will they be denied access to those services should they refuse to provide a SSN.

(7) Social Security Numbers will be released by the University to entities outside the University only:

(a) As allowed by law; or

(b) When permission is granted by the individual; or

(c) When the external entity is acting as the University’s contractor or agent and adequate security measures are in place to prevent unauthorized dissemination to third parties; or

(d) When the University’s Legal Counsel has approved the release.

(8) The SSN will be used as:

(a) Allowed by law

(b) An alternate key to identify individuals whose Bear Number is unknown

(9) The Social Security Number Usage Committee will determine who has a legitimate need to access, collect, and/or store SSNs.

3-10-105 Implementation. The Social Security Number Usage Committee must approve the storage (via any medium) and/or use of a SSN as well as any university form or document that requests a SSN.

3-10-106 Requests. Requests must be submitted on the appropriate form and must provide the following information:

(1) Name of Unit

(2) Contact person plus e-mail address and phone

(3) What is being requested

(4) Why this is necessary

(5) How it will be used
(6) Who will have access to it

(7) How it will be disposed of

(8) Signature of department head

3-10-107 Denied Requests. Denied requests may be appealed by submitting a written request to meet with the Social Security Number Usage Committee to provide additional documentation and explanation of the necessity to use SSNs.

3-10-108 Approved Forms. All approved University forms and documents that collect SSNs will use the language substantially similar to the language indicated below.

(1) Student: “Use of Social Security Numbers: Providing a Social Security Number is voluntary and is not required for enrollment at UNC. However, the University is required by federal law to report to the Internal Revenue Service (IRS) the name, address and SSN of individuals from whom tuition and expenses are received and to whom compensation is paid. The SSN is required from individuals applying for and receiving financial aid and student employment; utilizing banking services; health services or the student health insurance program. The University will not disclose a SSN for any purpose not required by law without the consent of the student.”

(2) Employee: “Use of Employee Social Security Numbers: The University is required by federal law to report income along with Social Security Number (SSN) for all employees to whom compensation is paid. Employee SSNs are maintained and used by the University for payroll, reporting and benefits purposes and are reported to federal and state agencies in formats required by law or for benefits purposes. The University will not disclose an employee’s SSN without the consent of the employee to anyone outside the University except as mandated by law or required for benefit purposes.”

(3) SSN Statement for Student Handbook and the University’s Website: “The University of Northern Colorado is committed to protecting the privacy of its students, employees and alumni, as well as other individuals associated with it. At times the University will ask you for your Social Security Number (SSN). Federal and state law required the collection of your SSN for certain purposes such as those relating to employment, student loans, and financial aid. Whenever your SSN is requested, the form (both electronic or hardcopy) used to collect your number will be clearly marked as to whether this request is voluntary or mandatory.

“The University is required by the IRS to supply them with the name, address, and Social Security Number of every tuition-paying student. The IRS relies on these lists to certify education related tax credits. The University cannot provide the IRS with this information without a valid SSN.

“The University is required to have a valid SSN before an individual can be entered into any business system involving financial transactions. Thus, without your SSN the University cannot grant an assistantship, waiver, or provide employment.

“Social Security Numbers collected by the University may be used in a variety of ways, such as, but not limited to, the following:

(a) To identify such student records as applications for admission, transcript and certification
requests, medical immunization records, student financial records, financial aid records, health insurance records, and permanent academic records;

(b) To determine eligibility, certify attendance, and report student status;

(c) To use as an identifier for grants, loans, and other financial assistance programs; and

(d) To identify and track employment or medical records.

“The Social Security Number will not be disclosed to individuals or agencies outside the University of Northern Colorado except as allowed by law or with permission from the individual. This statement was created for informational purposes only and may be amended or modified. For a full description of the University of Northern Colorado's Social Security Number policy, please visit the Board of Trustees website under University Regulations.”

