

## Using a Parking Kiosk Code

1

Press the fourth yellow button under the word CODE on the dispenser screen.

2

Enter your code using the key pad below the coin slot.

3

Press the green button to confirm code entered.

4

Verify the time you will need to park and then print the dispenser permit.

5

Place your dispenser permit on the driver's side corner of your dash with all the information clearly visible from outside.