3-10-109 Enforcement. An employee or student who has substantially breached the confidentiality of either Social Security Numbers or the Bear Numbers may be subject to disciplinary action or sanctions up to and including discharge, dismissal, or prosecution under federal law as stipulated by FERPA in accordance with University policy and procedures.
Article 11: The Drug and Alcohol Policy.

3-11-101 The Drug and Alcohol Policy. The University of Northern Colorado strives to create a healthy environment, one in which the high risk use of alcohol and the use of illicit drugs does not interfere with learning, performance, or development. Substance abuse disrupts this environment and places at risk the lives and well-being of the members of the University community as well as the potential of students for contribution to society. It is important for all members of the University community to take responsibility for preventing the illegal or high risk use of alcohol or other drugs from negatively affecting the community’s learning environment and the academic, physical, and emotional well-being of its students.

3-11-102 University Policy Statement. The University of Northern Colorado prohibits the unlawful possession, use, or distribution of drugs, alcohol, and other controlled substances by all members of the University community (students, faculty, staff, alumni, and guests). Individuals who violate this policy shall be subject to discipline, termination, dismissal, debarment, arrest, or citation as applicable. Additionally, employees or students who violate this policy may be required to participate satisfactorily in drug abuse education, counseling, or rehabilitation programs approved by the University.

3-11-103 Policy on Alcohol. The University of Northern Colorado neither encourages nor discourages the use of alcoholic beverages, (includes 3.2 and 6% beer, vinous or spirituous liquor), but does condemn the misuse/abuse and illegal use of alcoholic beverages. All members of the University community (students, faculty, staff, alumni and guests) are responsible for making decisions about their behavior within the context of Colorado and the City of Greeley laws and University regulations and in the case of travel within the requirements of State of Colorado Fiscal Rule 5-1.02. In addition, individuals must always be aware of, and respect the rights of others within the University and local community.

(1) No person under legal drinking age in Colorado may have in their possession or consume malt, vinous, or spirituous liquor on the University of Northern Colorado campus and/or properties owned by the University or as part of any of its activities.

(2) Persons of legal age who adhere to the following responsible drinking guidelines may consume alcoholic beverages on campus:

(a) Individuals who possess or consume alcoholic (or non-academic) beverages will not litter University grounds;

(b) Individuals who possess, are consuming, or are under the influence of alcoholic beverages will not engage in abusive language or behavior or infringe upon the rights of any person;

(c) Individuals who possess, are consuming, or are under the influence of alcoholic beverages will not abuse University or local property.

(3) Individuals may not possess or consume alcohol in classrooms and academic or administrative buildings unless prior approval is obtained from the Vice President for Academic Affairs or their designee. Alcohol may not be purchased with State of Colorado or non-state University funds.

(4) When a group schedules use of University property for an organized function, it will be required to designate if alcohol will be consumed. If alcohol is to be consumed at an organized function, the group shall adhere to the UNC Alcohol Policy, the State of Colorado, and the City of Greeley laws.
(4) and regulations. Campus areas are available for scheduling functions at which alcoholic beverages will be served or consumed. However, permission for scheduling University facilities for organized events will be determined through the Office of Conference, Catering and Event Scheduling Services. The sponsoring group shall be responsible for assuring that no one under legal age is allowed to consume or possess alcoholic beverages.

(5) As a matter of University policy, the sponsoring group is encouraged to make reasonable efforts to persuade persons attending its functions to not drive a motor vehicle away from the function when that person is apparently impaired or intoxicated and provide alternative transportation.

(6) Advertisement of Events. The University of Northern Colorado encourages the celebration of events. These celebrations are usually accompanied by food and drink which may include alcoholic beverages. The advertisement of such events on campus by sponsors shall not promote the misuse/abuse of alcoholic beverages. Publicity shall focus on the event and not emphasize the consumption of alcoholic beverages. Mention of alternative beverages and food must be included if alcohol is mentioned in the advertisement. Advertisements must include the statement: “The University of Northern Colorado prohibits the irresponsible and illegal consumption of alcoholic beverages.”

(7) Admissions Charge for Functions Held by Non-Profit Organizations. Groups or organizations which are incorporated for non-profit reasons may charge admission to members and their guests attending a social function and alcoholic beverages may be served by the drink, at no charge per drink. When such an event is scheduled on University facilities, a security plan approved by the University Police Department must be submitted to the Office of Conference, Catering and Event Scheduling Services before the event is scheduled. When a special permit is necessary to sell alcoholic beverages, it must be obtained from the city or state agency after the event is scheduled. In addition, when an event is scheduled on University facilities, a security plan approved by the University Police Department must be submitted to the Office of Conference, Catering, and Event Scheduling Services before the event is scheduled. As long as alcoholic beverages are served during an event, food and a variety of popular non-alcoholic beverages must be served. If alcohol is served by the drink, the price of the non-alcoholic beverage may not exceed the price charged for the alcoholic beverage. It is encouraged that non-alcoholic beverages be served free of charge and provided to persons who are designated drivers or who desire to abstain from alcoholic beverages.

(8) Open alcohol containers are prohibited on the UNC campus, except at designated areas or scheduled events at which alcohol is authorized to be sold, served or consumed. These events shall be scheduled through the University Conference and Scheduling Office.

(9) Glass containers may not be present in areas adjacent to the Residence Halls, parks, athletic fields, or practice fields.

(10) Individuals are required to be in compliance with additional alcohol policies in effect in other areas of the campus which may be more restrictive than this policy. Article 12: Lactation Support Policy.

3-12-101 Purpose.

The University of Northern Colorado (UNC) recognizes the importance and benefits of breastfeeding/chestfeeding and human milk for lactating individuals and their children. UNC also is committed to promoting a family-friendly work and study environment. Applicable Colorado Statutes (see Section 3-12-105, below) provide for the privacy needs of employees who are breastfeeding/chestfeeding/expressing milk. Faculty, staff, and students who are breastfeeding/chestfeeding/expressing milk should not be compelled to choose between continued employment or academic pursuits under adverse conditions that place their health and their professional and/or academic success at risk.

3-12-102 Responsibility.

All University supervisors, managers, directors, and faculty are responsible for being aware of the policy, and for working with lactating employees and students to arrange lactation break times in accordance with the policy. The Division of Student Affairs, Human Resources, and the Lactation Support Program will be responsible for distributing this policy to the University community, and for responding to any questions about the policy raised by faculty, staff, and students.

3-12-103 Policy on Lactation.

In keeping with or exceeding the requirements of Colorado and federal law, UNC acknowledges that an individual may breastfeed/chestfeed/express milk in any place they have a right to be on campus. UNC shall provide faculty, staff, and students who are lactating with breaks as defined by the individual, and a clean, private space (other than a restroom) for milk expression that is in close proximity to their work or study area.

3-12-103(1) Lactation Breaks.

(a) Employee Specific Information.

(i) UNC shall accommodate an employee who gives their Department Chair/Program Coordinator/Director/Supervisor notice of a need for lactation support and facilities to express milk. Note that Colorado state law supports up to two years after birth, but UNC will continue to provide lactation support as long as desired by employee.

(ii) An employee should notify their Department Chair/Program Coordinator/Director/Supervisor in a timely manner of their request for lactation support when they are reasonably certain they will need to request time and/or a location to express milk.

(iii) Supervisors will work with employees (including faculty, staff, teaching and graduate students and student employees) who are expressing milk to schedule reasonable and flexible break times each day.

(iv) Where applicable, unpaid break time, or permitting an employee to use paid break time or mealtime, shall be allowed for the employee to express milk. The supervisor and employee shall work together cooperatively to establish times for the employee to
express milk as often as needed and determined by the employee.

(b) Student Specific Information.

(i) UNC faculty and staff will offer support and resources to their students with their breastfeeding/chestfeeding/lactating needs.

(A) Examples of support include: identifying times a student will step out to express milk, identifying a space where expressing milk can occur, connecting them with other campus lactation support resources by visiting https://www.unco.edu/center-womens-and-gender-equity/what-we-offer/lactation-support/.

(ii) Students who are breastfeeding/chestfeeding who need to leave class to express milk shall inform the instructor of the need and estimated time away from class as soon as possible.

(iii) Instructors/faculty are prohibited from penalizing lactating students who are requesting or receiving any accommodations for expressing milk while taking their course.

(iv) Instructors/faculty and students shall work together to identify solutions for making up in-class work or participation credits, as well as instruction missed. If problems arise, or a student must miss class for longer periods of time due to medical necessity, the student and/or instructor/faculty member may contact the Title IX Coordinator and Equity Officer for assistance establishing reasonable accommodations.

(v) Exam accommodations shall be provided as necessary and may include extending the available time for an exam to allow for the expression of milk or situating the exam room closer to a lactation space to minimize disruption.

(vi) UNC’s Title IX Coordinator and Equity Officer can serve as a liaison, support, and resource in the development and implementation of these accommodations to ensure the student’s educational opportunities. These include, but are not limited to, in-class and all university sponsored activities (e.g., required clinical rotations, athletics), and are not diminished because of lactation. Per federal case law, lactation is a pregnancy-related medical condition.

3-12-103(2) Lactation Facilities.

(a) UNC shall provide clean, semi-private/private locations for employees and students to express milk, and shall make reasonable efforts to provide an area in close proximity to the employee’s work area in accordance with applicable federal and Colorado law.

(b) Areas such as toilet stalls or areas within a restroom are not considered appropriate locations for expressing milk and are not permissible per federal and state law. A restroom equipped with a separate, closed off, designated room for lactation purposes is an appropriate location.

(c) A supervisor/faculty member who receives a request from an employee/student for break time and/or a private location to express milk shall review available space in their department/unit...
and be prepared to provide appropriate nearby space and break time.

(d) The designated lactation station locations on the UNC campus are listed at: https://www.unco.edu/center-womens-and-gender-equity/what-we-offer/lactation-support/. Included are descriptions of each lactation station, and what, if any, pumping equipment is available.

(e) UNC’s Lactation Support Program and employees/students who use the designated lactation stations on-campus will be responsible for keeping the facilities clean, and, where pumps are available, for cleaning and sanitizing the pump after each use. Employees/students will be responsible for cleaning and sanitizing their own pumps and pump pieces and storing their own milk.

3-12-104 Important Contact Information.

(1) Employees are encouraged to report issues related to lactation support request needs to Human Resources for consideration and resolution.

(2) Students are encouraged to report issues related to lactation support request needs to the Dean of Students Office for consideration and resolution. Depending on the circumstances, those involved in such investigations may include Human Resources, Dean of Students, Provost, University Counsel, Office of Institutional Equity & Compliance, and/or appropriate law enforcement agencies.

(3) Employees and students who have questions regarding access and use of the lactation stations or would like general information about expressing milk or UNC’s Lactation Support Program may contact support staff at https://www.unco.edu/center-womens-and-gender-equity/about-us/meet-our-staff/.

3-12-105 Applicable Colorado Statutes.

(1) C.R.S. § 25-6-301, et seq. recognizes the benefits of breastfeeding children and allows a mother to breastfeed “in any place she has a right to be.”

(2) C.R.S. § 8-13.5-101, et seq. recognizes the benefits of the breastfeeding of children. The statute requires employers to provide adequate break time for an employee to express breast milk for their nursing child up to two years after the child’s birth. The statute also requires an employer to make reasonable efforts to provide a room or other location in close proximity to the work area, other than a toilet stall, where an employee can express breast milk in privacy.
